The opportunity to develop one's self within the St. Mark's community should not be passed up. Academics, athletics, and activities — there is something for everyone. If a student does not make a real effort to excel in one of these fields, he is wasting his time at this school.

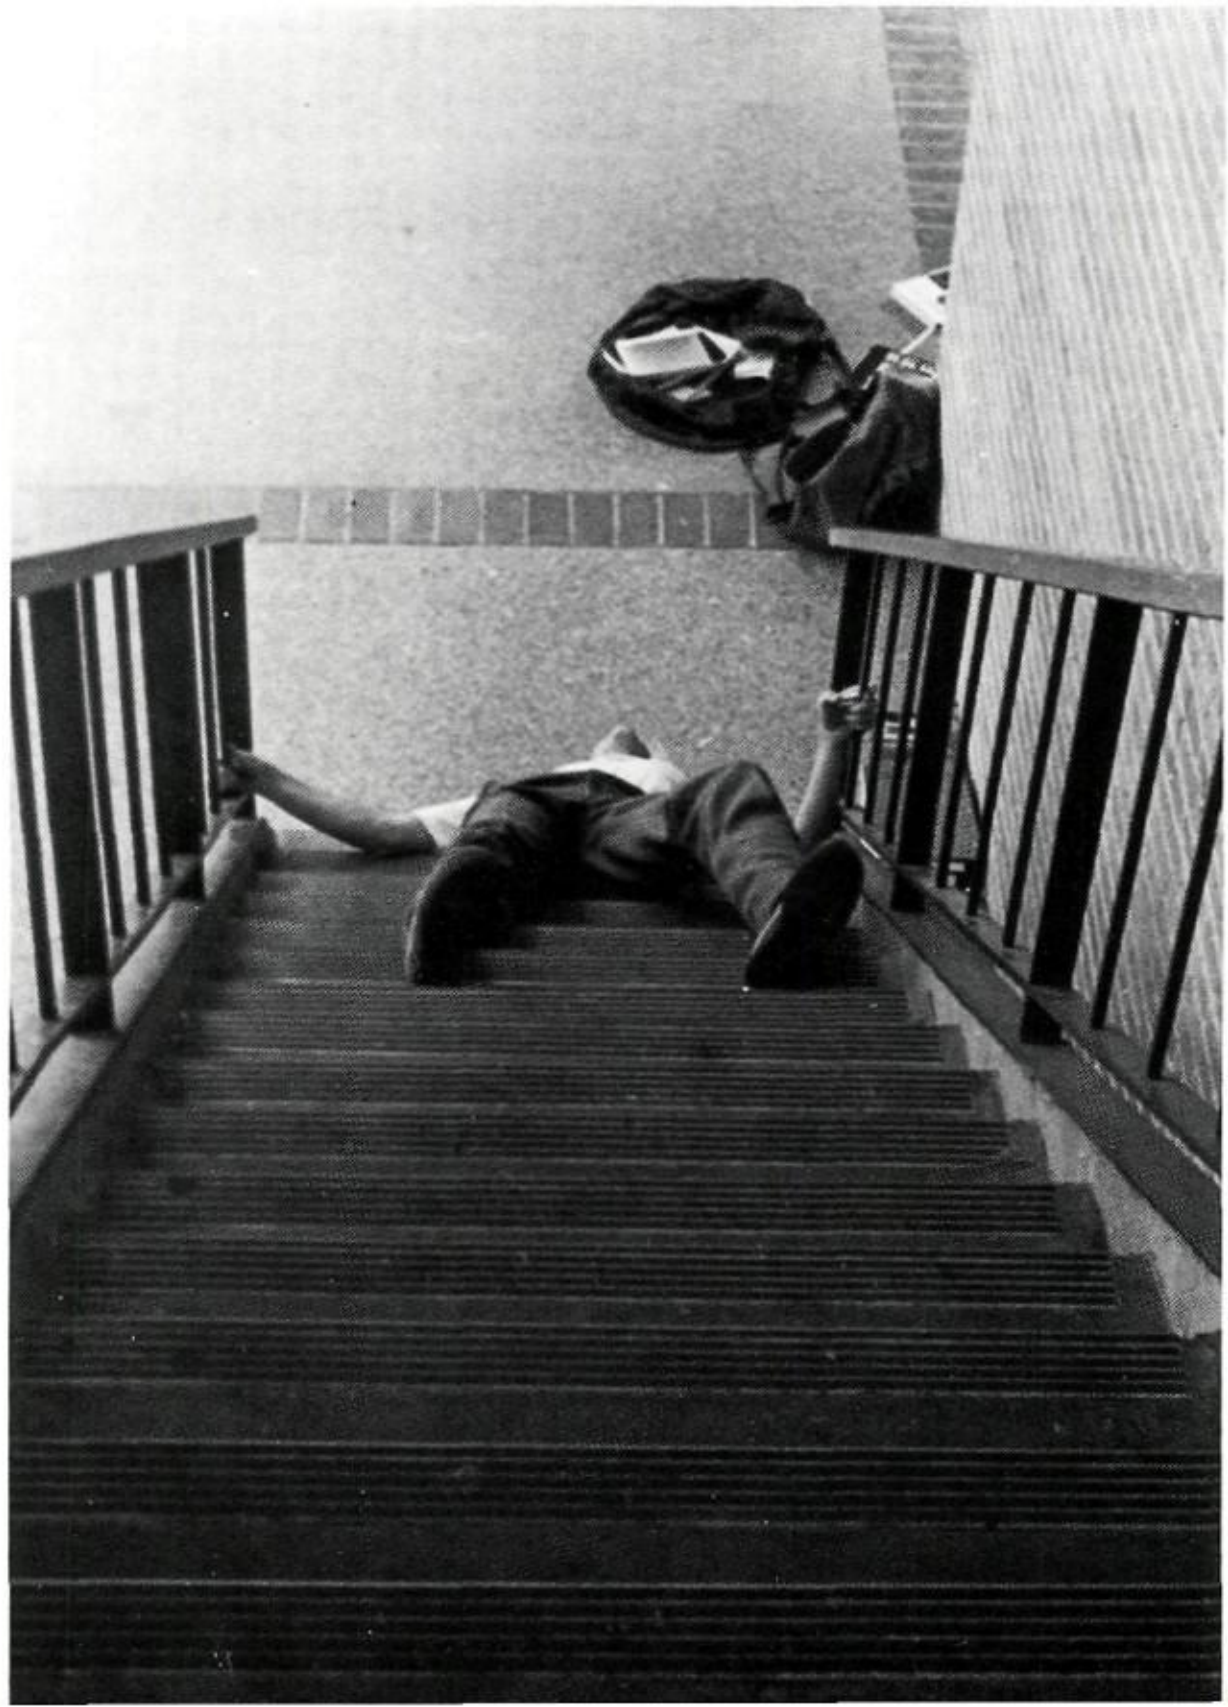

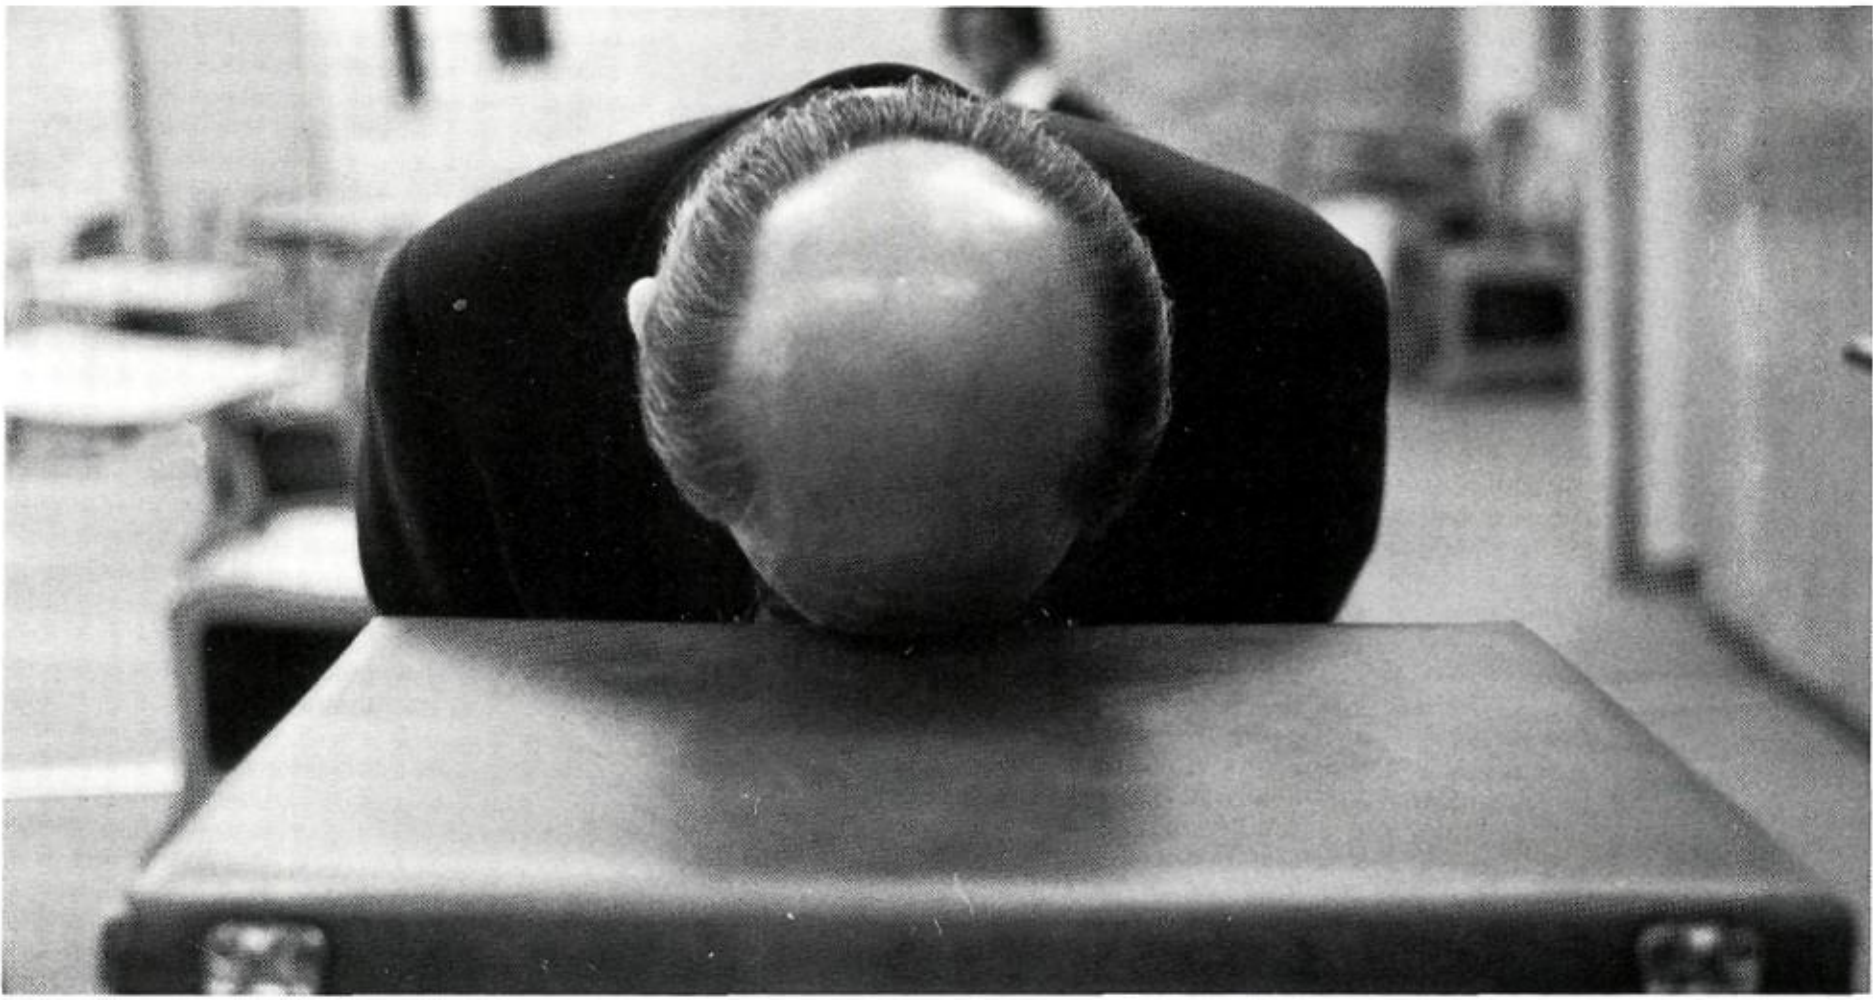

— *Rick Waechter*  
*Remarker Editor*

We are blessed at St. Mark's with the finest caliber of students, dedicated faculty and staff, excellent facilities and wonderful supportive parents, which makes our school one we can all take pride in.

— *Virginia Nunn Staff*

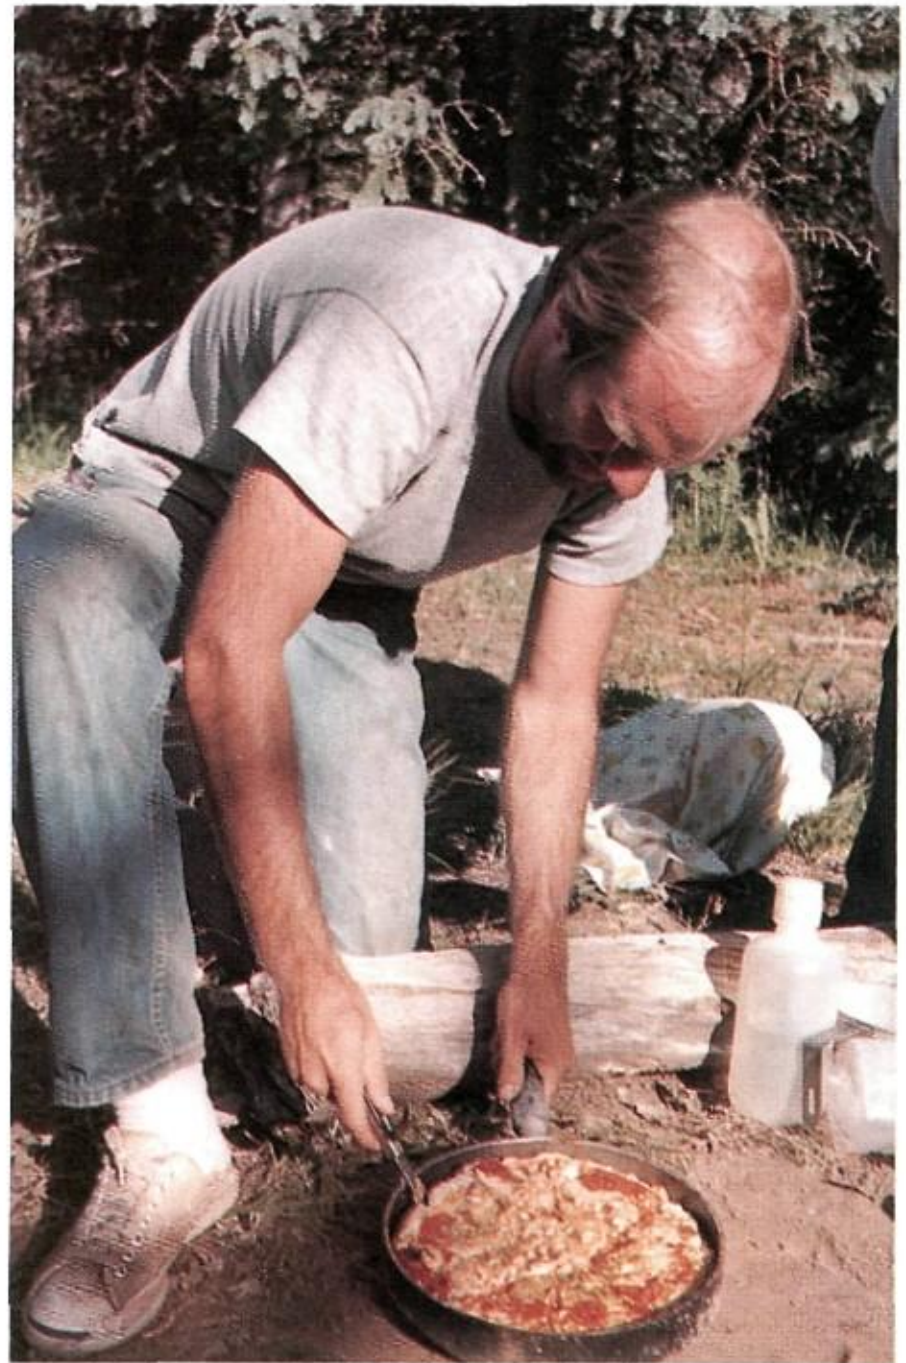

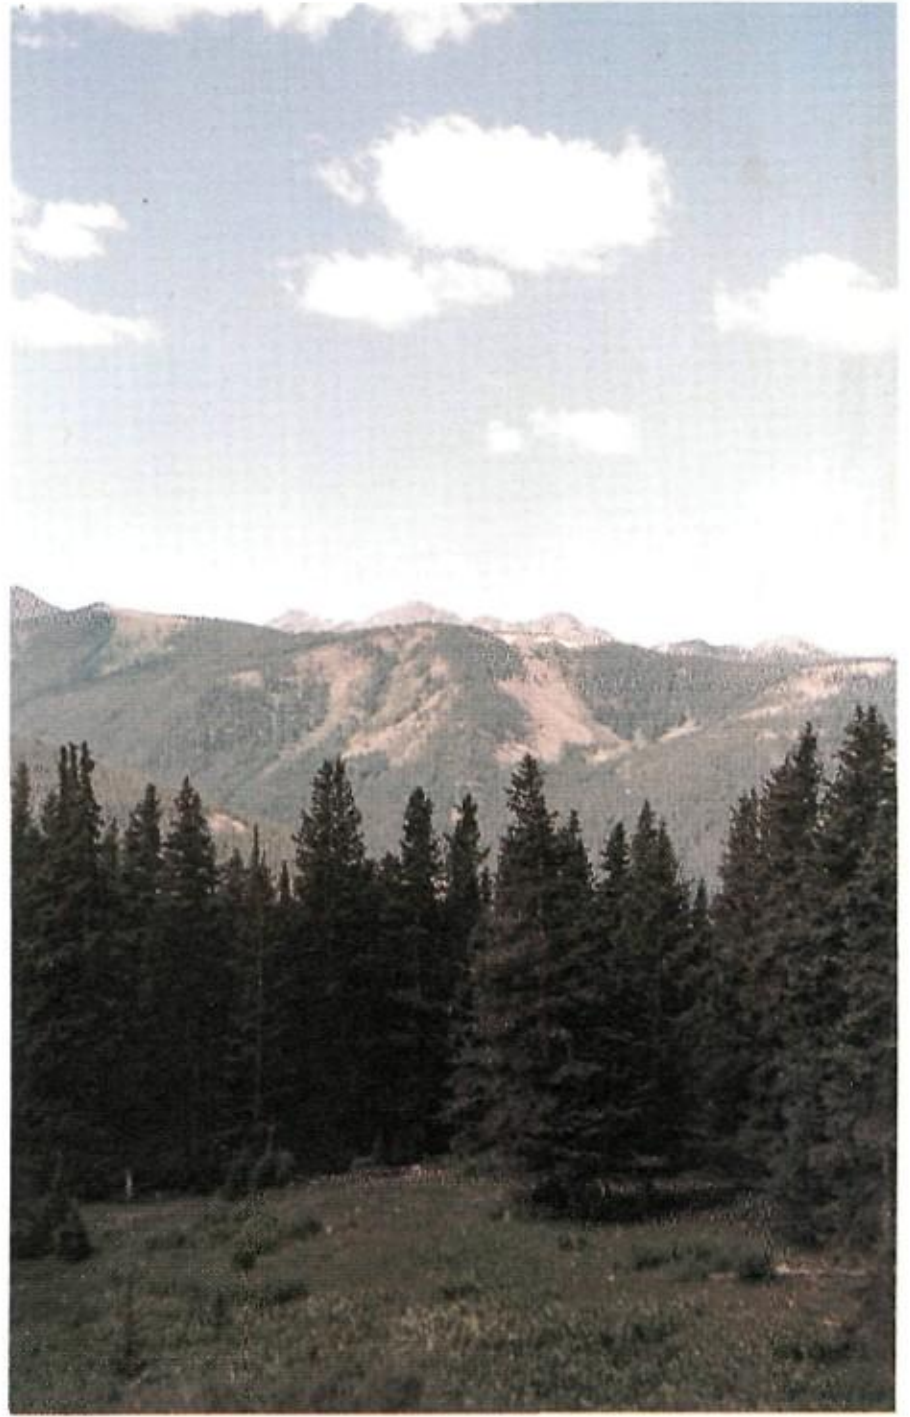

Although St. Mark's is regarded as an academic institution, athletics are stressed with each student participating in some way. St. Mark's provides the academic, social and athletic background necessary to succeed in later life.

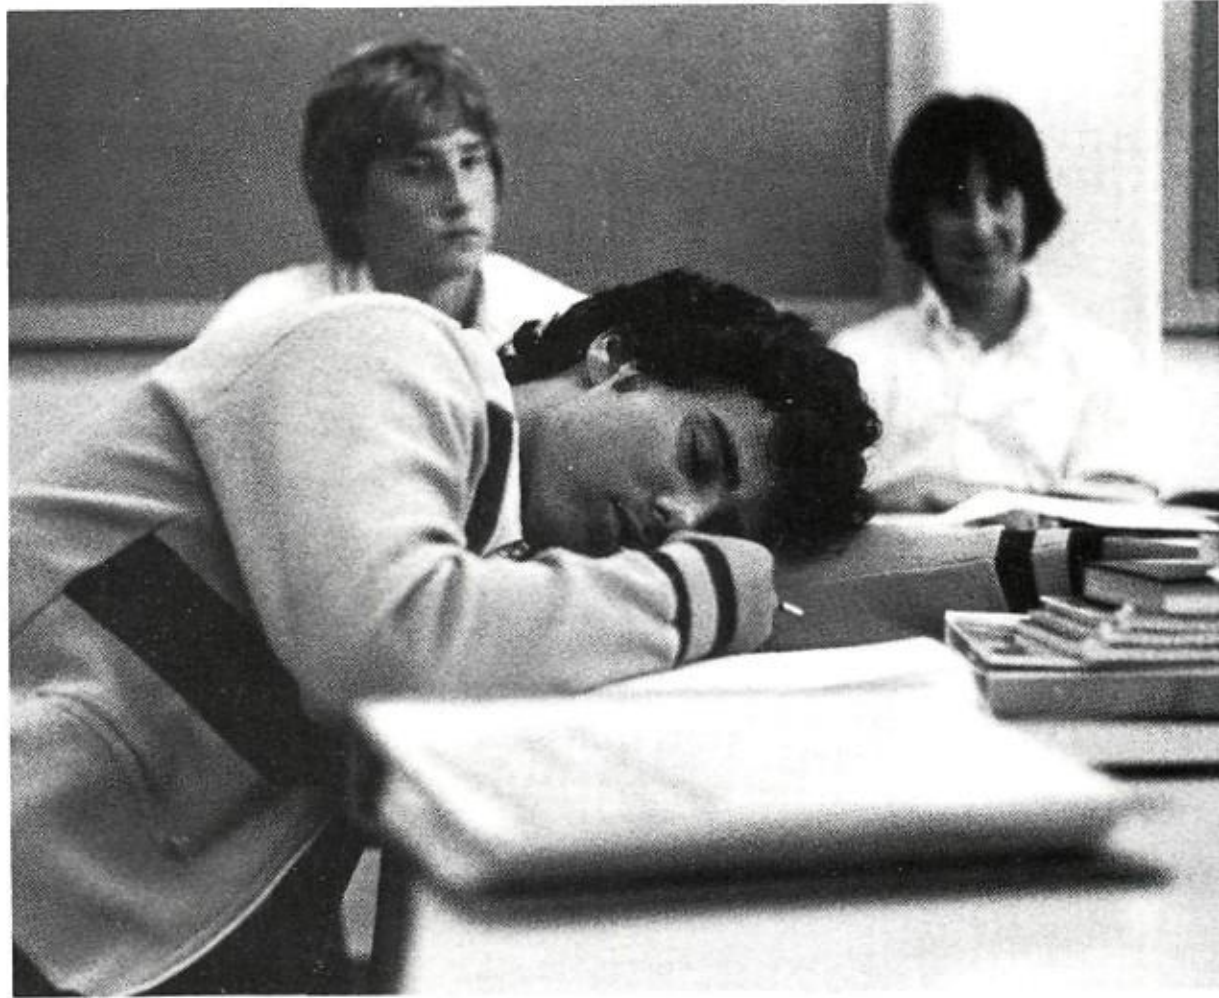

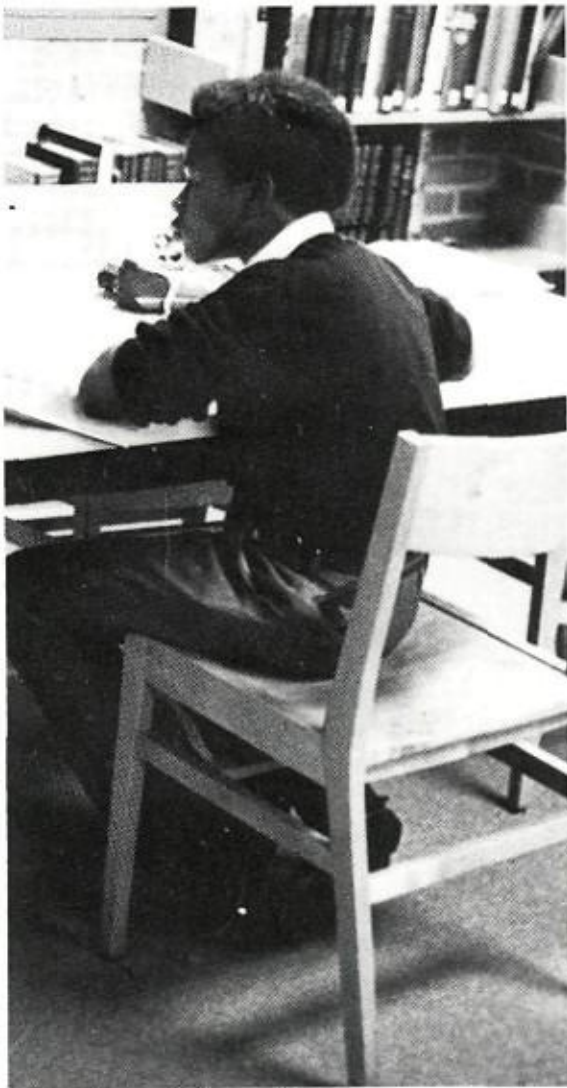

— *Larry Wilson  
Junior*

One of the most impressive things that makes St. Mark's the school that it is, is the close relationship that exists in the St. Mark's community.

— *Roger West  
Business  
Manager*

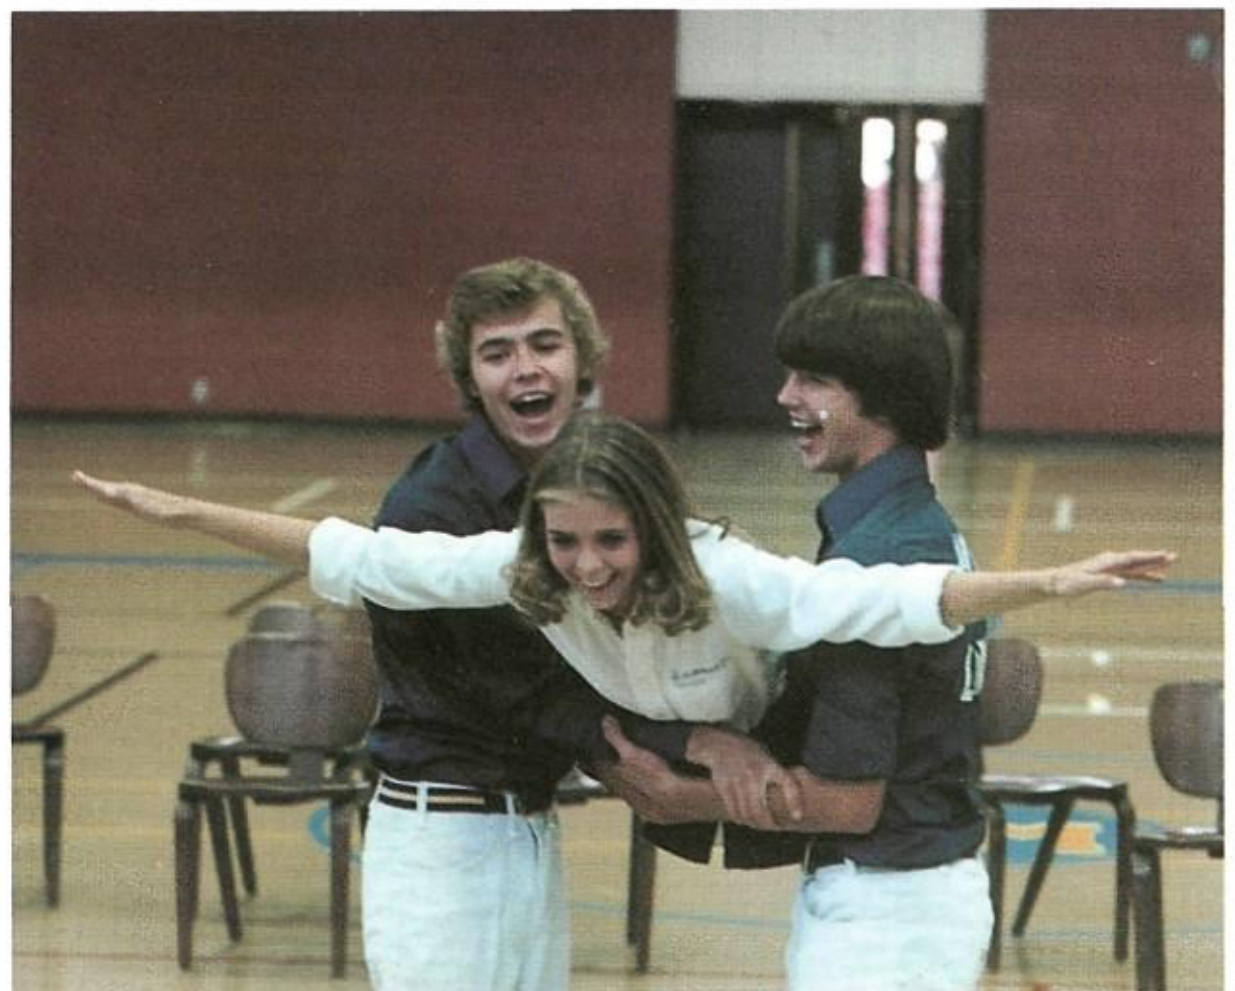

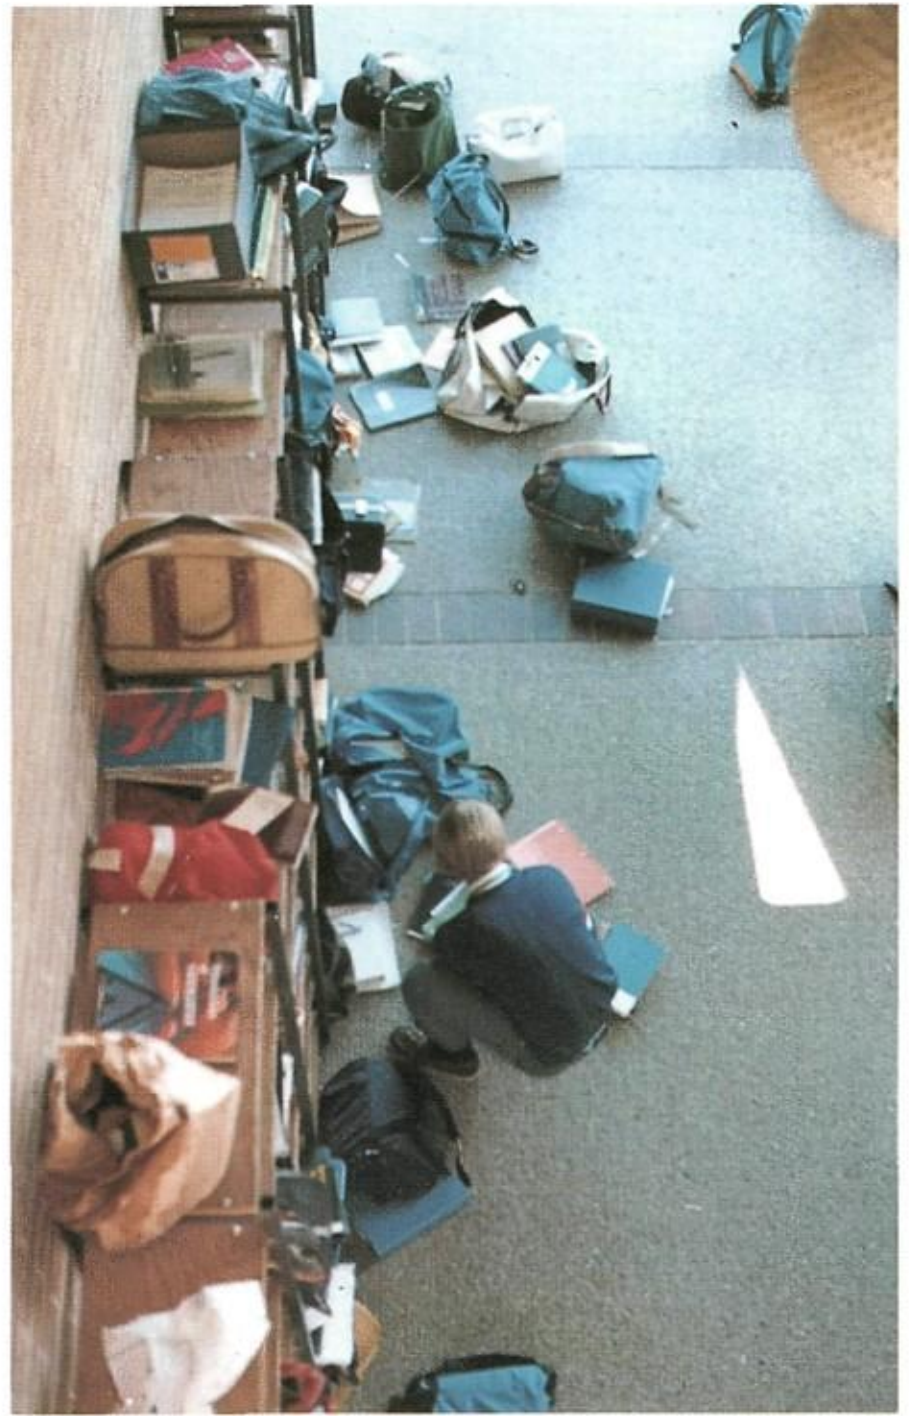

The dedication of the faculty at St. Mark's, not merely to teaching in the classroom, but also to the myriad of athletic and extracurricular activities, is what makes an education at St. Mark's such an enriching experience.

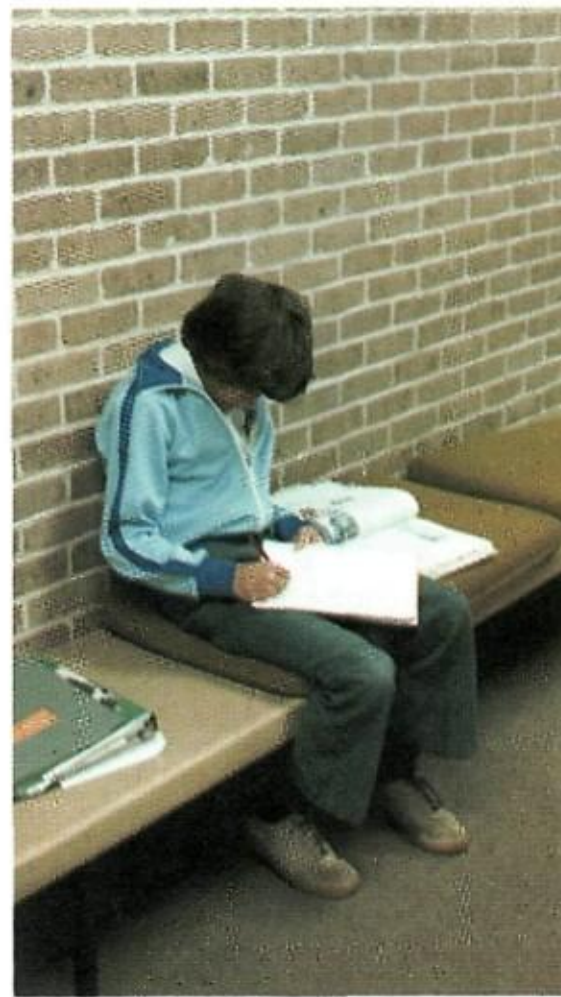

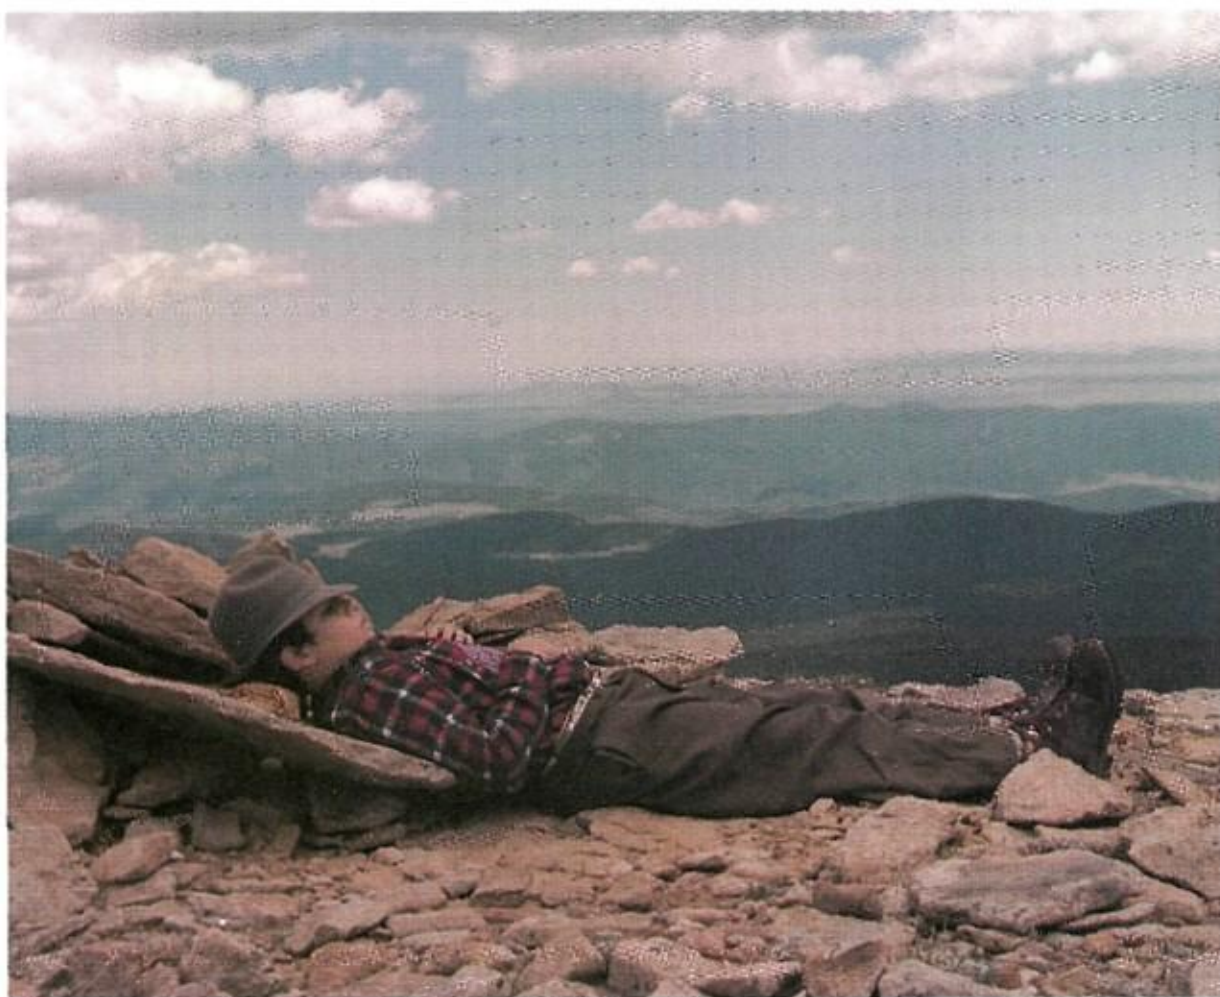

— *Jaime Spellings*  
*Senior*

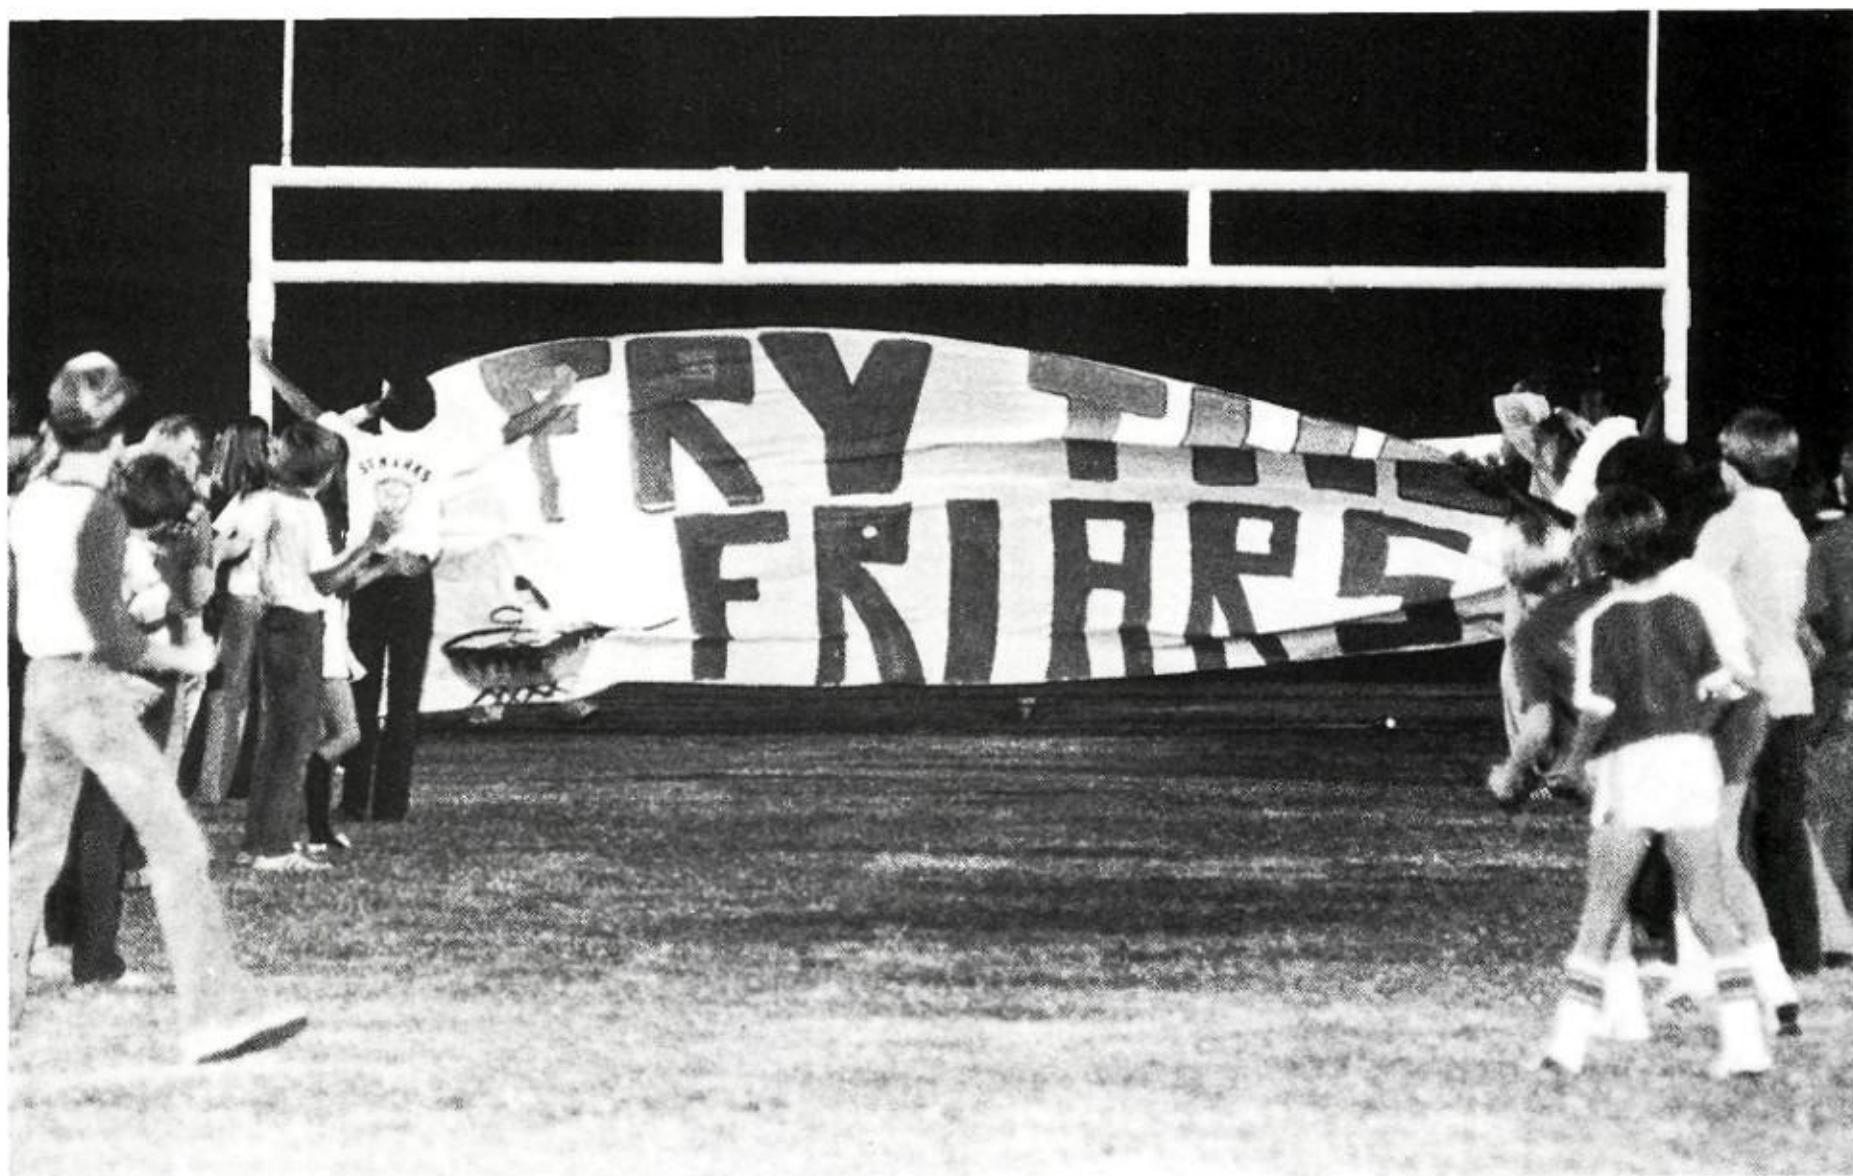

A great advantage of St. Mark's is its unique atmosphere: the faculty-student relationship and the opportunity to excel in any facet of school life.

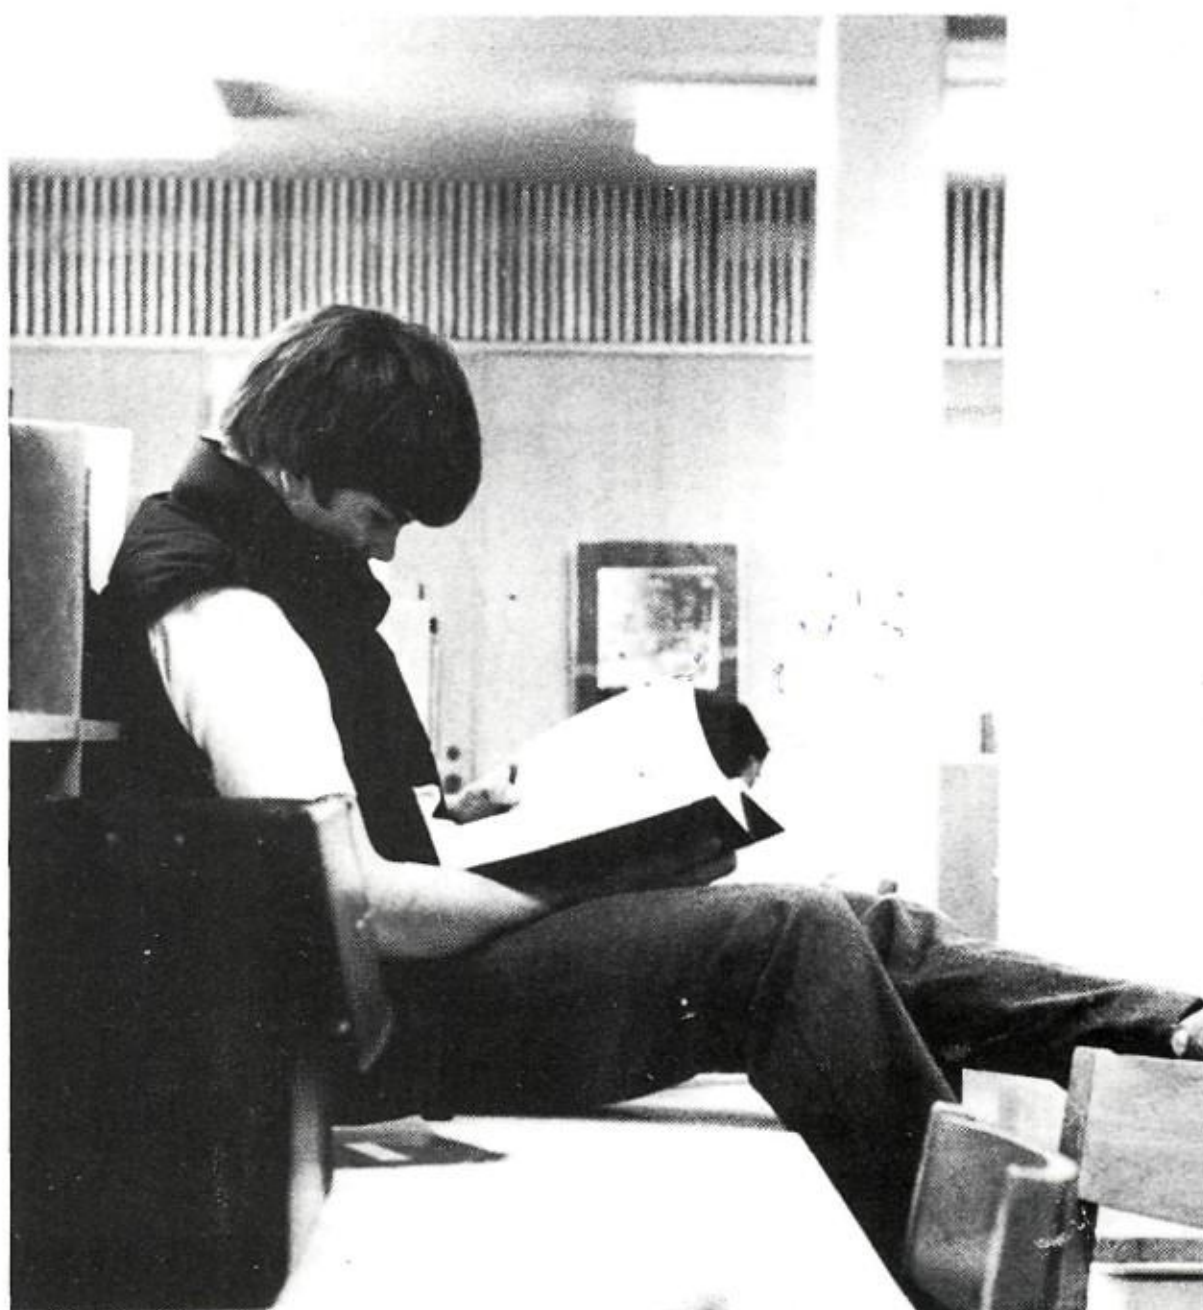

— *David Greenblatt*  
*Senior*

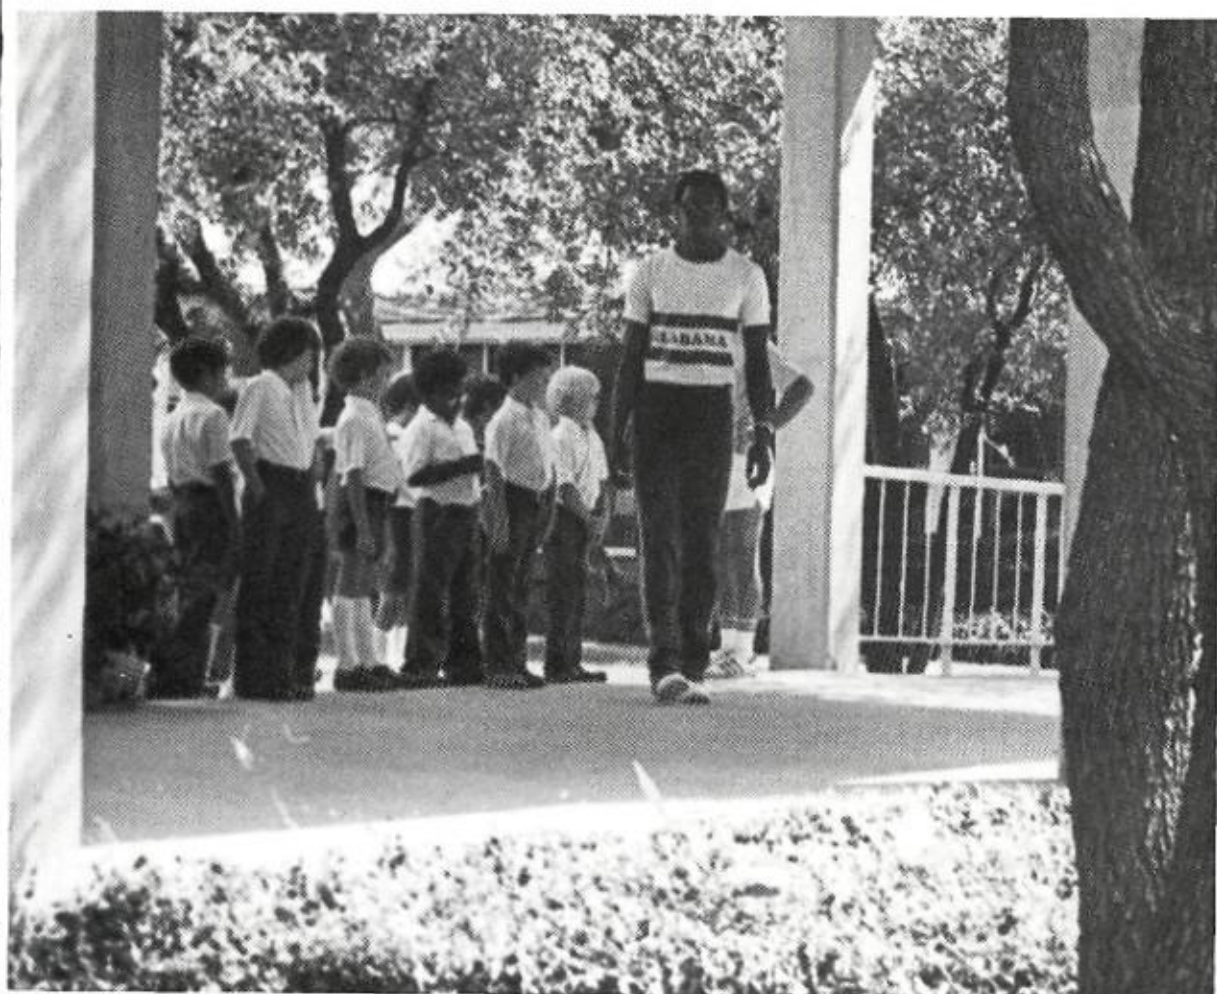

The great pride the St. Mark's community takes in the school; students, faculty, staff, parents, alumni have a powerful sense of the tradition of excellence, and work hard at upholding that tradition.

— *Mike Shepperd  
Head of Upper  
School*

St. Mark's has so many student activities that anyone can find a group of people to associate with. The groups often develop so that friendship and unity are easily attained within each class.

— *Bob Jeuevein*  
*Student*  
*Council*  
*President*

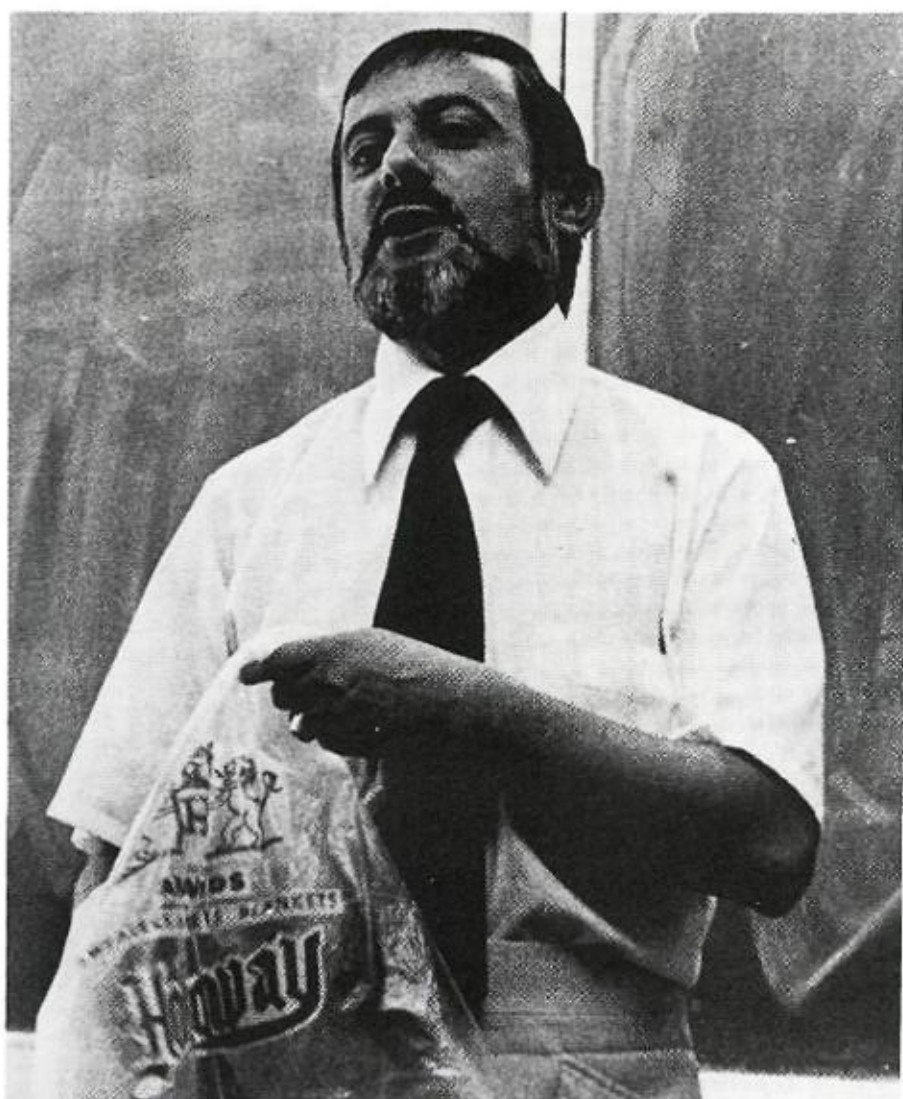

I am surprised and pleased to find an administration here that allows such freedom to their teachers to conduct their classrooms in their own style and a student body hungry for constructive criticism.

— *Roy Heffernan*  
*Social Studies*

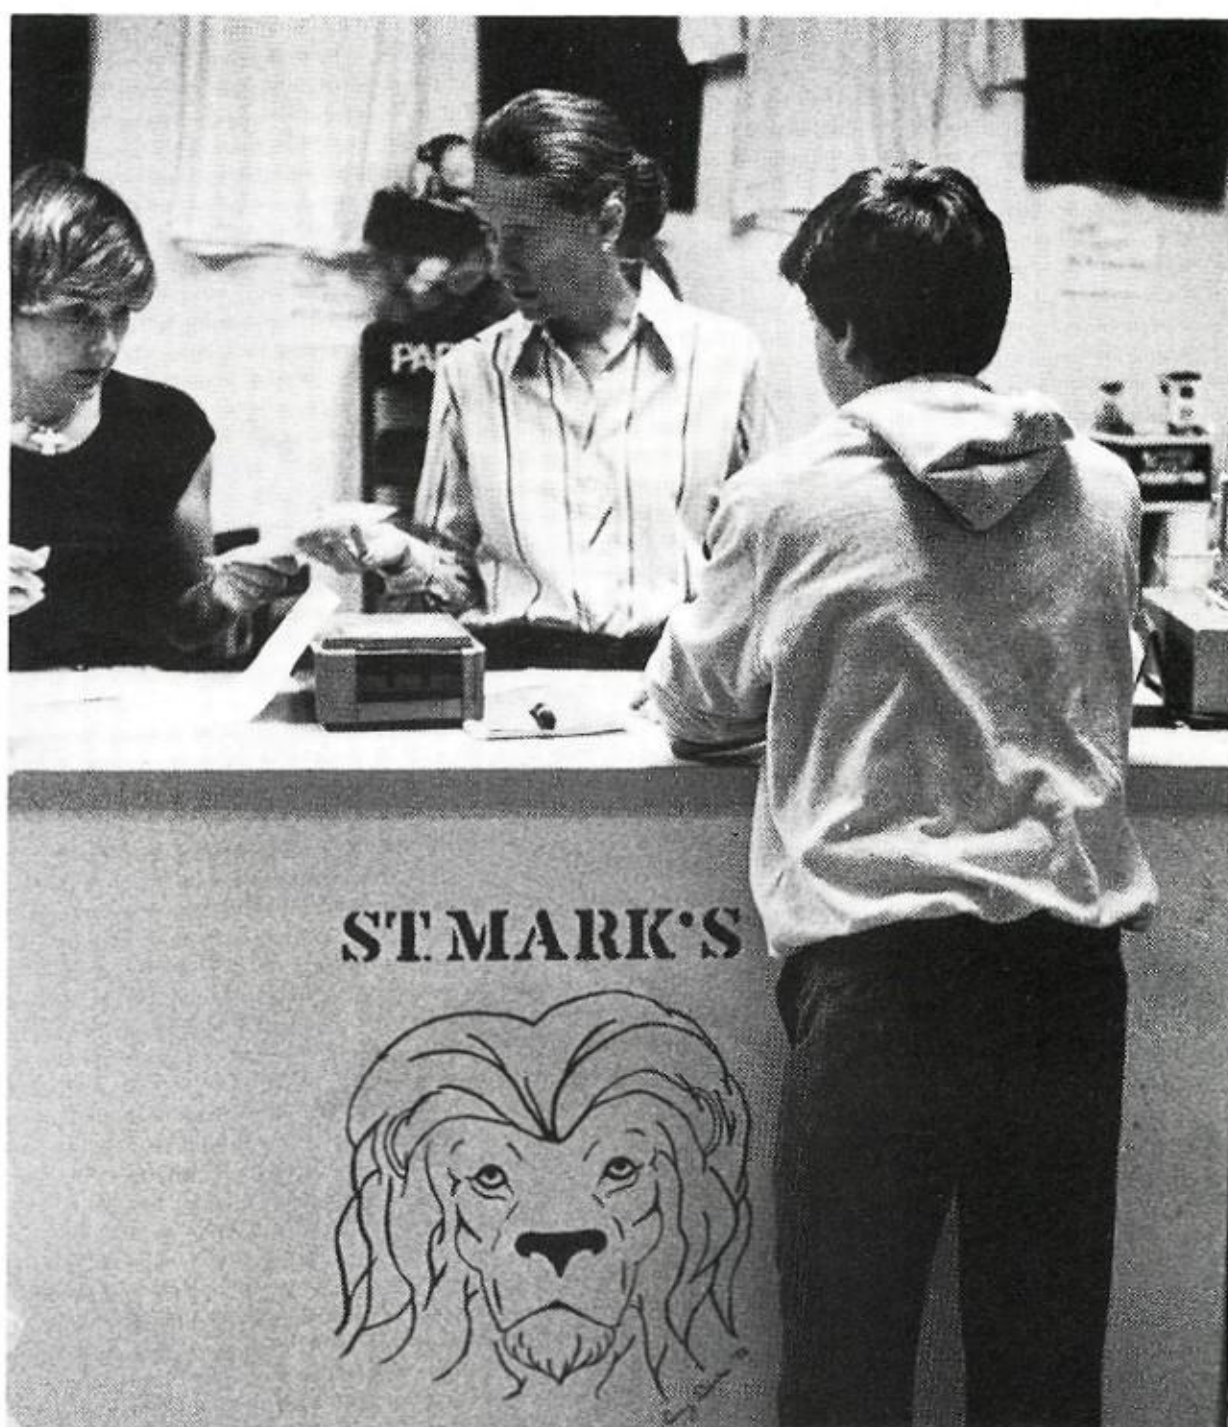

What makes St. Mark's such a fine preparatory institution is its ability to fulfill the needs of its students. Not only does it provide the students with a high quality education, but it provides the student with many high quality extracurricular activities in athletics, the performing arts, and media.

— *Keith Kadesky*  
*Senior*

St. Mark's has a lot to offer: the facilities, the faculty, these are the obvious attributes of the school. But the real strength lies in the opportunities it offers the student and the student's acceptance of this challenge.

— *Trey Cutler*  
*Senior Class President*

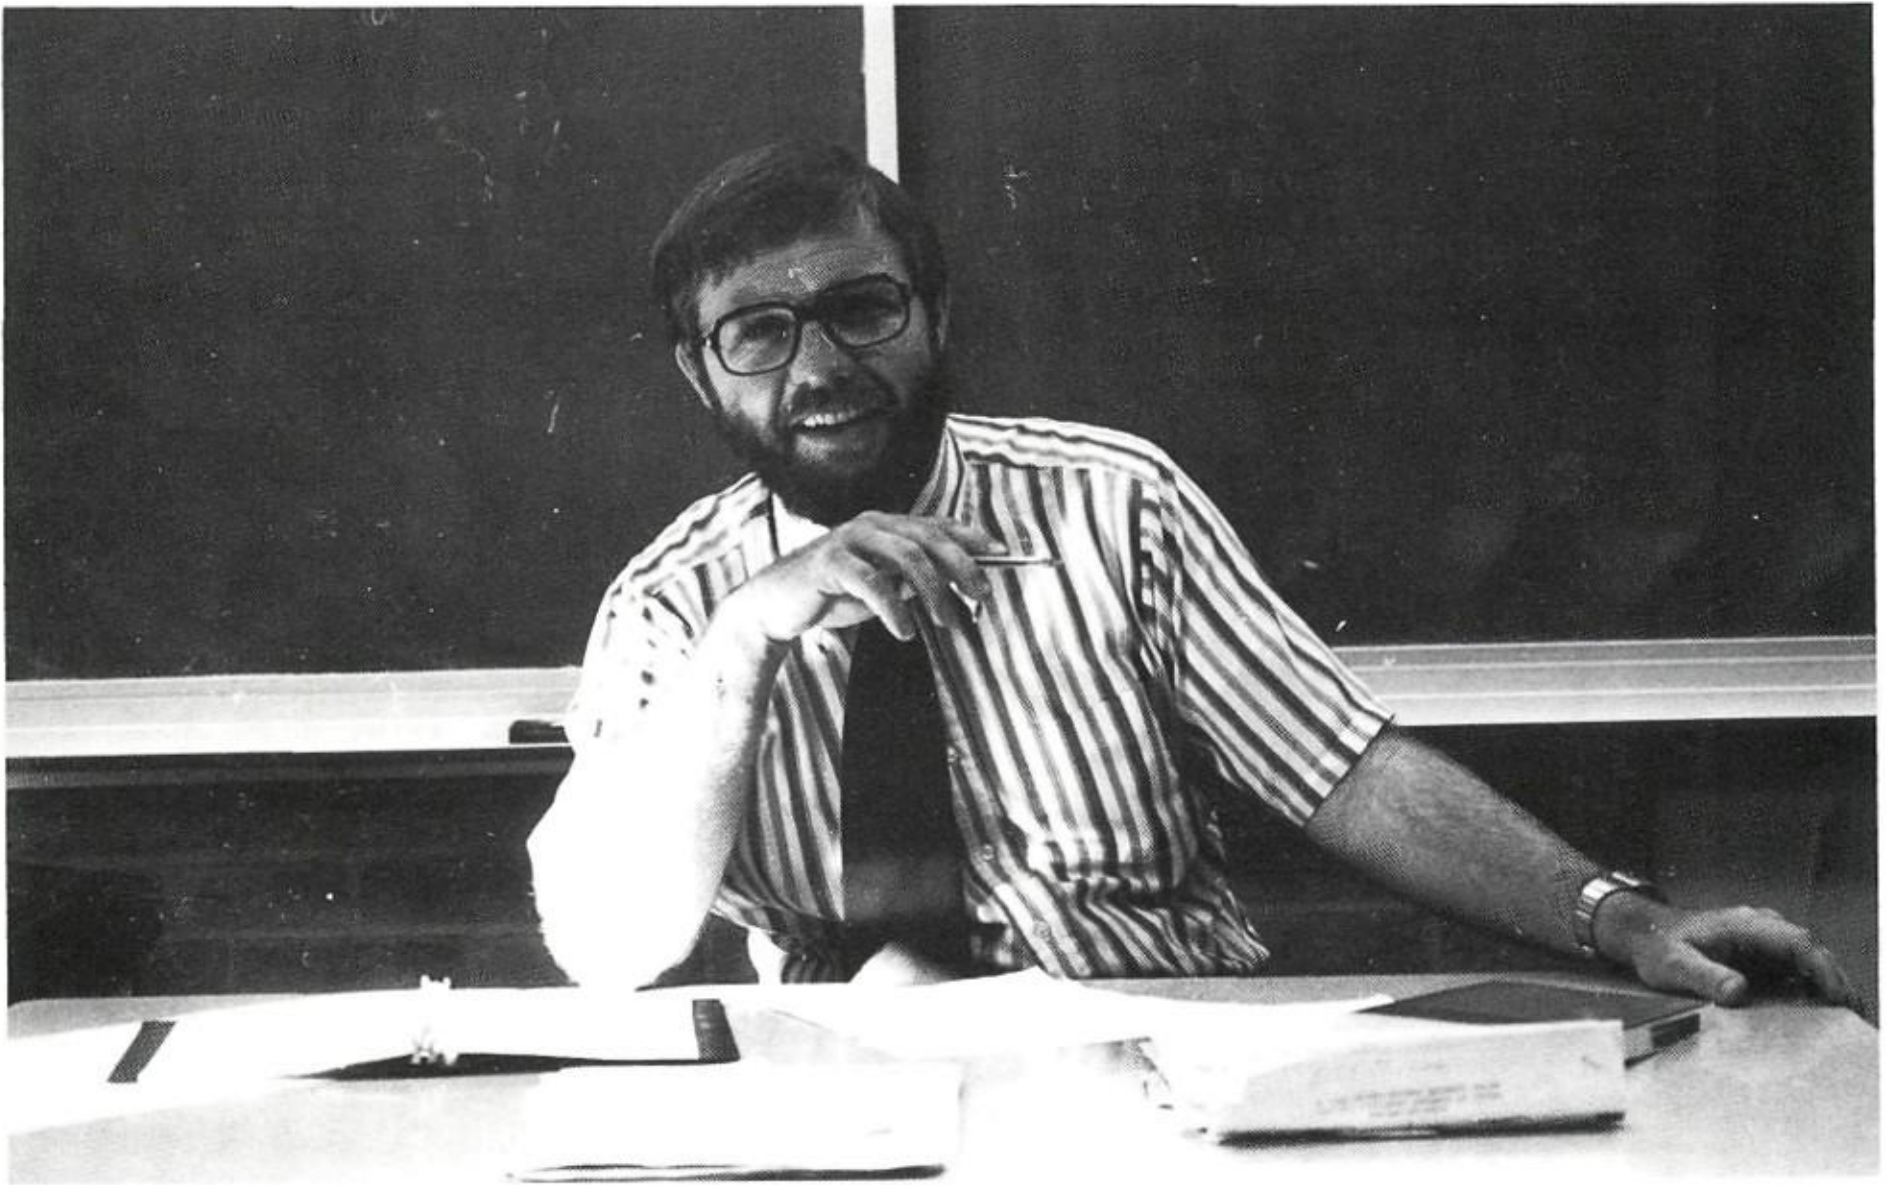

MORRIS G. SPENCER  
GYMNASIUM

Time, like an ever-rolling  
stream,

Bears all its sons away;  
They fly, forgotten as a  
dream

Dies at the opening day.

O God, our help in ages past,  
Our hope for years to  
come,

Be thou our guide while life  
shall last,

And our eternal home.  
Amen.

*Isaac Watts, 1719*

Wilderness is more than a place, but equally an idea, a principle, a state of mind, and even a dream . . . Wilderness is one of the incomparable freedoms, like freedom from want, war, and racial prejudice and the freedom to cultivate one's own thoughts in one's own way. Wilderness brings stability, a sense of permanence to a shaky unstable world.

Pressed Rat and Warthog  
Closed down their shop  
They didn't want to;  
It was all they had got.  
Selling eternal apples,  
Amplified hate,  
And Pressed Rat's collection  
of doglegs in fate.

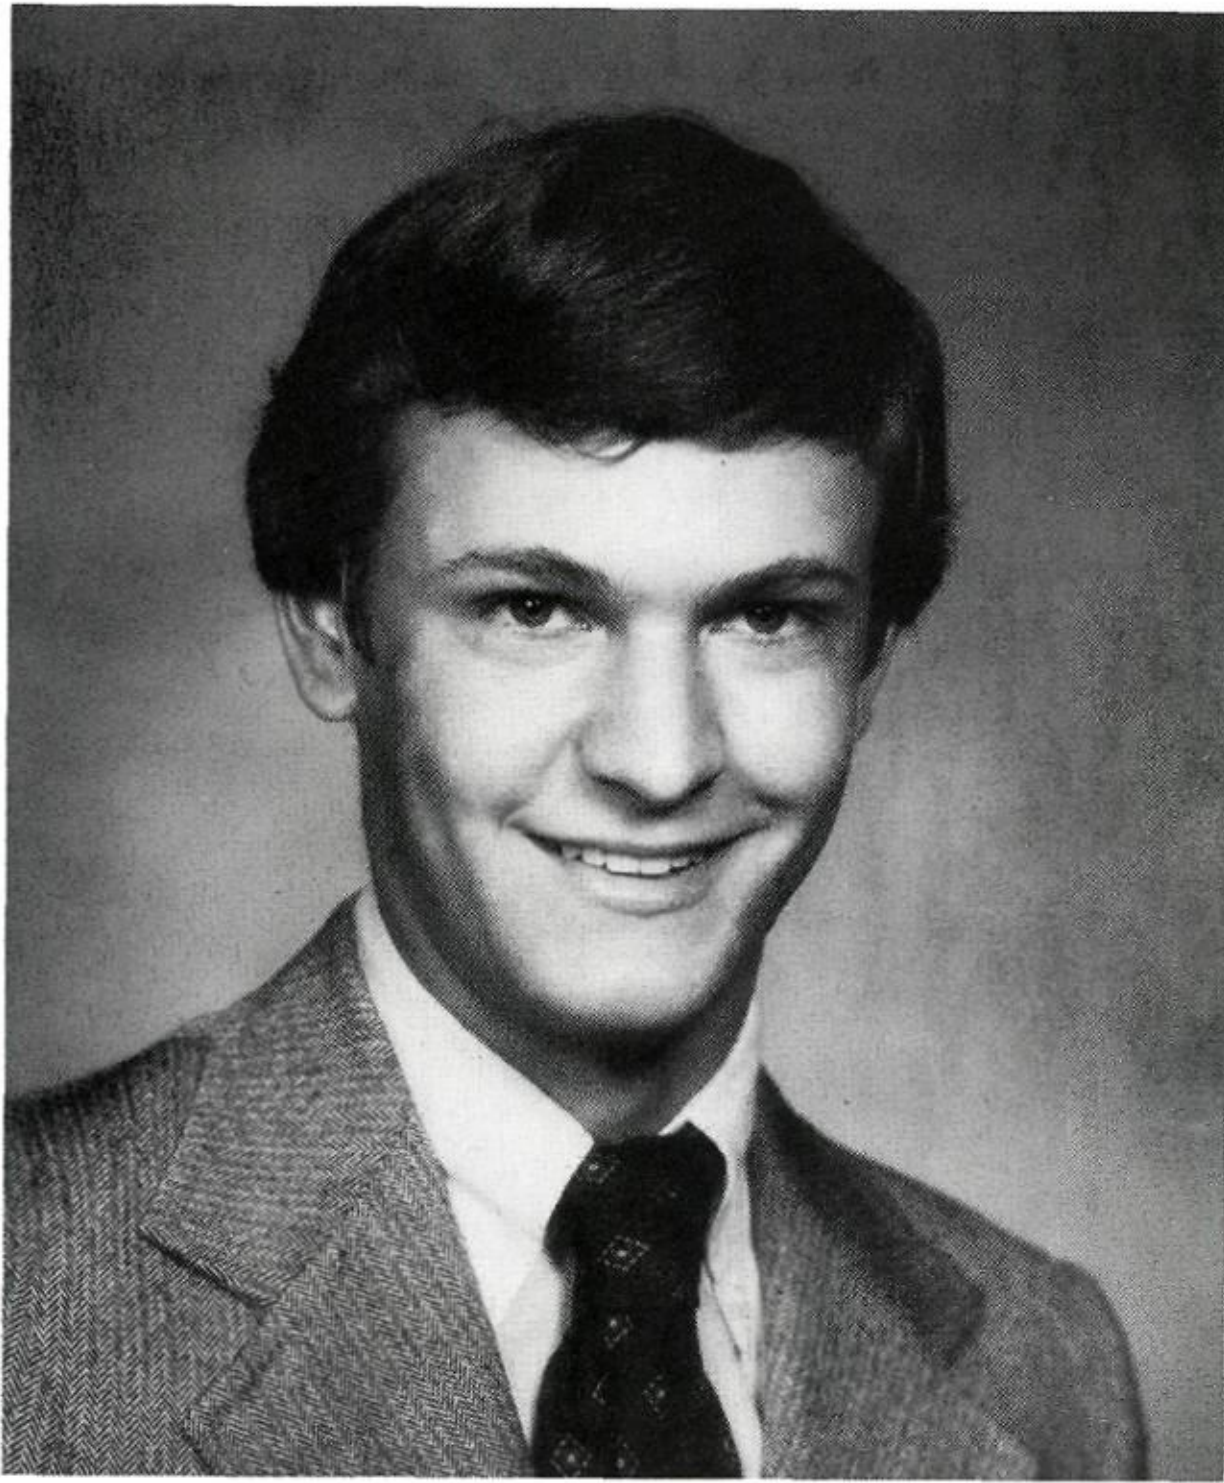

Sadly they left,  
Telling no one goodbye;  
Pressed Rat wore red jodhpurs  
And Warthog his striped tie.  
Between them they carried  
A three-legged sack,  
Went straight round the corner  
And never came back.

# Student Council

Led by President Bob Jenevein and first year faculty sponsor Mr. Paul Weadon, the 1979-1980 Student Council once again had an active and productive year. Facing the problem of dealing with the Student Store and its early difficulties, the Council also directed such activities as the Homecoming Dance, Teacher and Course Evaluation forms, and Upper School Assemblies. Several important investigative committees were set up by the Council, including a Student Store Committee and a Student Court Committee.

The members of the Executive Committee of the Council included Jenevein, Vice-President Stan Stewart and Secretary-Treasurer Eric Lombardi.

## Cum Laude

Members of the Cum Laude Society from the Class of 1980 inducted in their junior year were joined by newly elected members in the annual spring induction of the Society. Joining seniors John Calhoun, Jim Davis, David Greenblatt, Andrew Landisman, Camm Maguire, Scott Segal, Jaime Spellings, and Rick Waechter were elected students from the top 10 percent of the Junior class and the top 20 percent of the Senior class academically. The Society, in its twenty-first year of existence at St. Mark's, was led by Mr. Andrew Mailer, President of the school's chapter.

Under the faculty guidance of Mr. Ken Owens, the Lion and Sword Society continued to represent St. Mark's as a service and honor group for many school related functions throughout the year. Serving as guides at Miniature Schools and for prospective students and their parents, and as ushers at the Christmas Party and Commencement, the Society was present at major functions at various times during the year. Consisting of Juniors and Seniors, the members of the society are elected by existing members, the President and Vice-Presidents of the junior and senior classes, and the President and Vice-President of the Student Council, subject to administrative approval.

## National Merit Semifinalists

Eleven St. Mark's seniors earned National Merit Scholarship semi-finalist standing. John Calhoun, Jim Davis, Milton Huang, Kevin Kadesky, Andrew Landisman, Camm Maguire, Bill McLain, Derek Saunders, Scott Segal, Jaime Spellings, and David Wilkie qualified for the honor by placing in the top one-half of the one per cent nationwide on the Preliminary Scholastic Aptitude Test (PSAT).

Fifteen members of the class of '80 received National Merit Letters of Commendation. Seniors John Bacon, Jeb Beckwith, Charles Boatwright, Trey Cutler, David Greenblatt, David Hart, Scott Hull, Keith Kadesky, Peter Leveson, David Mullins, Stan Stewart, Brad Stoffel, Harold Van Schaik, and Rick Waechter compiled excellent PSAT scores but did not qualify for semi-finalist ranking.

## Pecos VIII

The St. Mark's Freshmen ventured into the Pecos Wilderness area of New Mexico last August for the eighth consecutive year. This year's backpacking expedition was highly successful due to the excellent weather conditions and the enthusiastic attitude maintained throughout the class.

Hiking, rock climbing, and an overnight solo are important parts of the trip. The program gives the students a better understanding of their abilities as well as their limitations. The program was directed by Mr. Sandy Donaldson.

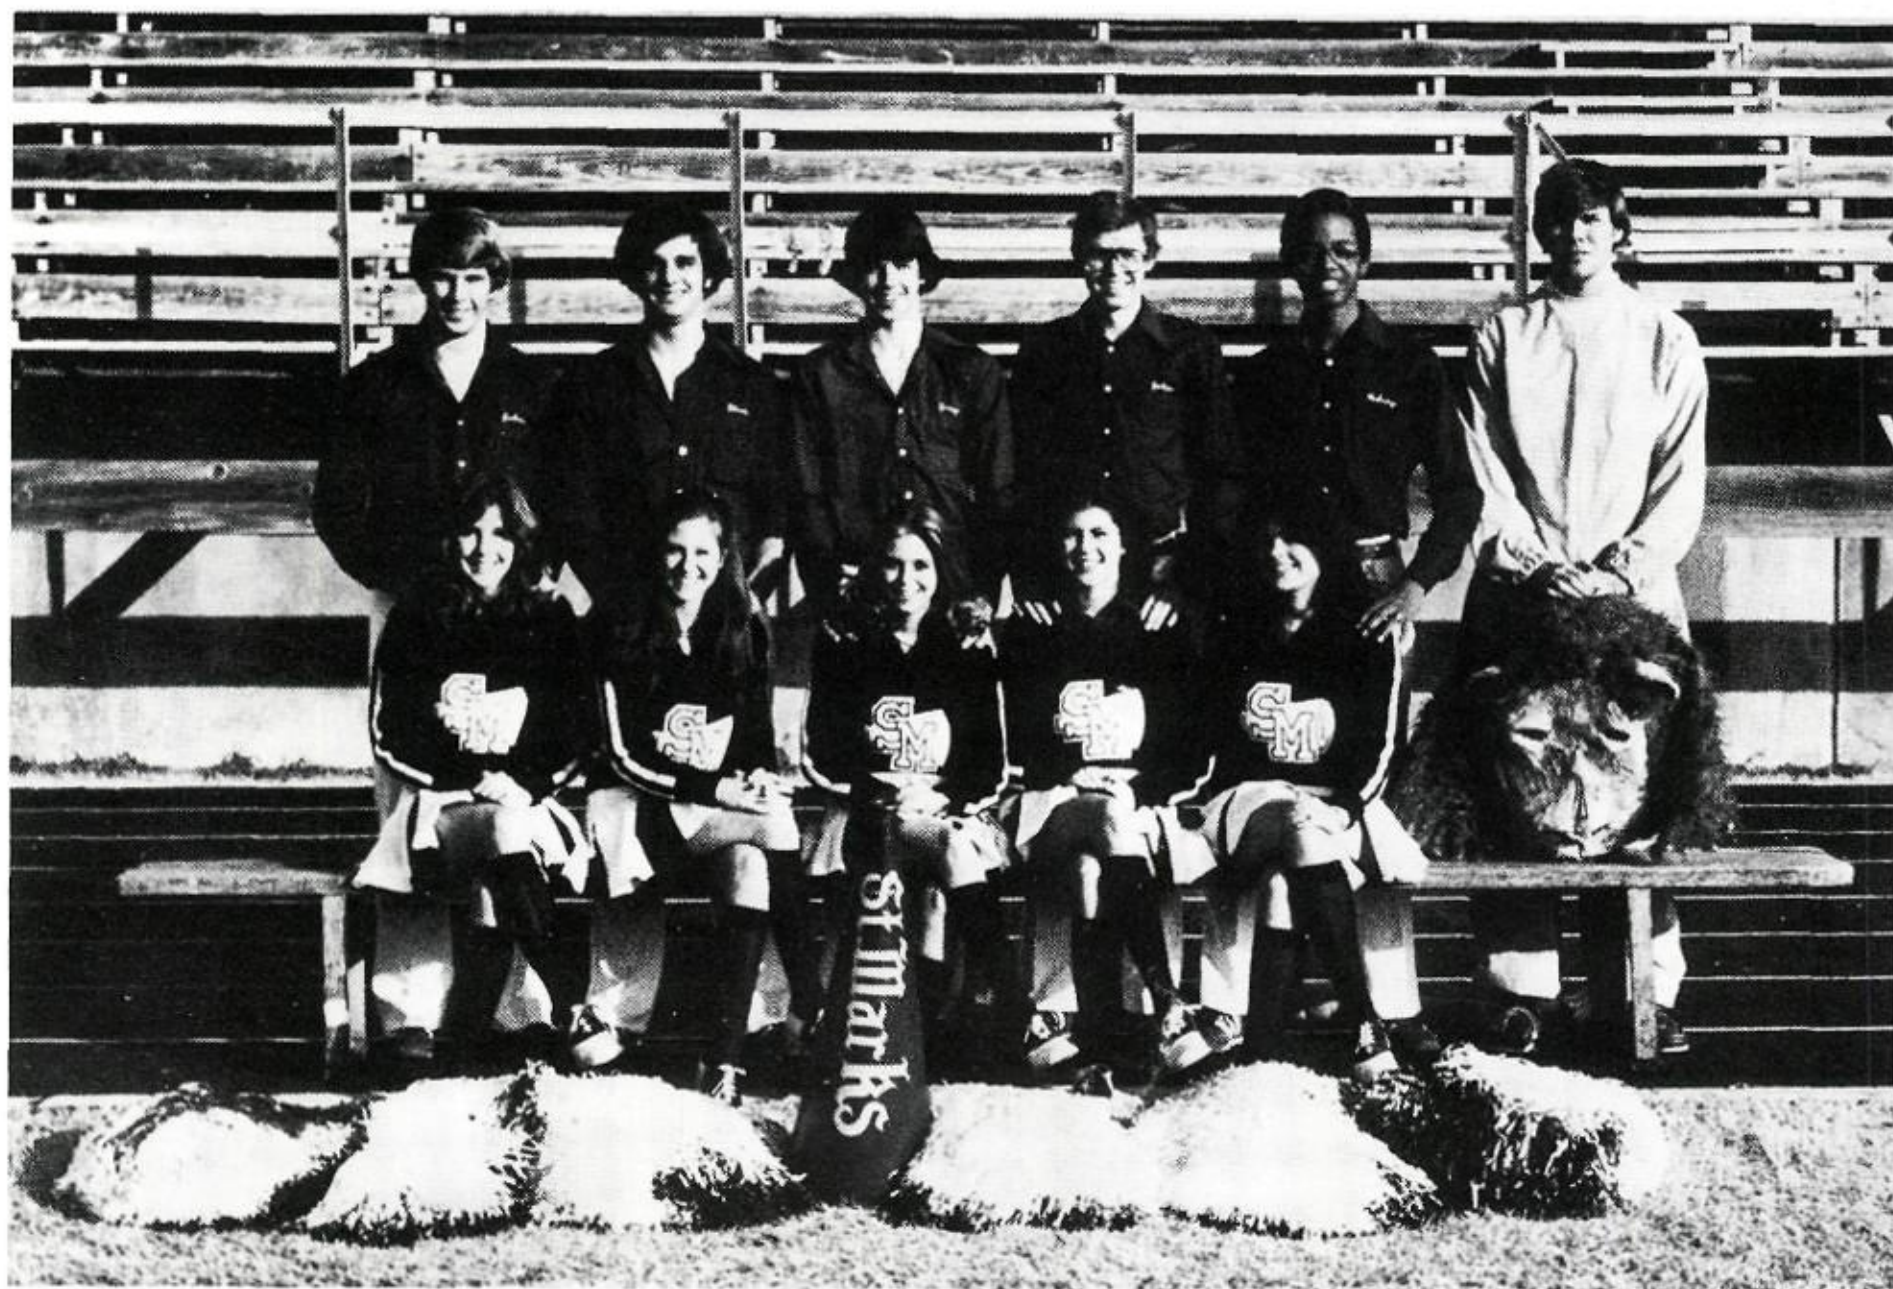

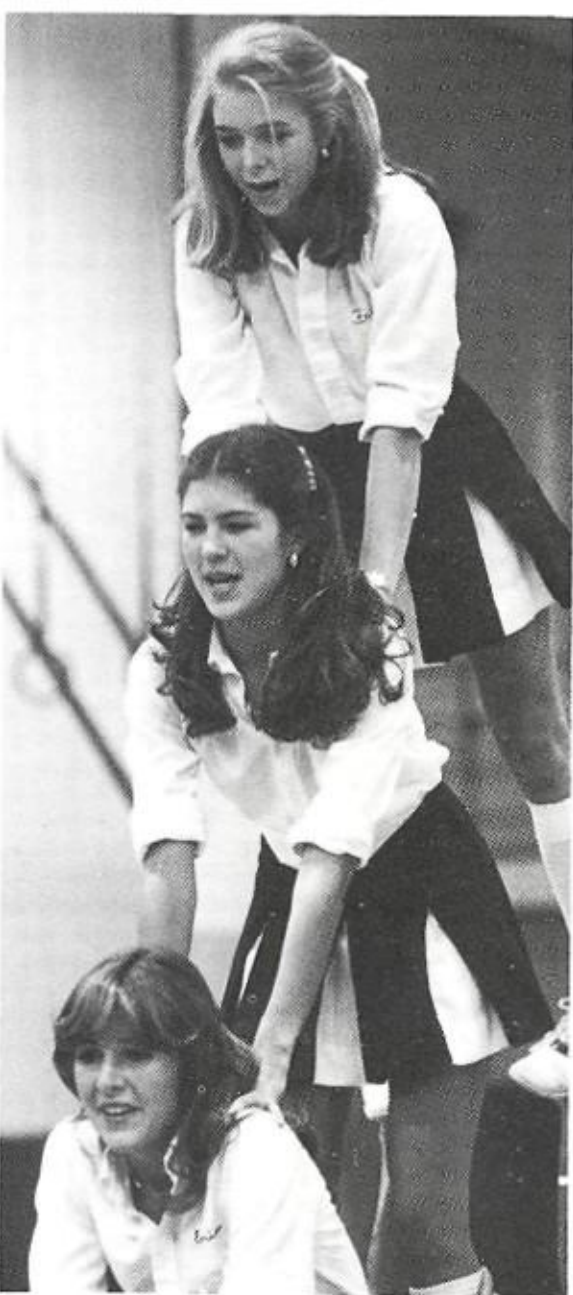

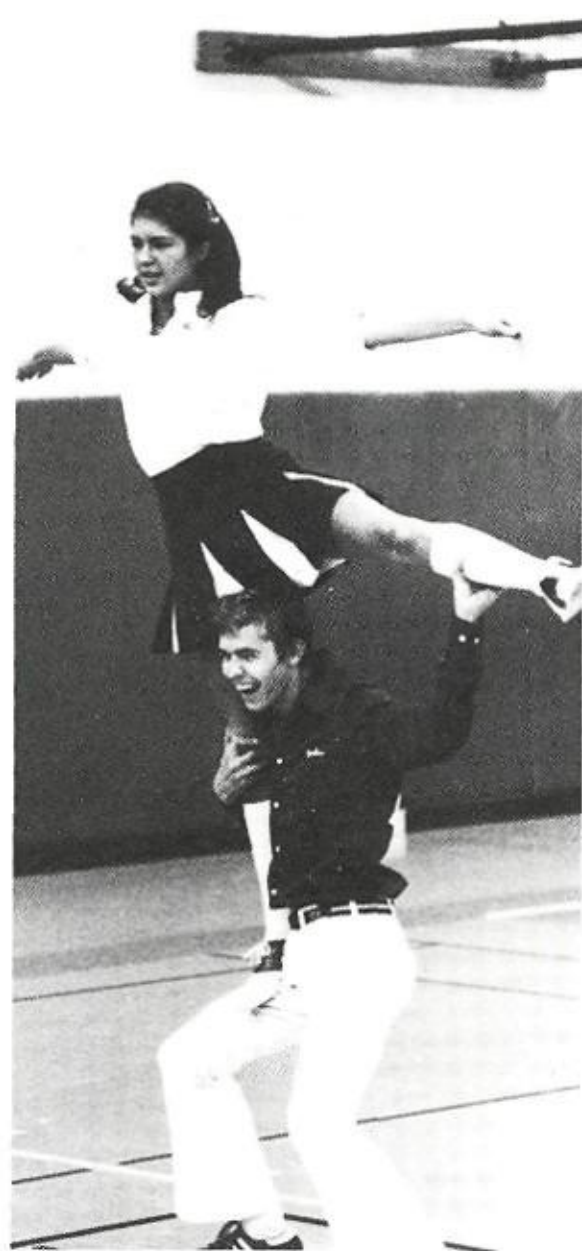

# Cheerleaders

The 1979-1980 Cheerleaders began their season by successfully competing at the National Cheerleading Association Camp in August, winning several superior ratings and a spirit stick. Led by sponsor Mrs. Susan Palmer, this year's squad emphasized entertaining, enjoyable pep rallies. Several unforgettable moments resulted, among them an appearance by two Dallas Cowboy cheerleaders, the Homecoming skit, and Mr. and Mrs. Shepperd's active participation in the final pep rally.

The 1979-1980 Cheerleaders were Senior co-captains Frances Ewing and Trey Cutler, Seniors Renee Williams, Erin Tierney, John Hay, Steve Kattner, and Rodney Greene, and Juniors John Ponder, Cindy Brown and Lisa Burford. The Lions were Laura Alpert and John Gilchrist.

# KRSM

Under the supervision of sponsor Ken Walters and Program Director Rodney Greene, KRSM expanded its air time to eight hours a day. The station also relocated to the south wing of Davis Hall and premiered new musical talent for its listeners. KRSM also continued to broadcast athletic events throughout the year. This year's fifty-seven hour marathon, conducted by Greene and Eddie Feldman, netted over \$500 for the station and was aimed toward the production of more diverse programming.

Continuing with a program first developed in 1975, more than thirty juniors and seniors participated in the Pershing Tutorial, tutoring students from Pershing Elementary School of the Dallas Public Schools regularly throughout the year. The St. Mark's students could volunteer in such diverse areas as Physical Education, Music, Spanish, Math and Language Arts.

Once again serving as faculty liaison for St. Mark's was Mr. Larry Cavitt, and Rose Ann Hall of Pershing. The student coordinating was handled by senior Bingiee Shiu.

# Senior-Faculty Picnic

Under the direction of Mrs. Henry Stollenwerck and other senior mothers, the senior class and faculty came together for assorted games and eventually an enormous meal prepared by the mothers. The afternoon was considered to be a tremendous success and was enjoyed by all.

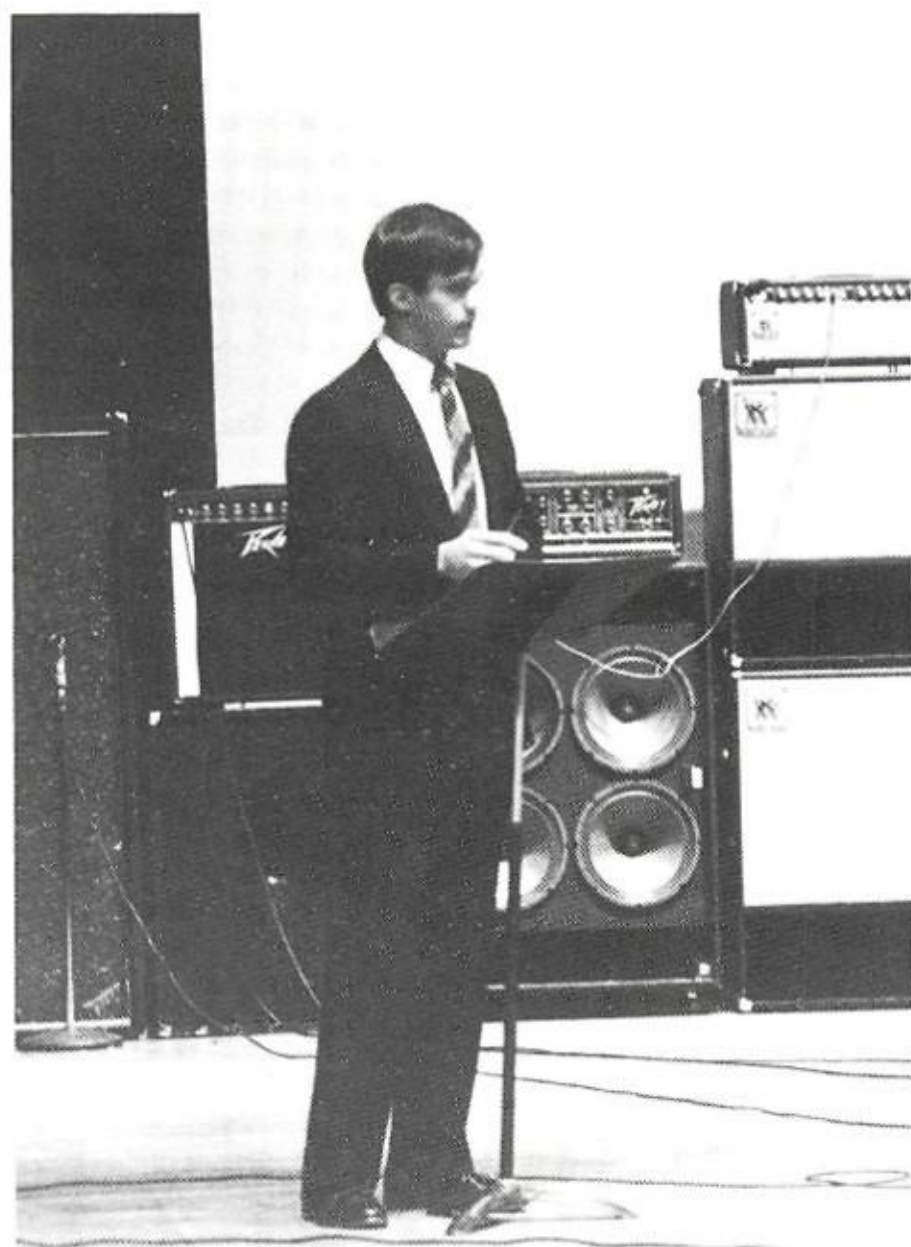

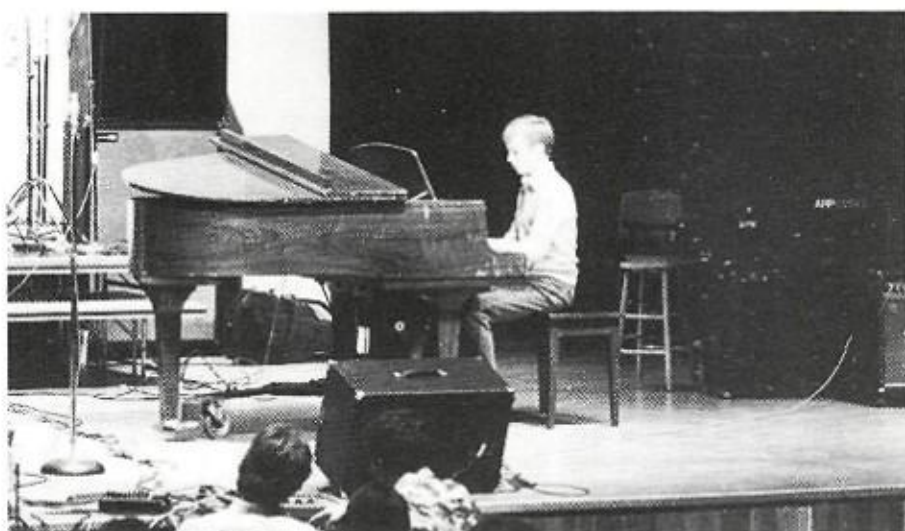

Under the guidance of faculty sponsors Mr. John Stutsman and Mr. Harold Van Schaik, the St. Mark's Amateur Radio Club had a successful year. This year's major accomplishment was erecting a directional antenna on a forty foot tower in the Math-Science Quadrangle. The Amateur Radio Club also provides the school and community with emergency information. Most of the time, however, the club provides a means of talking to all fifty states and the rest of the world.

# Amateur Radio Club

# Talent Show

The Talent Show was held on Dec. 8th to benefit the Can-paign. It was a huge success, raising over \$500. The show consisted of variety acts by David Houston, Sarina Takita, David Benners, Regan Horchow, Amy Rhodes, Suzy Blaylock, and Catherine Hudgins. It was supplemented by three bands: Gemini, Storm Warning, and Misty Harbor. The main event was a mock reenactment of the Kennedy-Nixon debates. The event was organized by Jeff Spears and Mike Singer.

## Film Society

Under the guidance of faculty sponsor Michael Bennett and Senior President Jeff Stager, this year's Film Society benefited from a successful year. The Film Society's success was due to its continued excellence in providing top quality films at a minimal cost.

## International Club

Under the direction of sponsor, Mr. Gary Mencin, and club President, Eric Lombardi, the AFS Club attempted to broaden its appeal to the student body by including other international programs and events under its jurisdiction. To complete the change, the club became the International Club early in the year. The club continued with established tradition in hosting a day at the school for AFS students from the area and in holding a party for students and club members before Christmas.

This year's AFS student was Pedro Mejia of Columbia and he lived with Brad Johnson, '81, and his family.

# Hunting and Fishing Club

The St. Mark's Hunting and Fishing Club completed its second year as the successor of the Gun Club. The purpose of the club is to educate its members to various aspects of outdoor sports, while promoting the responsible pursuit of fish and game. In addition to the weekly meetings, the club took several hunting and fishing excursions. Lance Lange and Allen Custard completed their second year as Co-Presidents with Mr. Roger West acting as sponsor of the club.

The 1979-1980 Outing Club enjoyed an excellent year under the leadership of sponsor Mr. Peter Lutken. This year's club took trips to Enchanted Rock and various other locations in Texas, but probably the most exciting trip taken was the whitewater canoe trip taken to the Glover River in Oklahoma. This second year club provides an excellent opportunity for students to further their knowledge of outdoor activities, specifically, rock climbing, canoeing, and hiking.

# Outing Club

## Ski Club

Under the guidance of sponsor Mr. Andrew Mailer, the Ski Club sponsored its annual trip to Snowbird, Utah. Though participation was not as impressive as in past years, the trip was still considered a complete success by all of those who participated.

Under the direction of sponsor Mr. Jack Hollon, President Jeb Beckwith, and junior Gil Wolfe, the Environmental Council completed one of its finest years ever. In addition to smashing old paper and recycling records, the Council continued to inform the student body about key ecological issues through assemblies, informational pamphlets, and its ongoing recycling programs.

## Environmental Council

# Canpaign

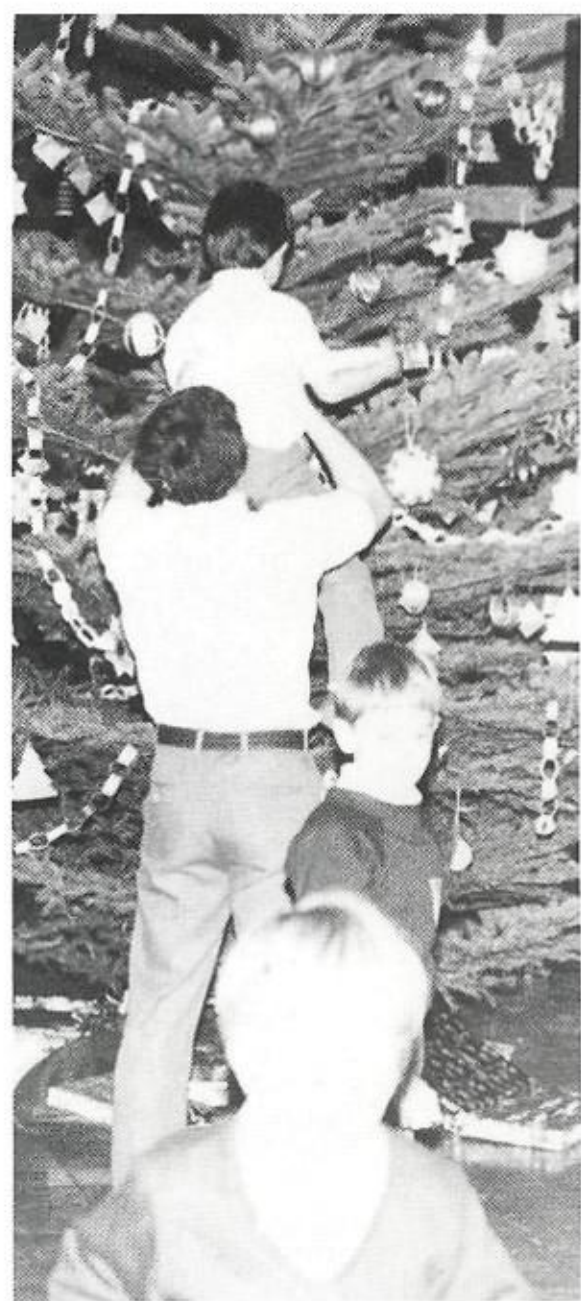

Tri-Chairmen John Gilchrist, Wallace Hall, and Jeff Spears led the 1979 Canpaign to a record breaking year. Such innovations as an all day collection involving the entire Upper School that produced over 10,000 cans and a talent show that also raised over \$600 aided the senior class in two compiling record amounts of 47,556 cans and \$5,455.05 in donations.

# Christmas Party

The annual Christmas Party, held Wednesday, Dec. 19, marked the beginning of Christmas vacation and also the conclusion of the 1979 Canpaign. As in previous years, seniors and first graders entered first with presents to be placed under the Christmas tree, while students, parents, and friends sang Christmas carols to celebrate the Christmas season. The party then climaxed with the Canpaign Chairman announcing the can and money totals and the presentation of both the gifts and cans.

## Lettermen's Club

The Lettermen's Club serves as a student run organization for all of those students lettering in one or more Varsity sports. The club's main responsibility lies in organizing and conducting the end of the year Athletic Banquet. The major purposes of the Banquet are to recall sports successes and to honor outstanding players and coaches. This year's faculty sponsor was Athletic Director Ken Merten.

Under the direction of Homecoming Chairman Stan Stewart, the 30th annual Homecoming Dance was held on Oct. 5. The dance held in celebration of the 48-0 trouncing of the Notre Dame Knights, featured Lynx, a popular local band.

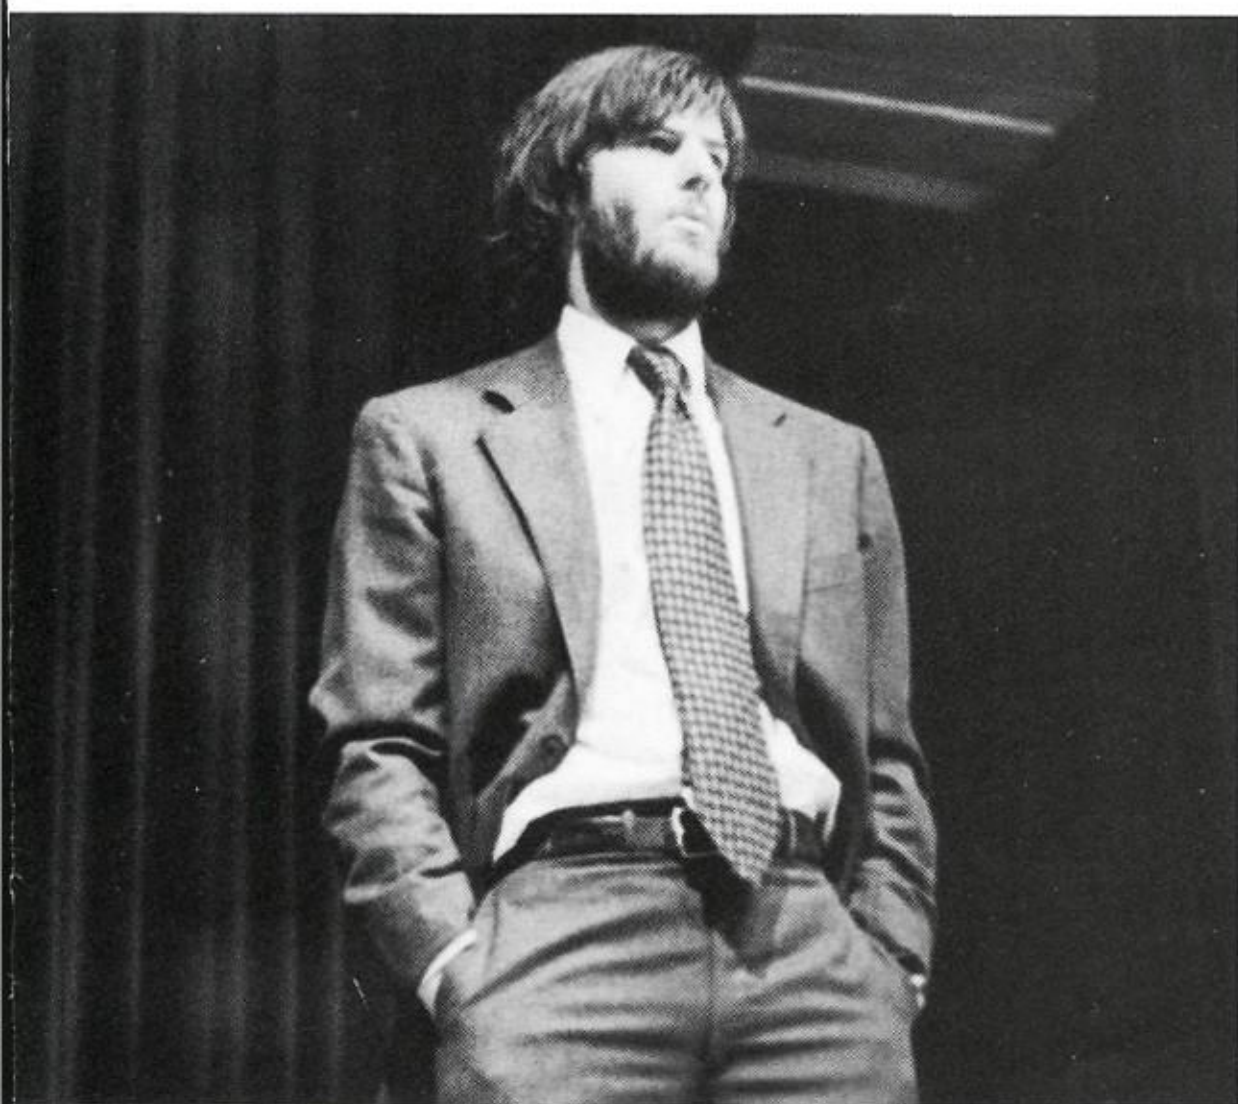

# Astronomy Club

The 1979-80 Astronomy Club enjoyed another successful year under the leadership of sponsor Mr. William Dexter, President Camm Maguire, and Vice-president Matt Scott. Other principal officers were Reuben Jacobs as Treasurer and Dan Northcutt as Secretary.

The Astronomy Club presented many public shows this year, exhibiting the unique planetarium and observatory facilities. Among these were the Halloween show and the Christmas show as well as shows featuring space probes, history of astronomy, and laser presentations. Many smaller productions were also presented to various private church and school groups.

Conducted by Student Council President Bob Jenevein, the twice-weekly Upper School Assemblies featured poets, political activists, faculty members, and presentations of various clubs. St. Mark's graduates Robert Hoffman and Bennett Cullum spoke on the bond issue for the arts; David Huddle from Middlebury read some of his poetry; and Bill Johnson spoke on Suicide Prevention.

# Student Store

Under the guidance of Manager Mike Singer and sponsor Juan Egües, The Student Store had its finest year in sales ever. The year started slow with several outstanding debts, but as the year progressed, the Student Store came out of its financial problems. The store supplies P.E. uniforms and sports shirts. The Student Store, which attempts to give students fine products at reasonable prices, provides the Student Council with their funds. These funds go to pay for Homecoming, A.F.S., Field Day, and other school activities.

## Debate Club

Under the coaching of Mr. George Edwards and Mrs. Stephanie Barta, the Debate Society has had another successful year. Led by the teams of seniors Scott Segal and Jamie Spellings and juniors Kenny Hersh and Neil Sobol, the debaters captured over fifty separate awards. The society hosted the sixth annual St. Mark's Invitational tournament for over five hundred contestants from five states. The debaters also participated in several individual speaking events, including extemporaneous speaking and original oratory. Joined by members of the Drama Club, they also participated in such dramatic events as Duet Acting and Dramatic Interpretation.

Under the leadership of Chairwoman Mrs. Rex Johnson, the annual Parents' Club Bookfair netted over \$1000 for the Library Fund. Held in the Performance Hall October 16-18, the Bookfair offered a wide variety of literature, ranging from best sellers to picture books. The House of Books provided this year's offerings.

## Problem Solvers

Under President Andrew Landisman, Vice-President Jim Davis, and sponsor Mr. Hunter NiBert, this year's club took third place in the Richardson High School Tournament. Landisman and Davis also performed well in the Hockaday contest which draws teams from all over the state. Members also experimented with the school's two computers.

The *Marque*, published annually in the spring, is the St. Mark's literary magazine. This year, under the direction of Co-Editors Kenny Hersh and Neil Sobol, and faculty sponsor Dr. Anne Freeman, the *Marque* consisted of poems, short stories and prose, as well as artwork and photography. All works in the *Marque* were done by St. Mark's students. Other members of this year's staff were Michael Jewell and Russell Rian.

# Whiz Quiz

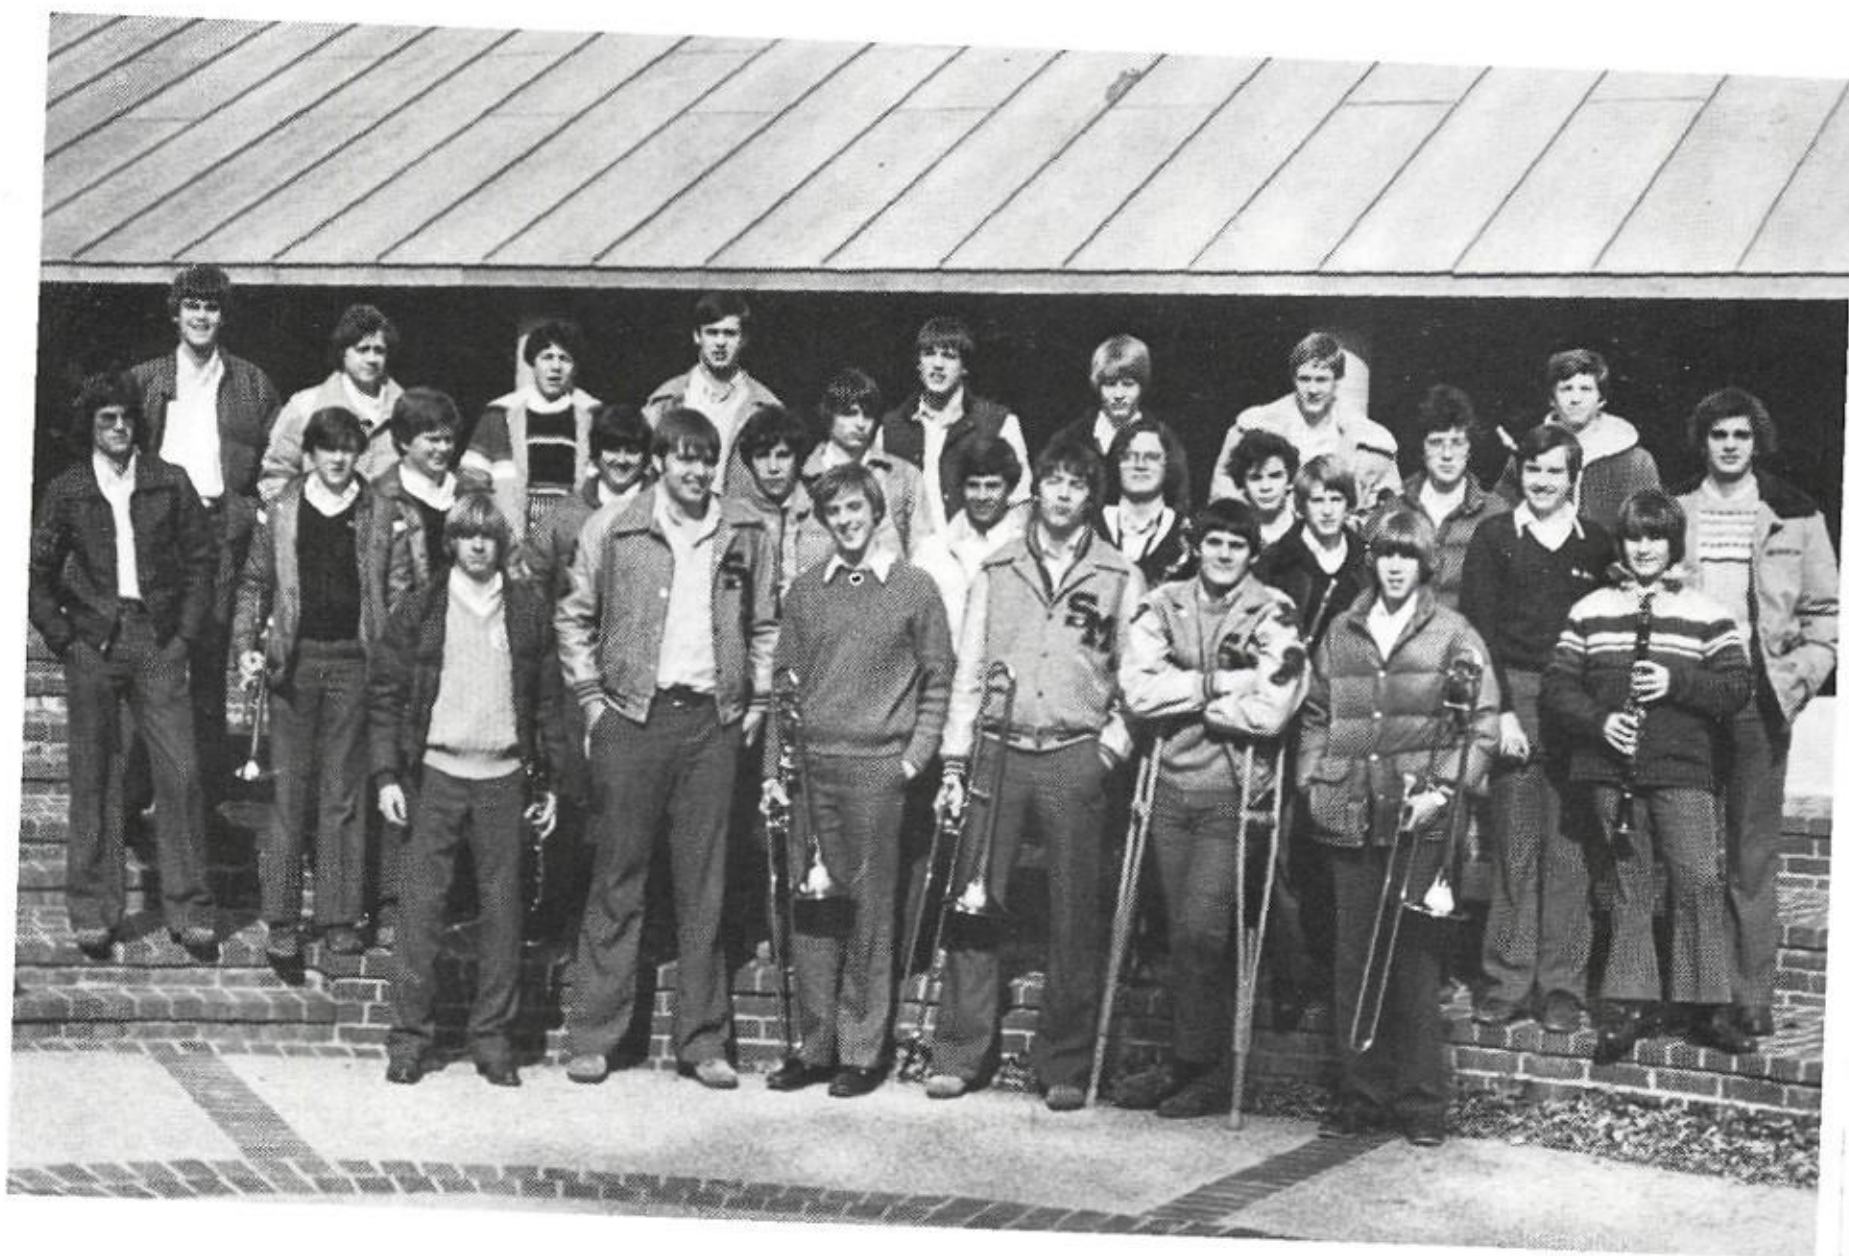

Only in its third year of existence, the St. Mark's Whiz Quiz team was very successful. With the guidance of sponsor Dean Baird, St. Mark's remained a power in Whiz Quiz competition with John Calhoun, Bill McLain, Jon Sayah, and David Wilkie as the starting four on this year's team.

Under the leadership of Editors Scott Gregg, Ralph Jackson, and Michael Wallace, and with the help of faculty sponsor Mrs. Roberta Mailer, the Middle School newspaper, the *Remarks-a-lot*, completed its thirteenth year of publication. The paper brought various aspects of Middle School life into view. Articles included comments on school life, movie reviews, sports, and features, as well as various games, contests, and cartoons.

# Remarks-a-Lot

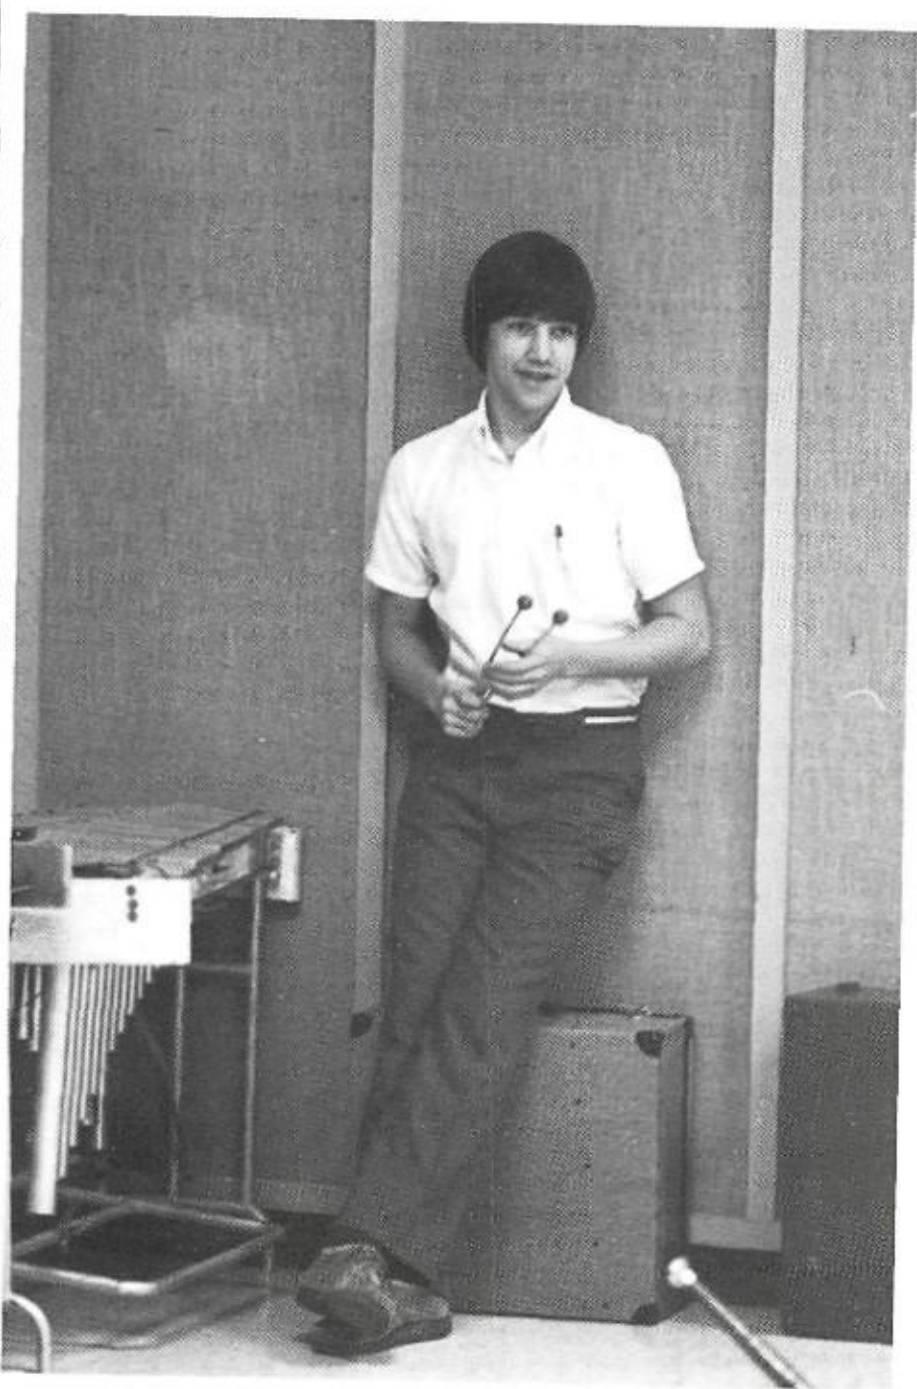

## Band

Conductor Mario Foster and President Bingiee Shiu directed this year's Band through a very successful season. The Band played three major concerts and supported the football team at both pep rallies and games. Several members of the band were also instrumental in the production of this year's Campaign Talent Show in December. The Band has also been raising money in hopes of venturing to Hawaii this summer.

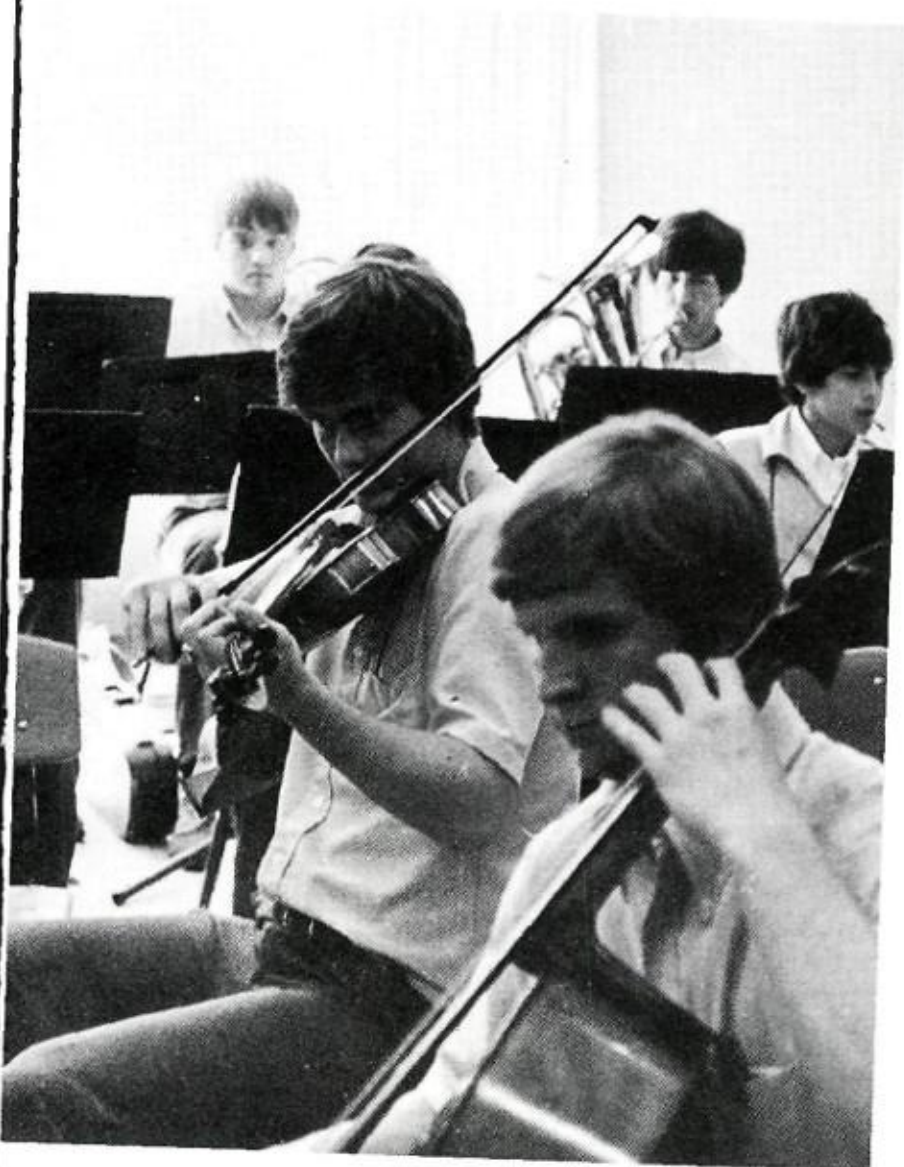

# Orchestra

Under the direction of Conductor Yves L'Hégoval'ch, this year's orchestra played pieces ranging from Broadway's "Annie" to Mousorgsky's "Pictures at an Exhibition." The diverse musical experiences and talents of Bingee Shui and Micheal Weed contributed greatly to the Spring and Concerto Concerts. With 15 Seniors in the program, the orchestra was the most experienced in its 10 year history.

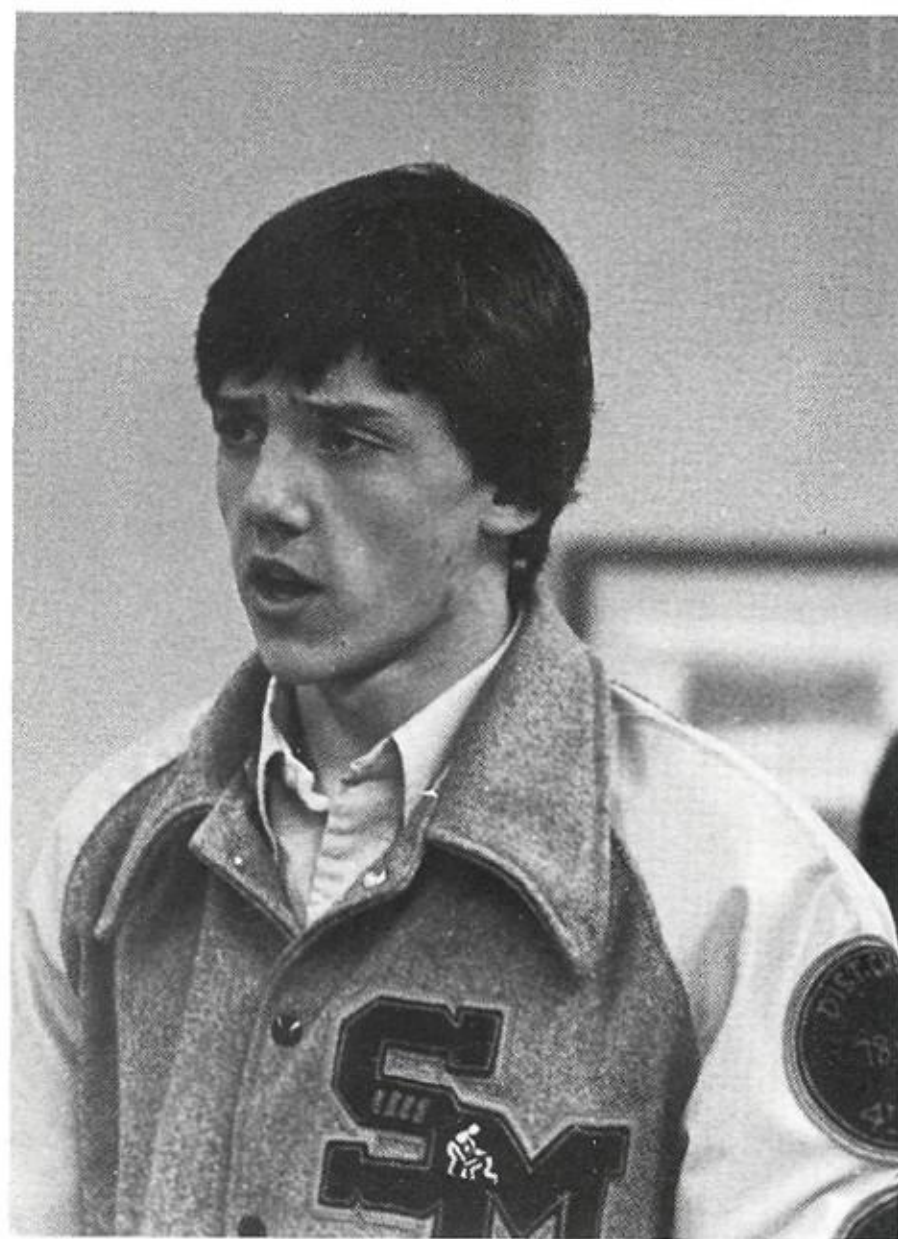

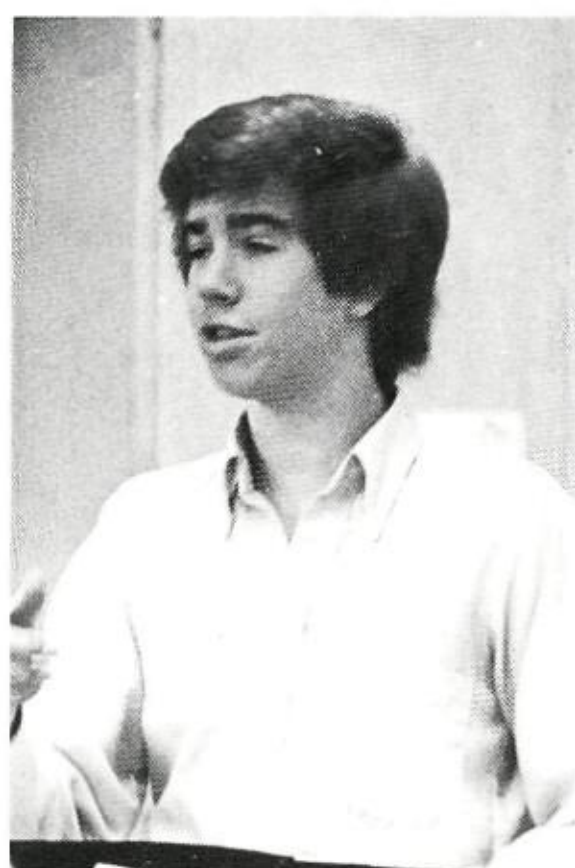

# Choir and Glee Club

The St. Mark's Choir and Glee Club began the 1979 school year with the annual Evensong Service, under the musical direction of Choirmaster James Livengood. The service, which took place on October 28, included a version of the *Magnificat Nunc Dimittis*, a setting of two psalms, and other religious anthems. On December 16, the Choir performed the 26th annual Festival of Nine Lessons and Carols, combining new and traditional carols and hymns. Keith Shafer played the organ for this ceremony as well as for Evensong.

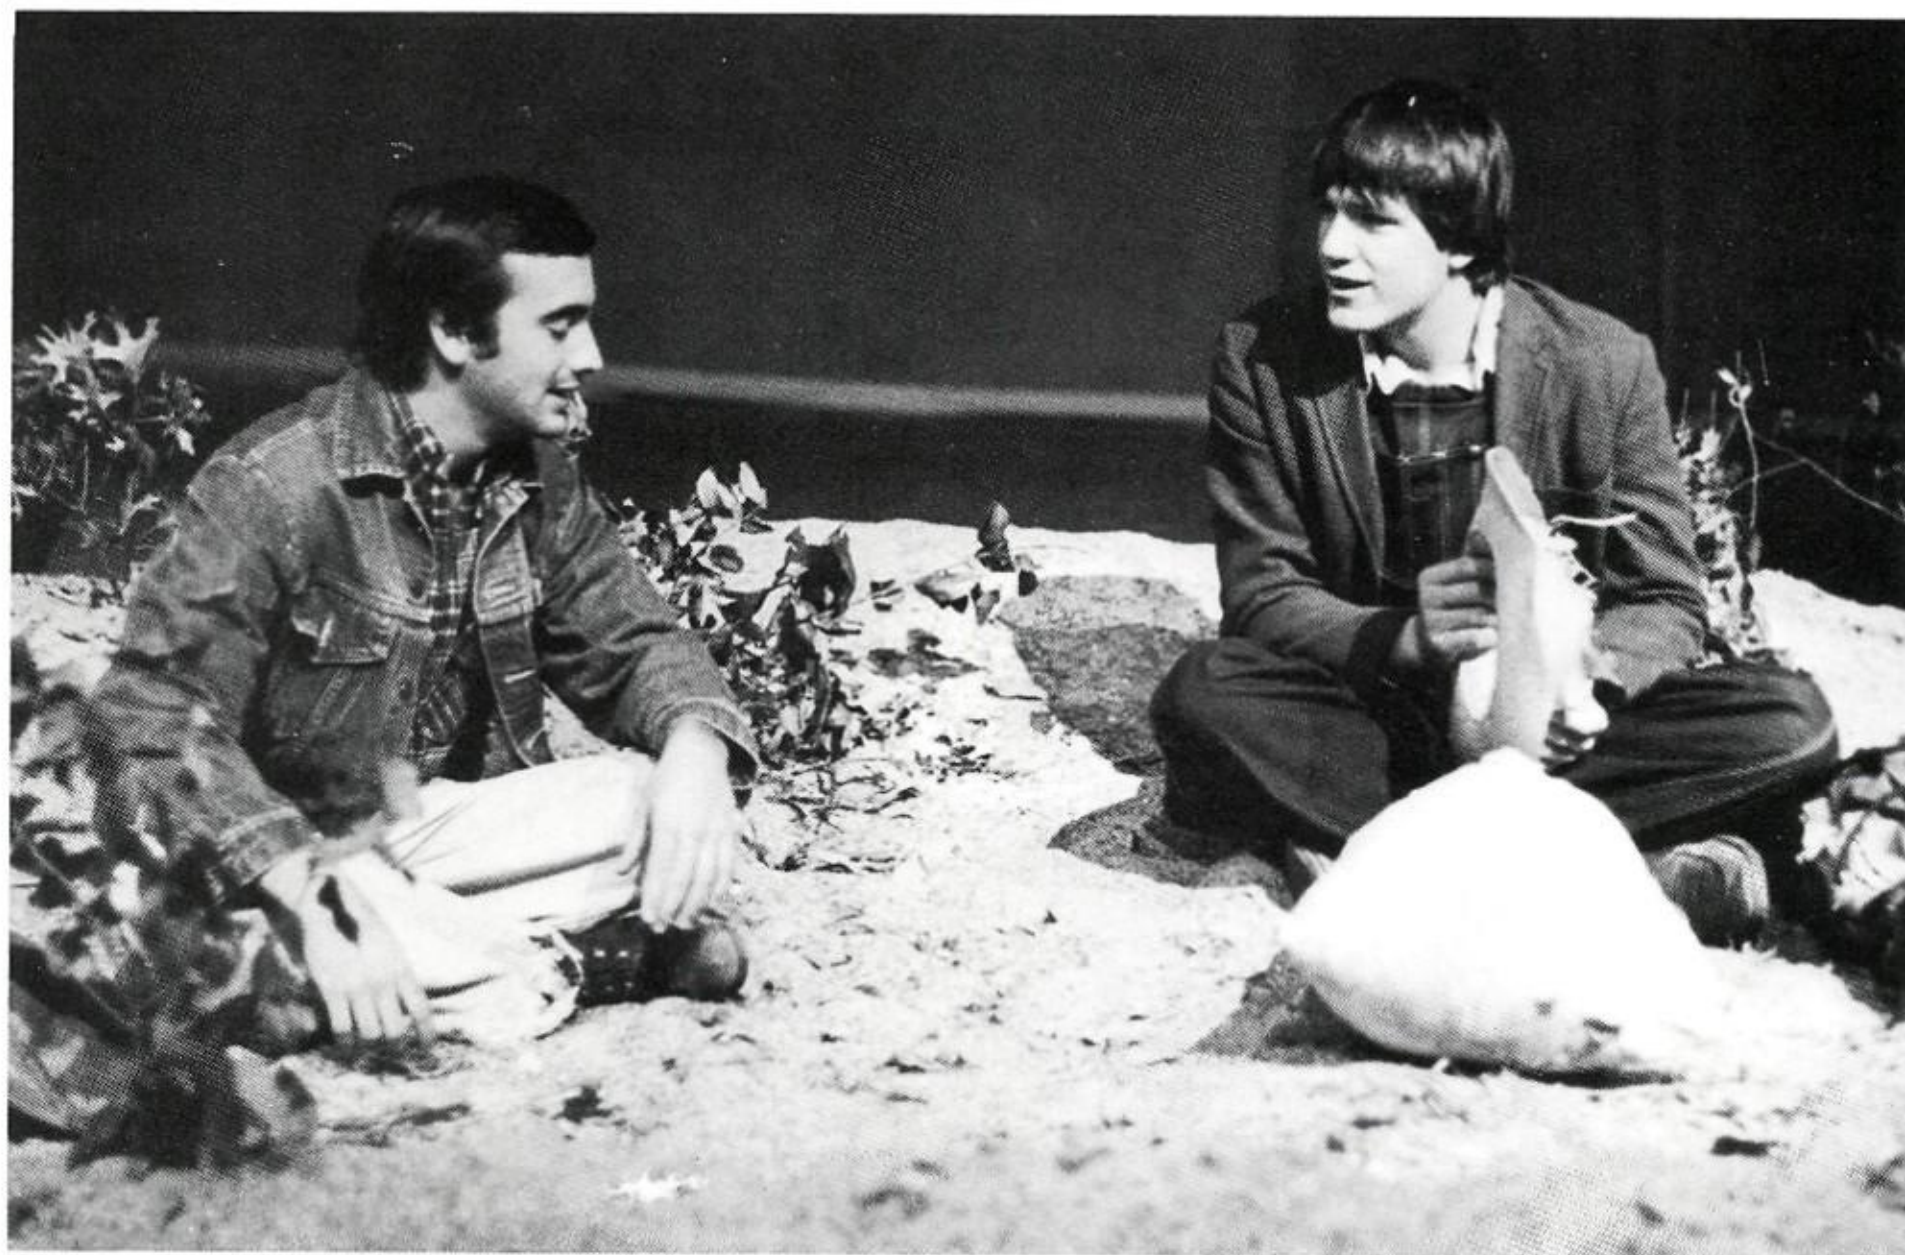

In the spring of the year, the Choir took part in the Interfaith Service at Temple Emanuel and performed at St. Mark's with members of the Dallas Symphony Orchestra. Members from the Middle School took part in two performances of the Dallas Civic Opera as well.

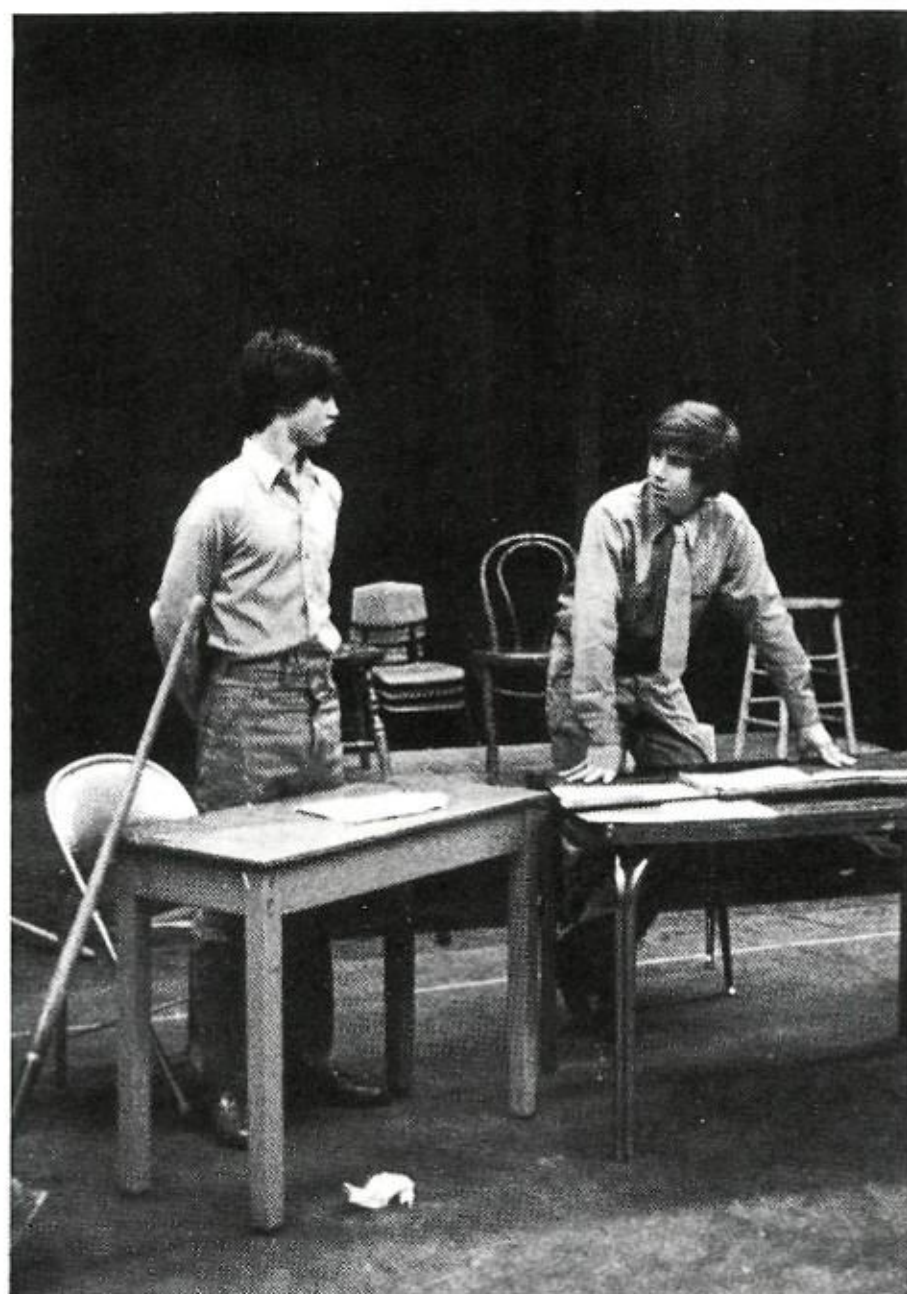

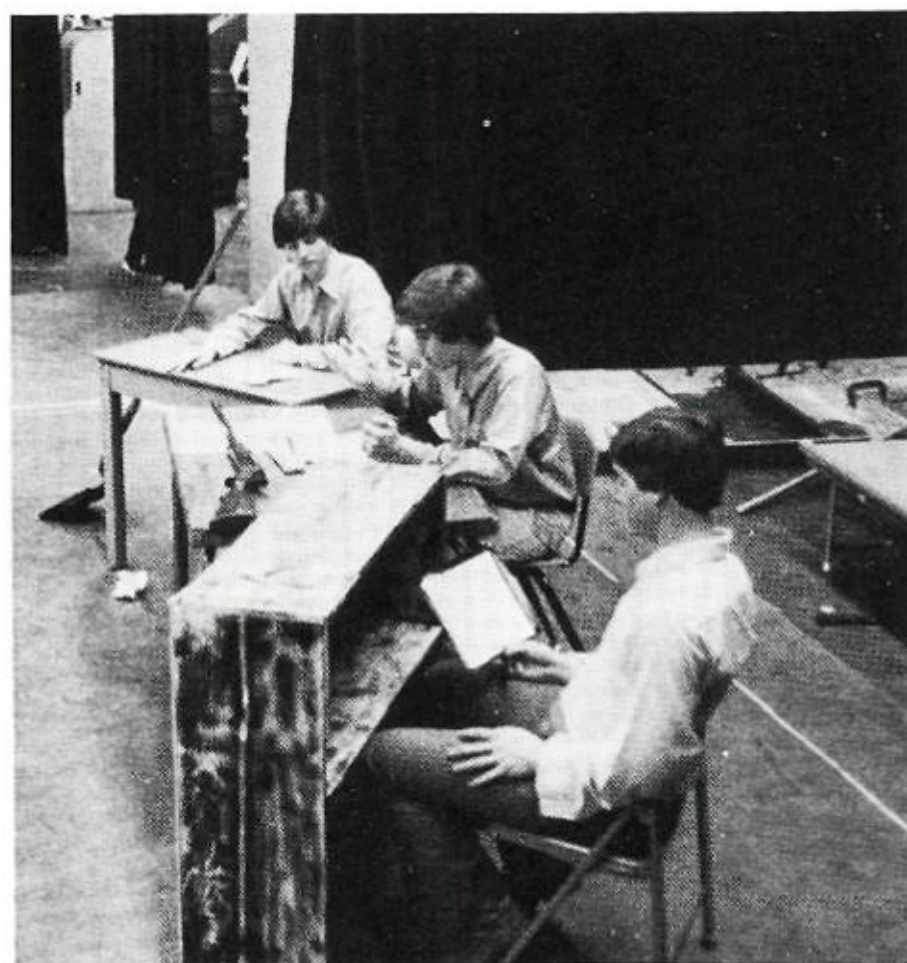

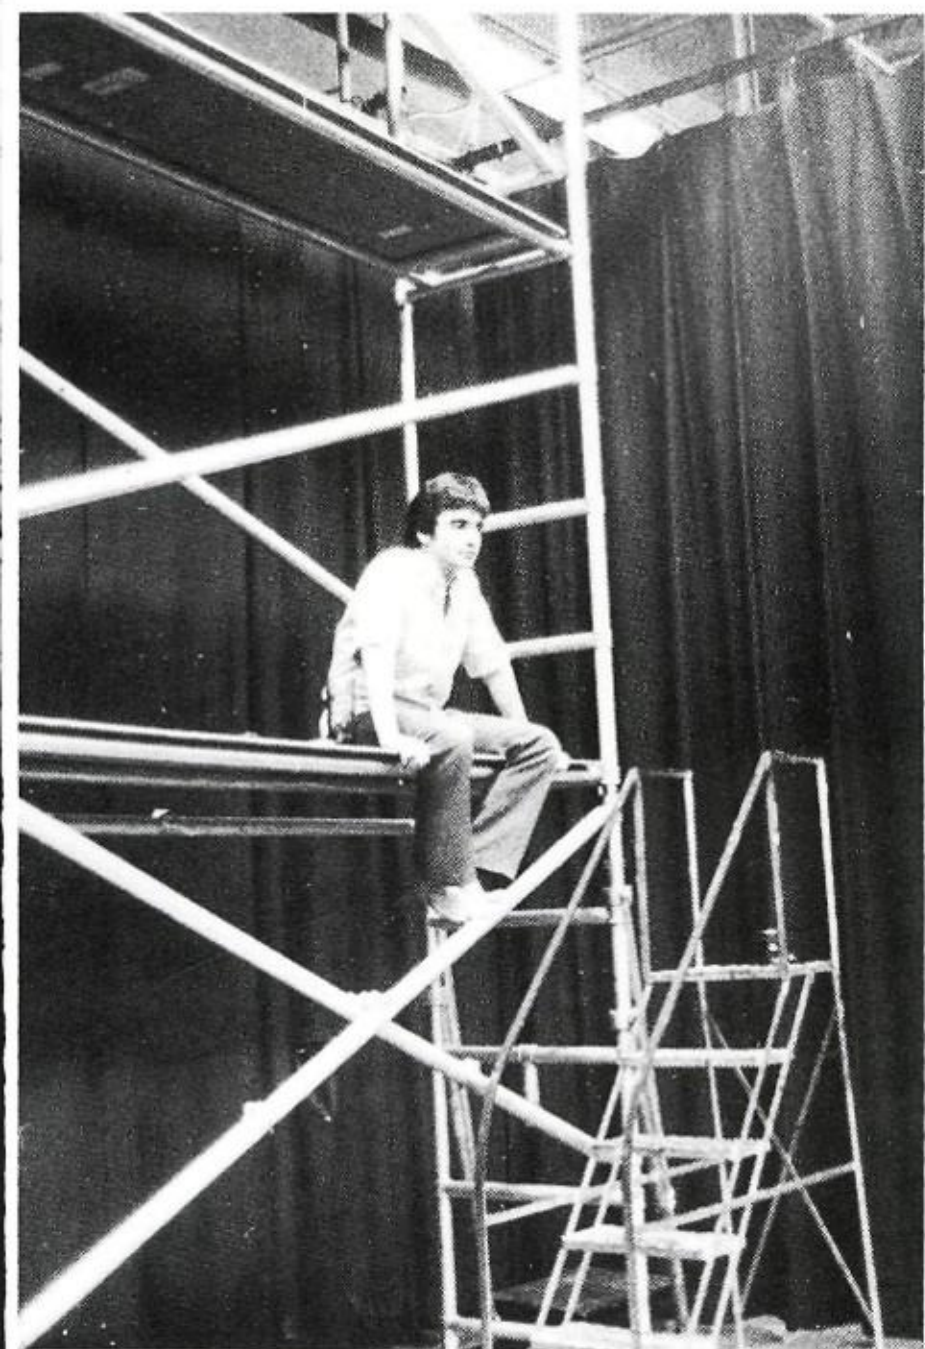

## Drama Club

Under the leadership of senior President Jeff Stager and faculty sponsor Mr. Rod Blaydes, the Drama Club accomplished many new things. They supervised the one-act play festival in February which, until this year, was only open to Hockaday and St. Mark's students. They also wrote up a Constitution and selected the spring production. The increasing support in the Drama Club promises to provide better quality theatrical productions in the years to come. Their major production of the year was Steinbeck's *Of Mice and Men*.

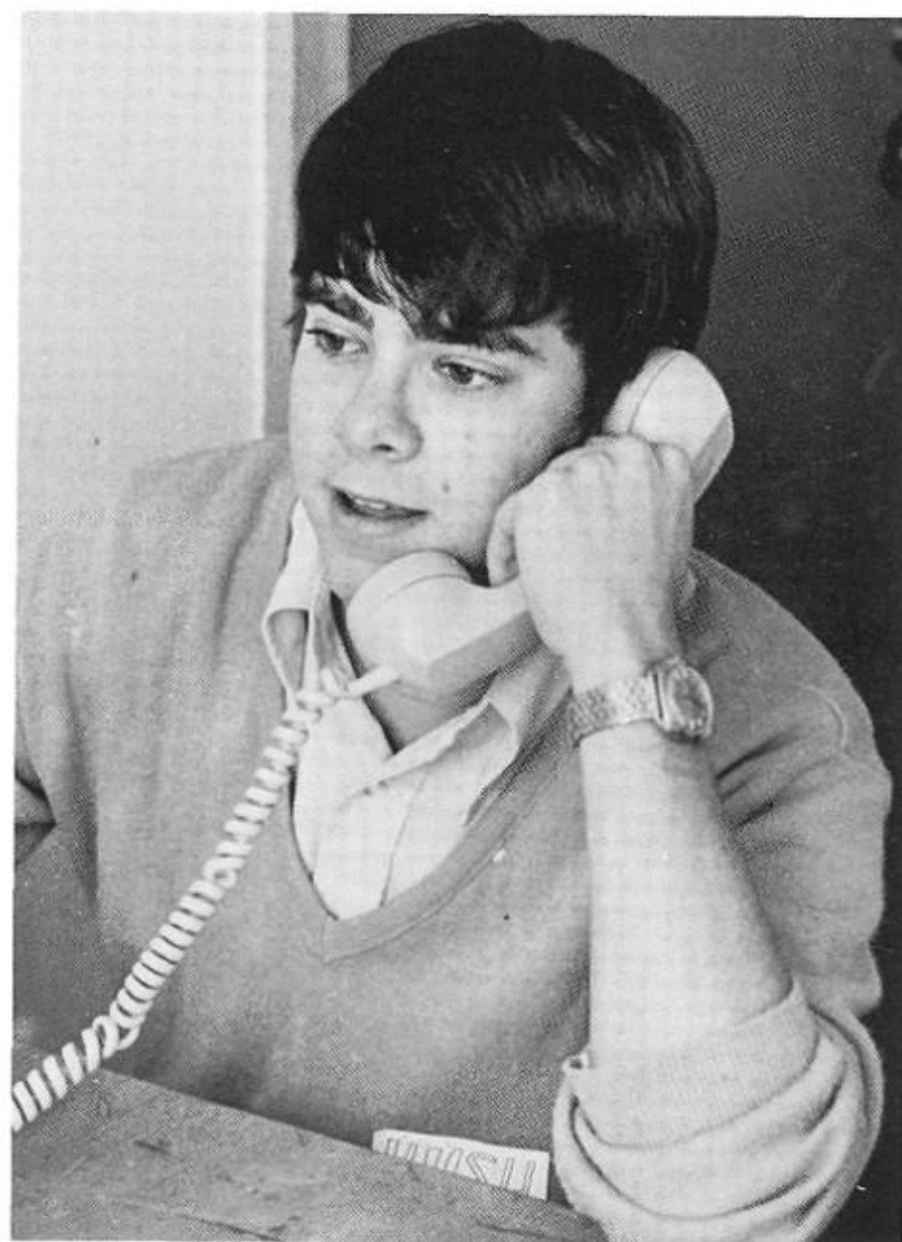

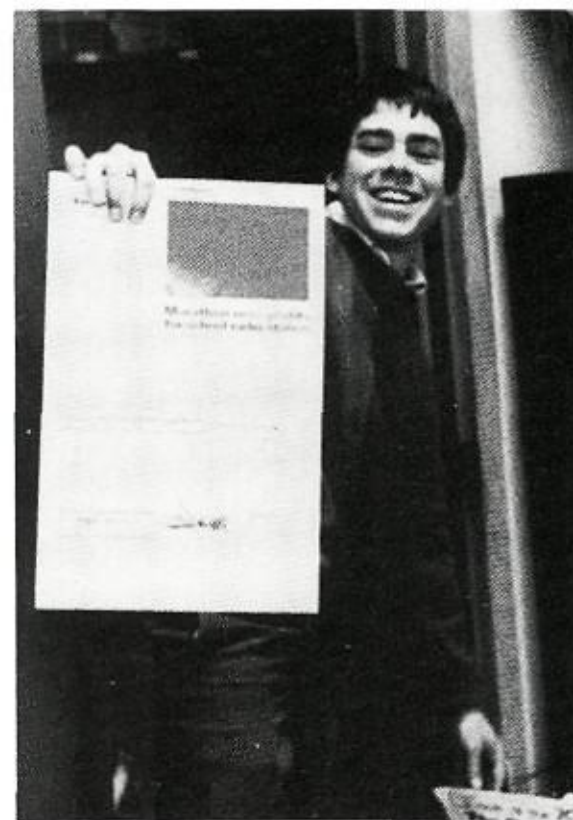

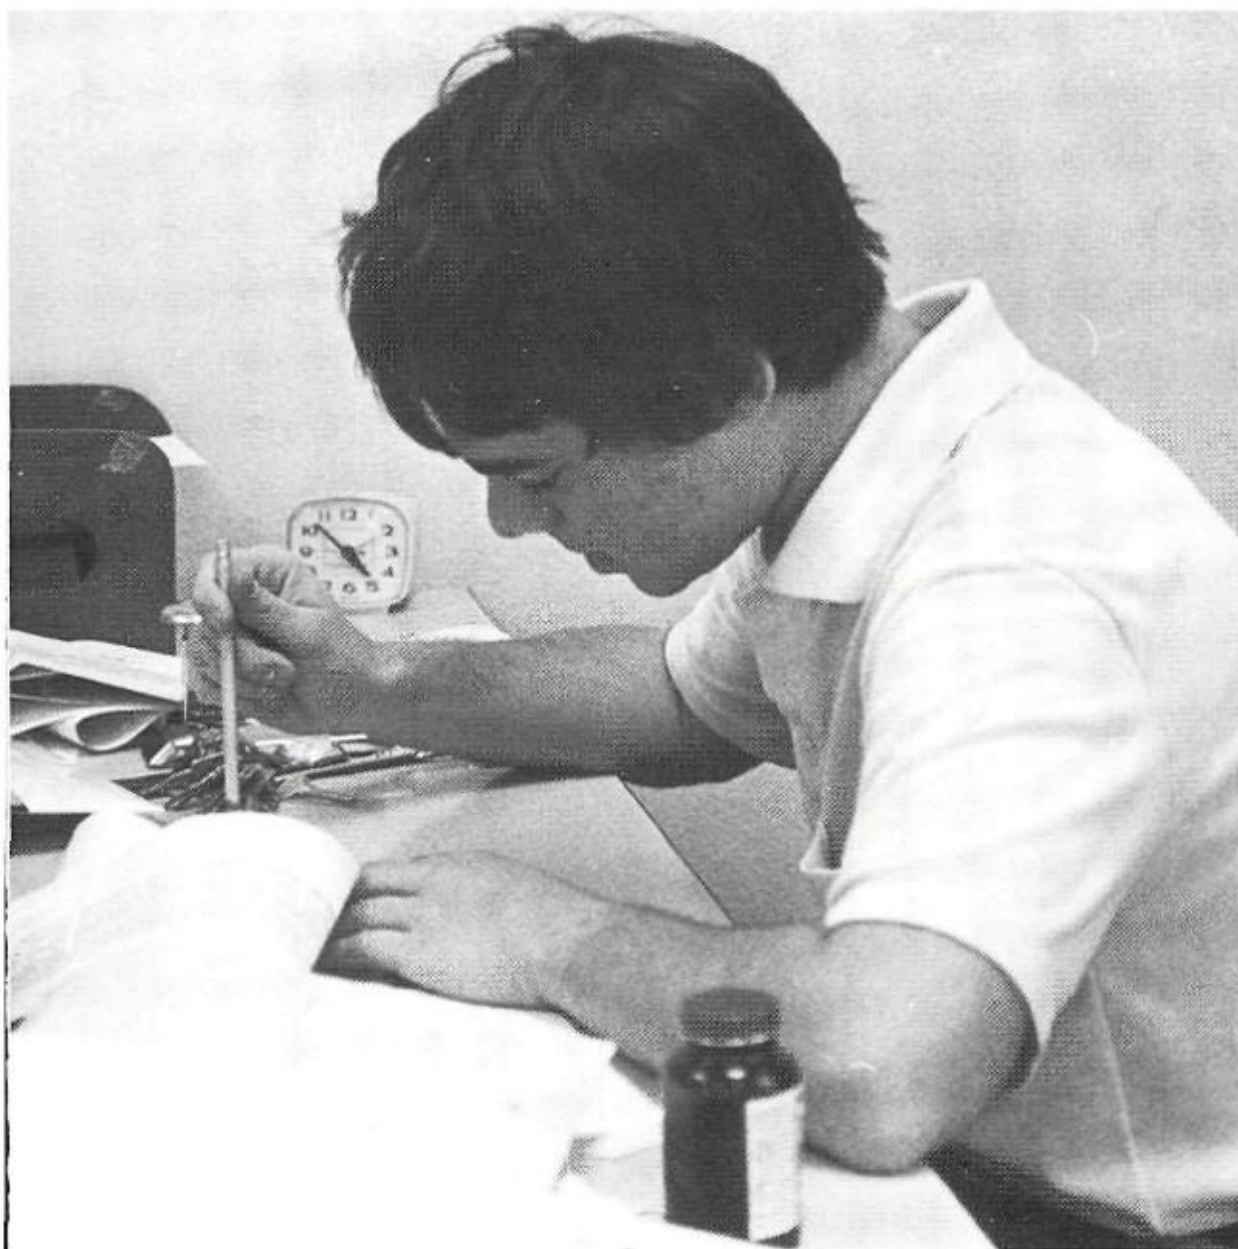

## The ReMarker

*The ReMarker*, the school newspaper, publishes bi-weekly to provide members of the St. Mark's community with an awareness of the events and personalities around them. Under Editor-in-Chief Rick Waechter and Managing Editor David Greenblatt, *The ReMarker* had one of its most successful years ever. With better fiscal management and featuring a revised format, *The ReMarker* was awarded NSPA "All-American" rating, the CSPA "Medalist" award, and numerous honors from Quill and Scroll and *The Dallas Times Herald*. Mr. Andrew Mailer and Mr. James McInerney were the faculty sponsors.

# Football

Compiling a 6—4 record, this year's football team played the longest and toughest schedule in school history. Spectacular victories included shut-outs of Lubbock Dunbar, 4-A Newman Smith, and an incredible 38-0 trouncing of Bishop Dunne. The season ended after the Lions dealt Ft. Worth Country Day its first defeat at home in four years. Captains Peter Lynch, Marty Manasco, Bob Jenevein, and Stan Stewart kept this year's unique team unified on and off the field.

This year's offense was led by juniors Kyle Atkins, Jay McAuley, Jeff Boswell, Larry Roach, and seniors Smith Stollenwerck, Peter Lynch, Derek Saunders, Russ Fojtasek, and Bob Jenevein. The defense, which spearheaded this year's team, was led by juniors Toby Roosevelt, Charlie Martin, and seniors Wallace Hall, Marty Manasco, Robert Keeler, Smith Stollenwerck, David Vaughn, Peter Lynch, and Adam Seidel.

The success of this year's team was due much to the hard work of Head Coach Charles Quisenberry, Assistant Coaches Bob King, Sherman Zimmerman, and newcomer Roy Heffernan. Thanks must also go to the St. Mark's mothers and cheerleaders who provided support and organized victory parties for the players.

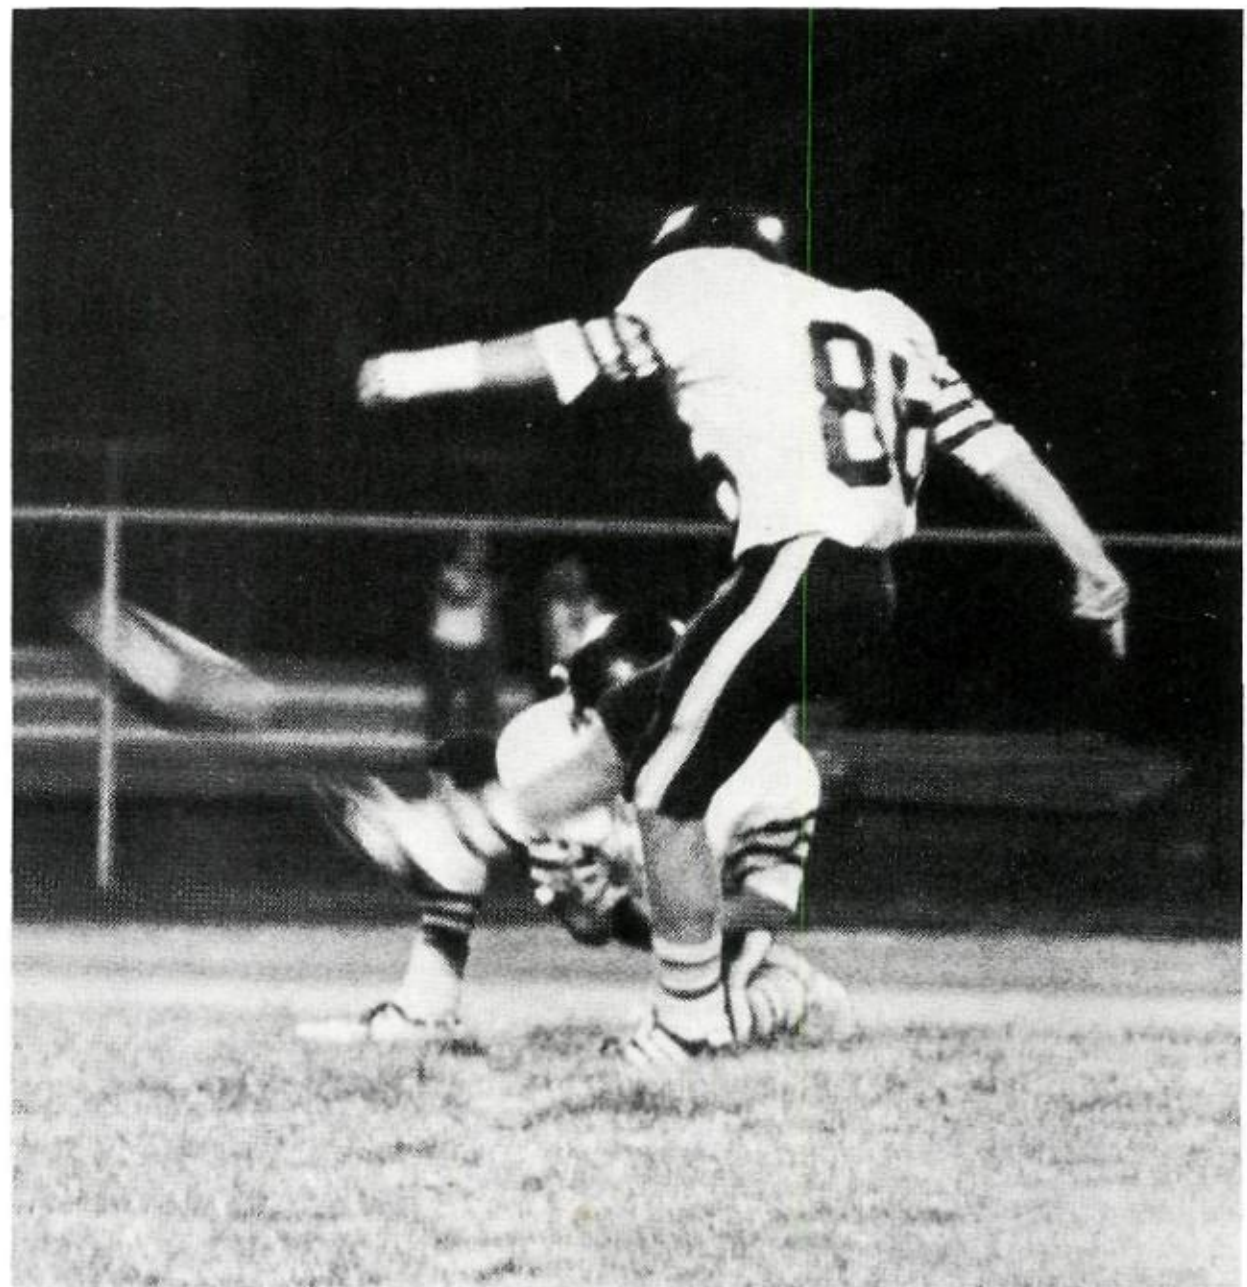

## Dunbar 7-0

St. Mark's opened its 1979-80 football season with a spectacular defensive performance, holding the Lubbock Dunbar Panthers scoreless in a 7-0 victory. Tailback Smith Stollenwerck scored the only touchdown for the Lions early in the first quarter. Dunbar made two scoring threats in the second half. Midway through the third quarter, the Panthers had a first and goal on the Lions' nine yard line, but the Lion defense kept Dunbar from scoring on four straight running attempts. Dunbar's last hope of scoring was frustrated early in the fourth quarter when St. Mark's recovered a fumble on its own five yard line. The St. Mark's defense held Dunbar to just four first downs and ninety-five total yards.

## Newman-Smith 6-0

The Lions won their second game of the season through another brilliant defensive performance and the outstanding kicking of Junior Larry Roach. Roach kicked two field goals in the first half which proved to be the only points on the scoreboard that night. With a fourth and five on the Trojan's thirty-five yard line, Roach kicked a school record 53-yard field goal. He followed this up with a 36-yard field goal early in the second quarter. The Lion defense held its opponents scoreless for the second straight week, allowing only four first downs and causing seven turnovers.

## Nolan 0-7

St. Mark's traveled to Ft. Worth Nolan on September 22. The game proved to be a defensive battle. The Lion defense held Nolan to -1 yard passing and 76 yards rushing while only gaining 92 total offensive yards themselves. However, the Lions were plagued with 80 yards of penalties. A blocked punt and untimely penalties set up Nolan's second quarter touchdown. The offense was unable to score and the game ended 7-0.

## Bishop Lynch 14-25

The Lions suffered their second consecutive loss to the Bishop Lynch Friars. The Friars scored early in the first quarter. The Lions responded with a ten yard run by Adam Seidel. At halftime, the Lions led 7-6. Midway through the fourth quarter, the Lions found themselves down 18-7. The Lion offense was unable to respond after resorting to a passing attack. Bishop Lynch then ran the ball forty yards around the right end to up the score to 25-7. The Lion offense then came together with a thirty yard touchdown pass from quarterback Bob Jenevein to Larry Roach to make the final score 25-14.

## Notre Dame 48-0

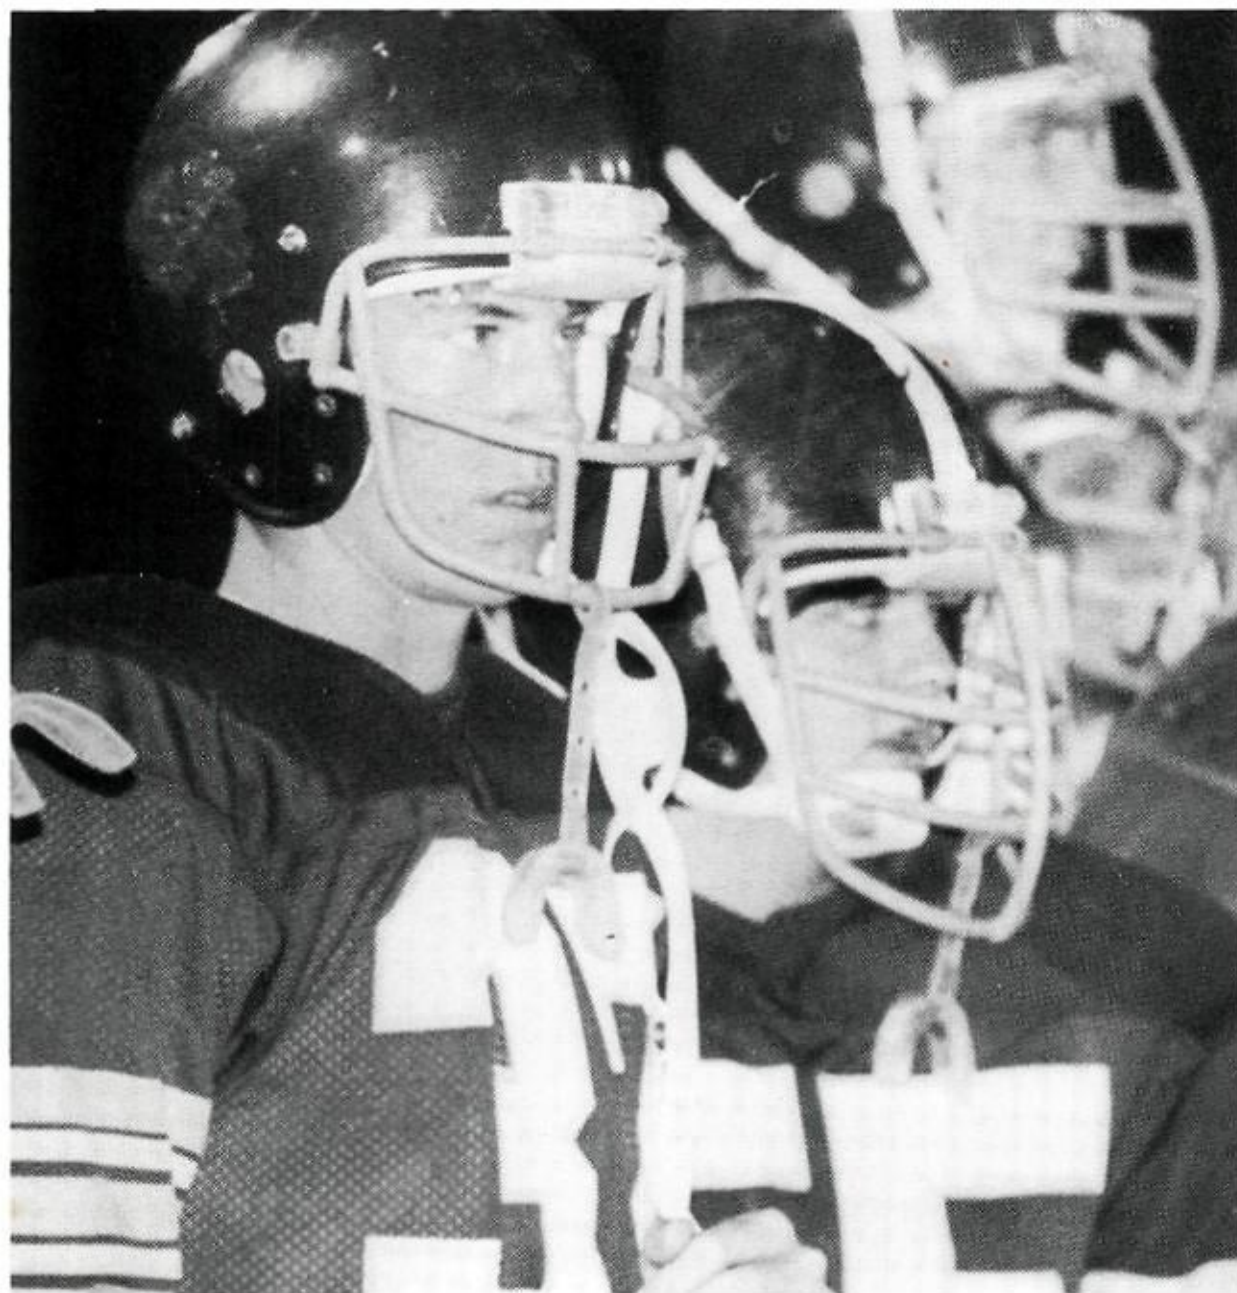

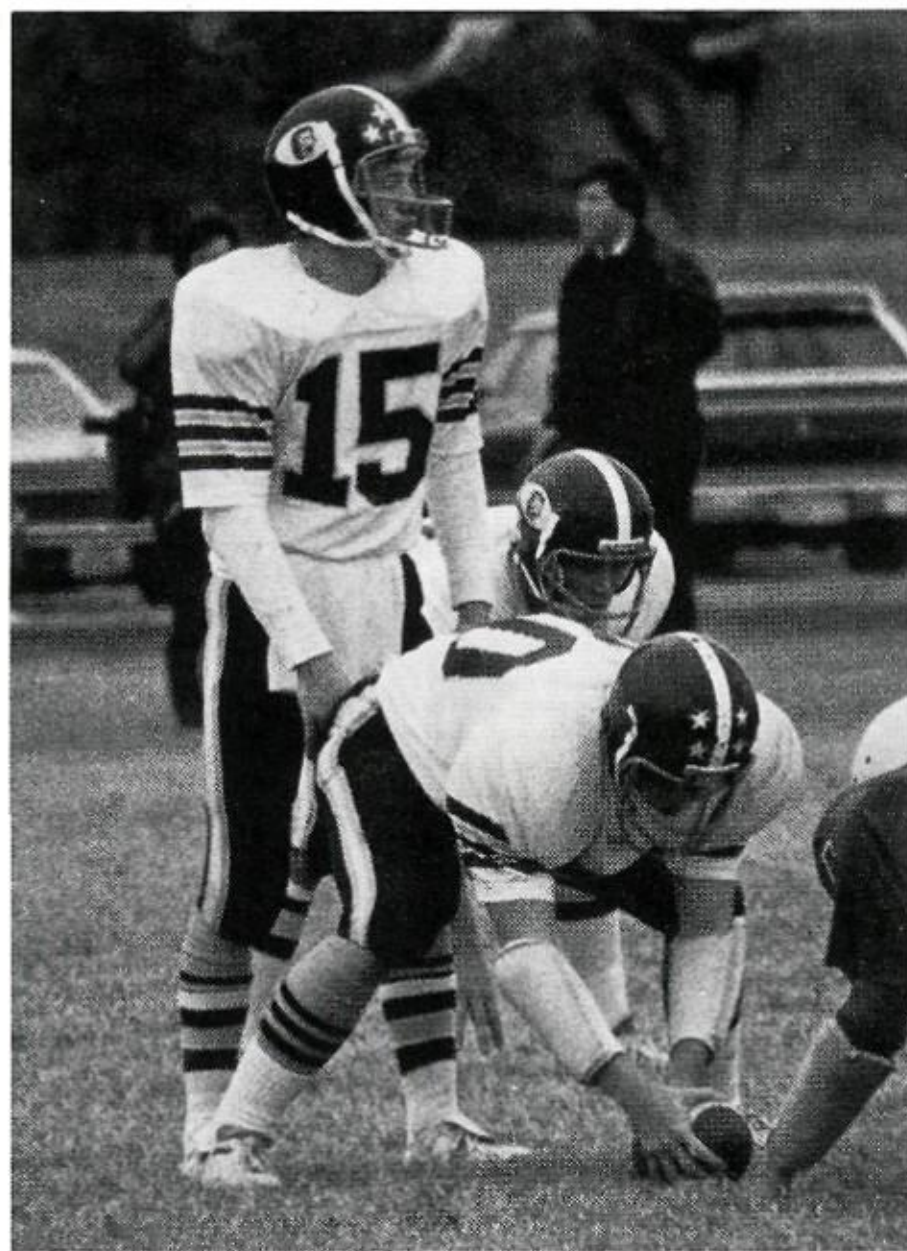

A sputtering Lion offense finally exploded for Homecoming in a 48-0 victory over the Notre Dame Knights. The Lions compiled 17 points in the first quarter from a Larry Roach field goal and touchdowns by Smith Stollenwerck and Adam Seidel. In the second quarter, Roach kicked another field goal and Peter Lynch caught a touchdown pass to make it 27-0. The second half was dominated by the Lion defense, which held the Knights to minus fourteen yards offense. The offense continued to shine, scoring 21 points in the half. The Lions gained 328 total yards and allowed the Knights only 24 total offensive yards in their Homecoming victory.

## St. Johns 13-14

St. Mark's hosted the St. John's Rebels in the Lions' sixth game of the season. St. John's scored first with a 59-yard touch-down pass in the second quarter making the score 7-0. The Lions were unable to respond until early in the fourth quarter when Junior quarterback Kyle Atkins hit Larry Roach in the end zone, tying the game at 7-7. St. John's scored again with two minutes left. Trailing 14-7 with less than 30 seconds remaining on the clock, Senior quarterback Jeff Spears hit Bill Pickens in the end zone, bringing the Lions to within one point. Spears then passed to Larry Roach for the two point conversion. However, a pass interference call nullified the play and the Lions' victory, leaving St. Mark's down 13-14.

## Garland Christian 48-7

The St. Mark's Lions defeated Garland Christian 48-7. The Crusaders passed for a touchdown on the opening play of the game. However, St. Mark's responded by holding them to -39 yards rushing and by scoring six touchdowns. Larry Wilson rushed for 147 yards on twelve carries for an 11.8 yard average. The Lions accumulated 405 total offensive yards and 48 points, 36 of them in the first quarter.

## Bishop Dunne 38-0

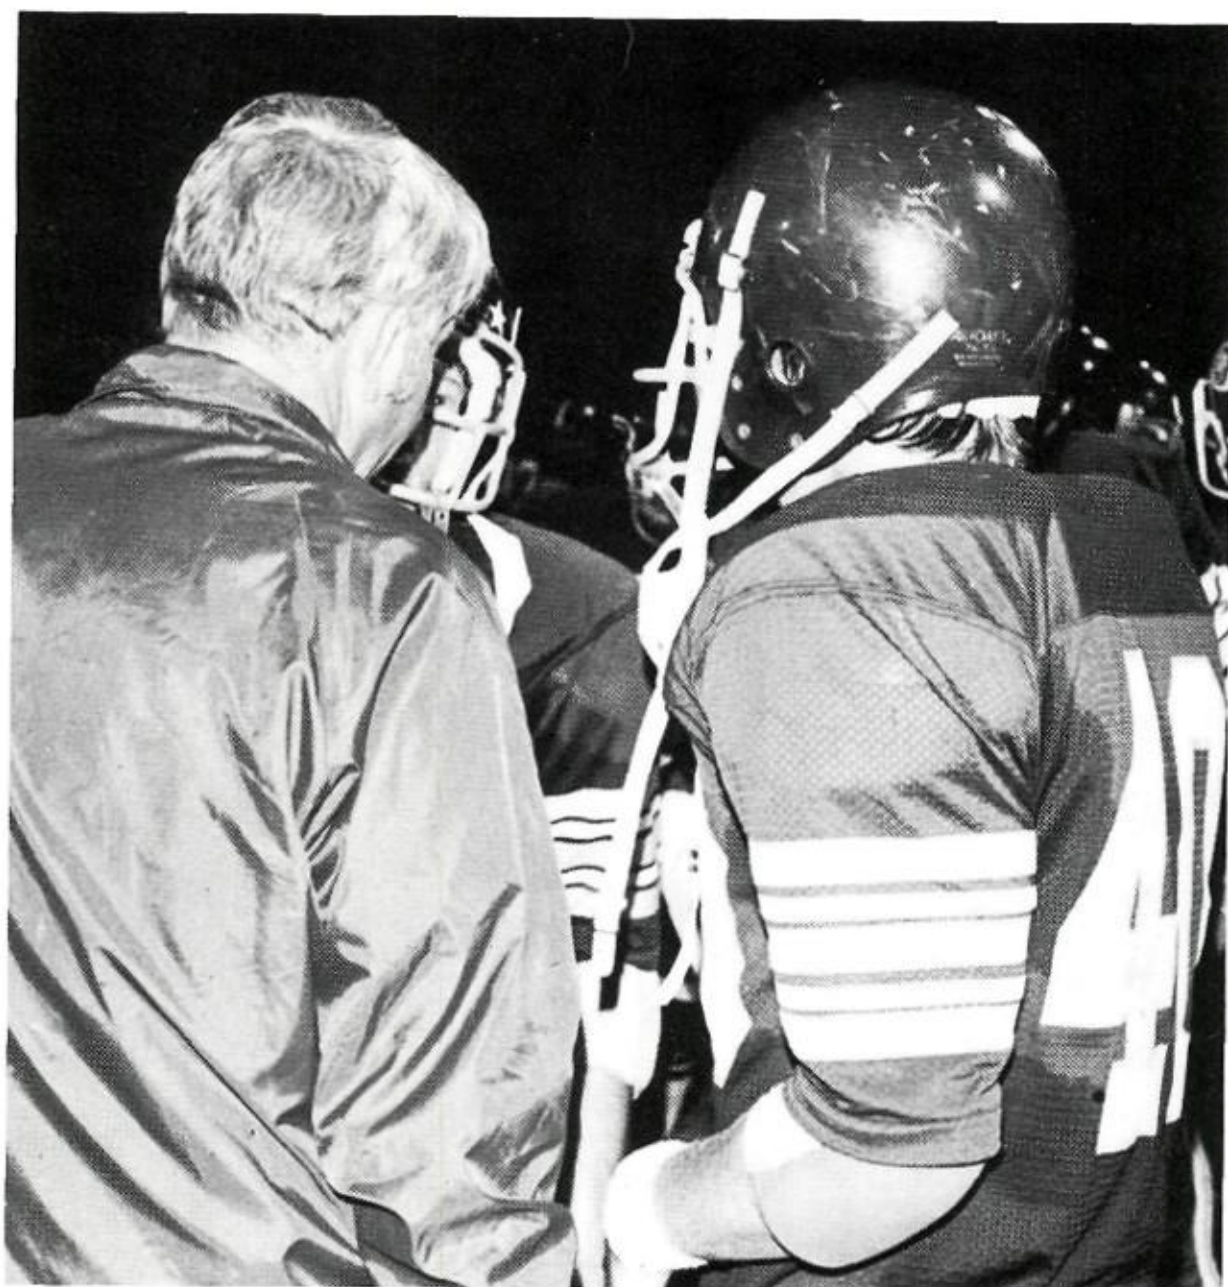

The Lions played another excellent game, defeating the Bishop Dunne Falcons 38-0. The Lion defense held the Falcons to 4 yards rushing, while the offense gained 342 total yards and six touchdowns. Tight end Peter Lynch caught three passes for 102 yards and one touchdown, while tailback Smith Stollenwerck ran for 109 yards.

## Strake Jesuit 3-27

The Lions traveled to Houston and lost to Strake Jesuit, TCIL State Champions, 27-3. The Lions were only able to gain 139 total offensive yards to Strake's 366 total yards. Larry Roach, however, was able to kick a 38-yard field goal in the second quarter for the Lion's only score. Senior defensive end Wallace Hall and senior linebacker Robert Keeler played outstanding defense throughout the game. Hall had 12 unassisted tackles and one assisted as well as three sacks.

## Country Day 35-17

The Lions ended their 1979-80 football season on a victorious note. Ft. Worth Country Day scored early in the first quarter, only to be countered by a 55-yard bomb from Kyle Atkins to Bob Jenevein. Senior Smith Stollenwerck upped the score to 21-7 with two second quarter touchdowns. However, the Falcons were not to be outdone and they immediately scored on a 67-yard run. The Falcons added a third quarter field goal, making the score 21-17. Senior David Vaughn then recovered a fumble in the end zone, making the score 28-17. The Lions clinched their 35-17 victory with a 32-yard touchdown pass from Kyle Atkins to Peter Lynch.

# Water Polo

Despite a bleak outlook at the beginning of the season, the Lion water polo squad had an impressive year. They were again regional champions and placed fifth in the 1979 State Championships.

Under the guidance of Coaches John Stutsman and Ken Merten, the team metamorphosed from a group of individuals into a dangerous, fast-breaking team. Offensive standouts were senior Keith Kadesky and juniors Bo Lett and Richard Wesson. Seniors Jeb Beckwich and Jeff Stager were indispensable on defense. Sophomore Mark Hurst and freshman Todd Clark and Jeff Rasansky also contributed to the Lion effort. Senior goalie Kevin Kadesky was ranked as one of the best in the state at his position.

For their performances at the state competition, Kevin Kadesky received All-State Second Team status, and Bo Lett received All-State Honorable Mention.

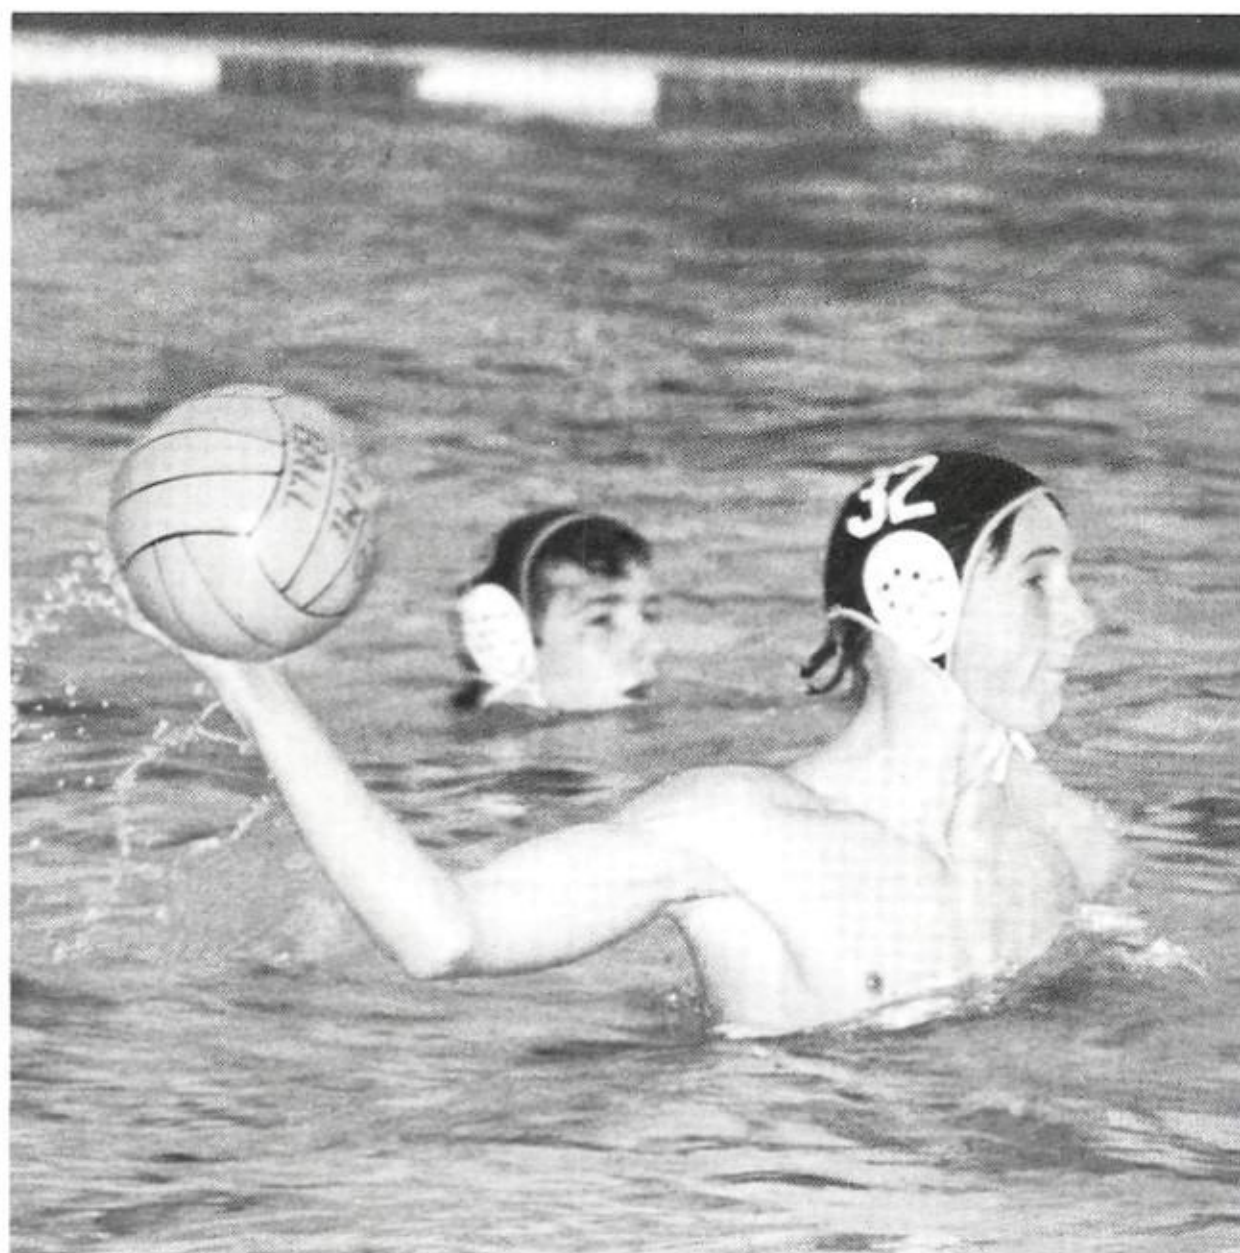

With a 20-7 record, the tradition of Lion excellence in water polo remains.

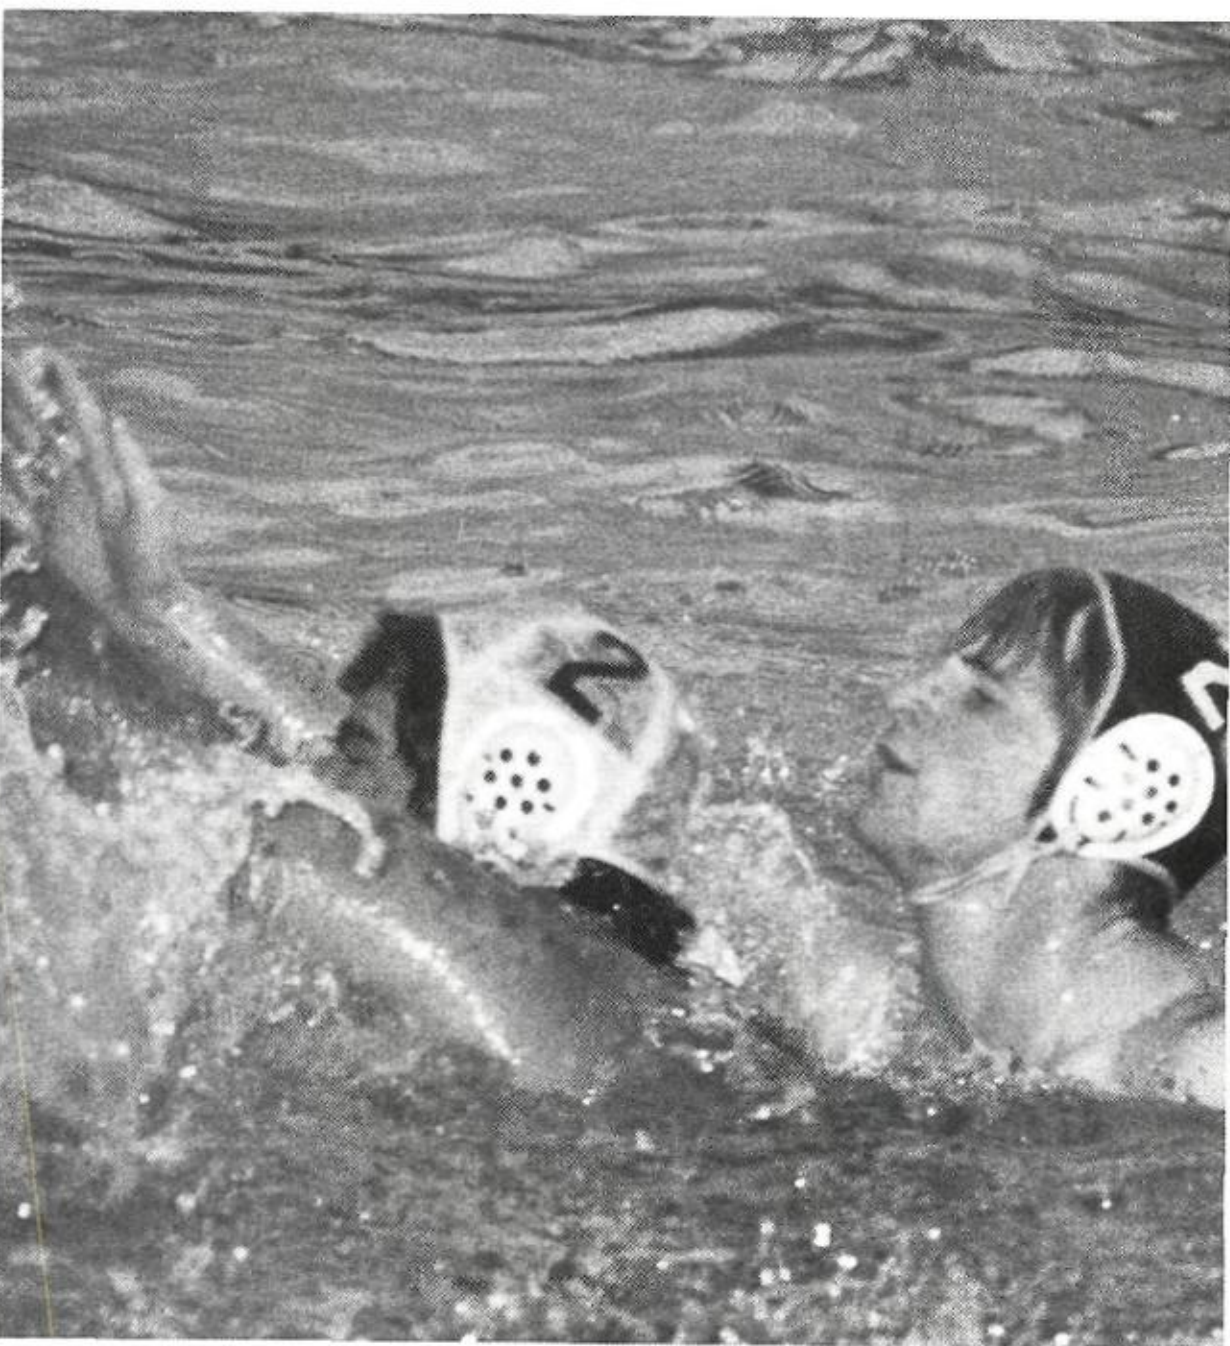

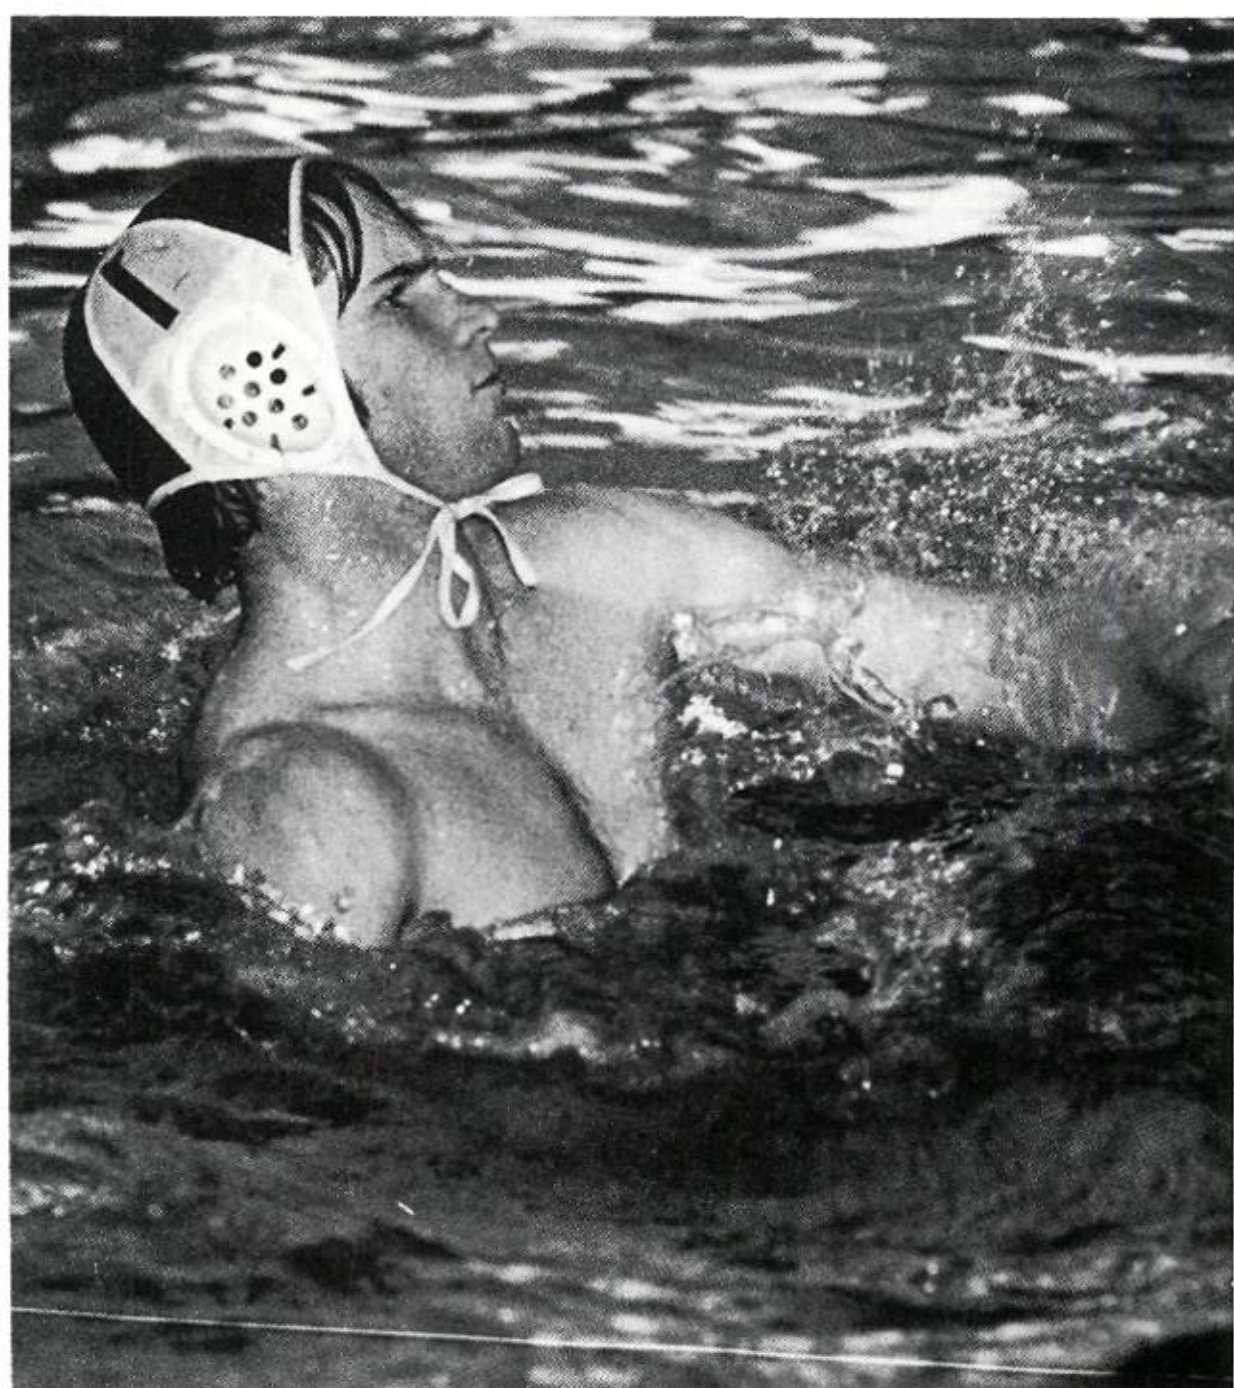

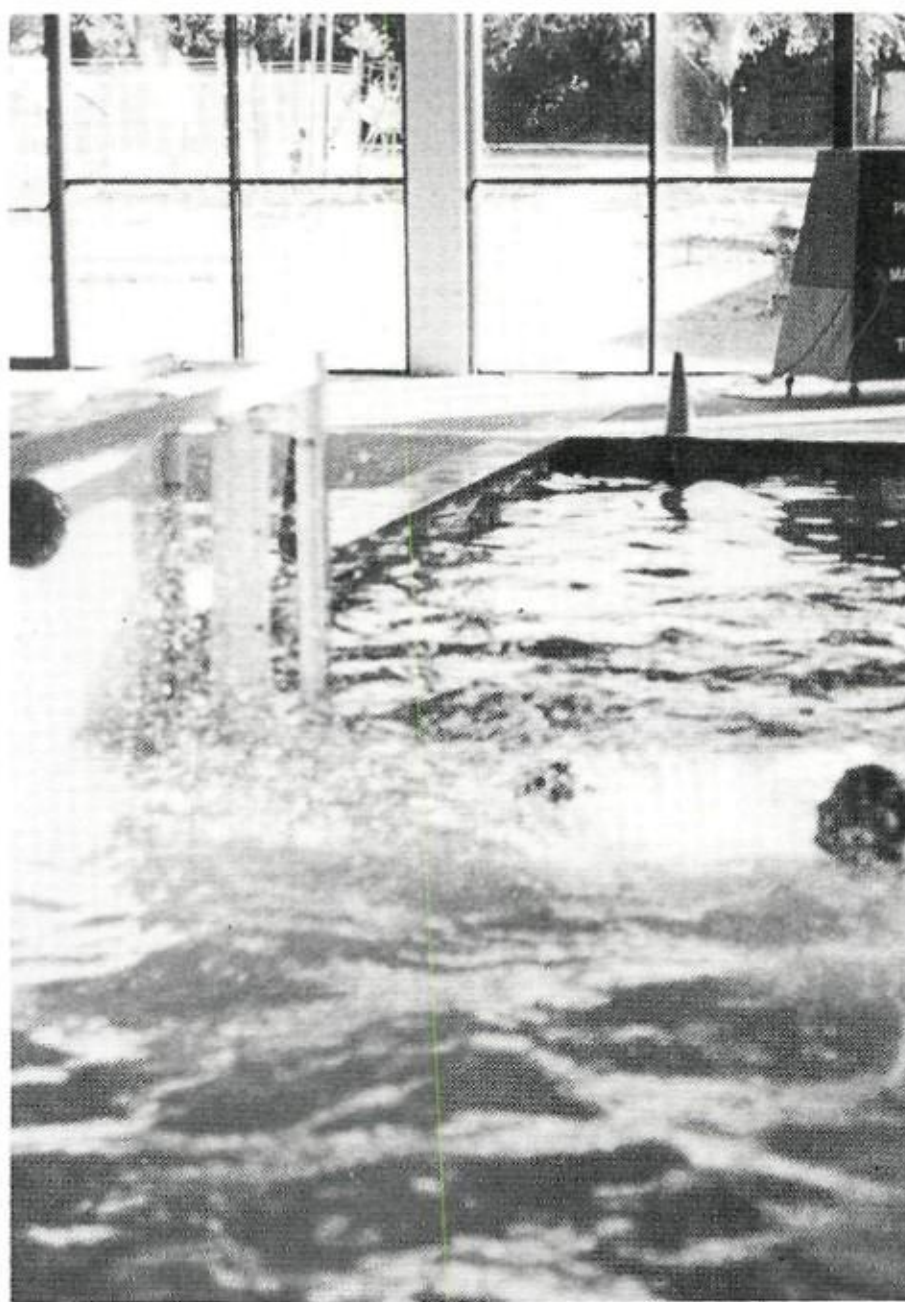

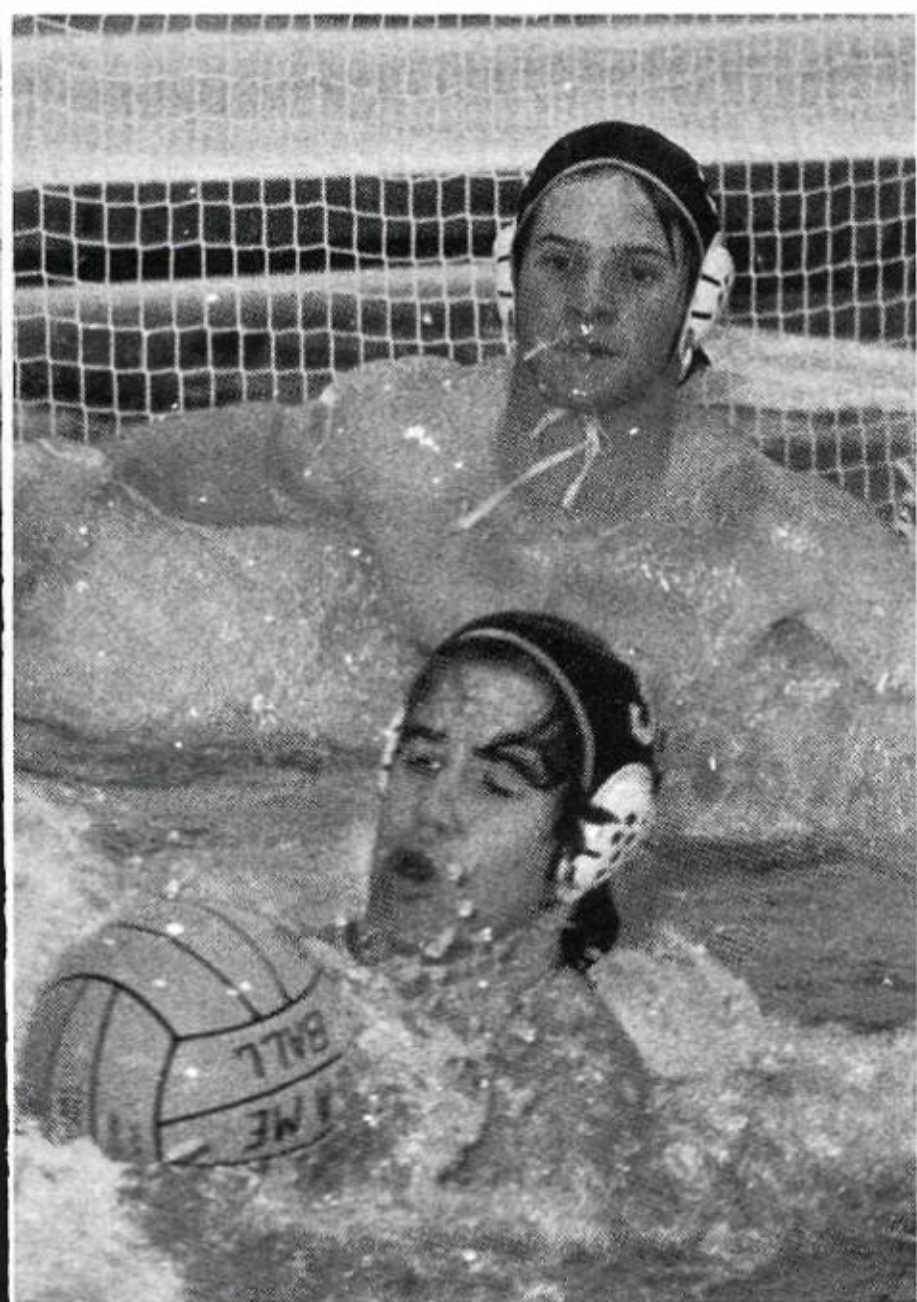

# Cross Country

1979 saw the St. Mark's Cross Country Team finish with another successful season. Though there were no members of the Senior class on the team, experienced Junior runners Frank Ford and Adrian Marengo-Rowe provided excellent leadership. Other significant contributions were made by David Upton, who was bothered by an injury, Sophomores Matt Hollon, Lee Jamieson, and Allen Fiuzat, and Freshmen Keith Guyett and Bobby Lett. The strong performances turned in by the team reflected the many hours of long, hard preparation. The coaching by Andrew Mailer, Curtis Smith, and Jim McInerny played an invaluable part in the team's success.

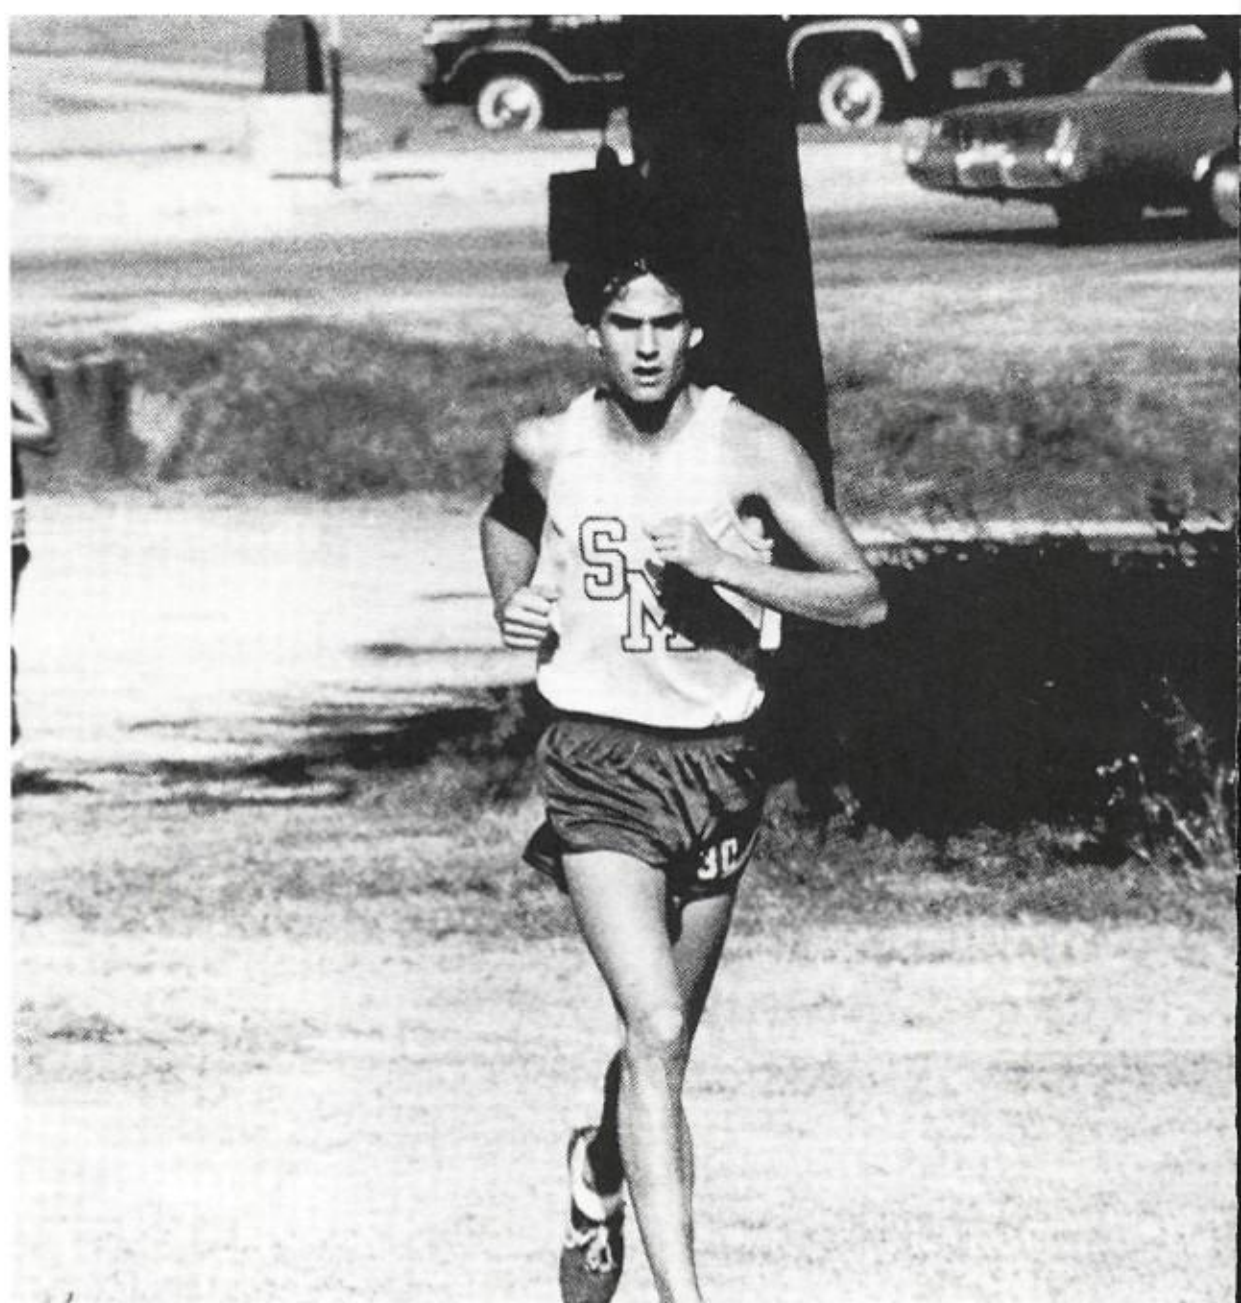

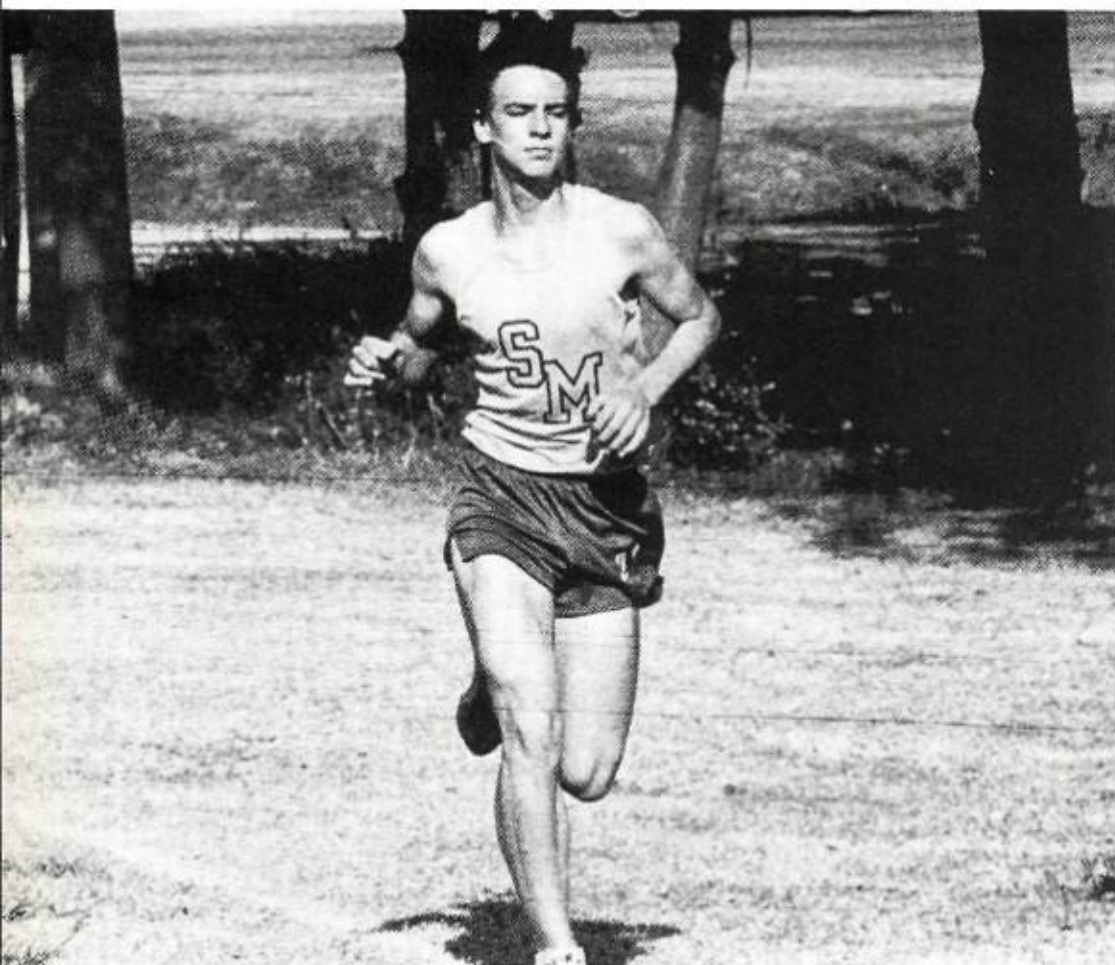

The Lions placed third at SPC but narrowly missed finishing second. Ford and Marengo-Rowe finished in the top ten and received all-SPC status. Upton and Lett received Honorable Mention for finishing in the top twenty. Ford, Marengo-Rowe, Fiuzat, Hollon and Guyett all qualified in the AAU Junior Olympics city meet for the Regional Championship, where Ford finished first and Marengo-Rowe third. Guyett and Fiuzat also finished in the top twelve, and all four runners qualified for the National Meet.

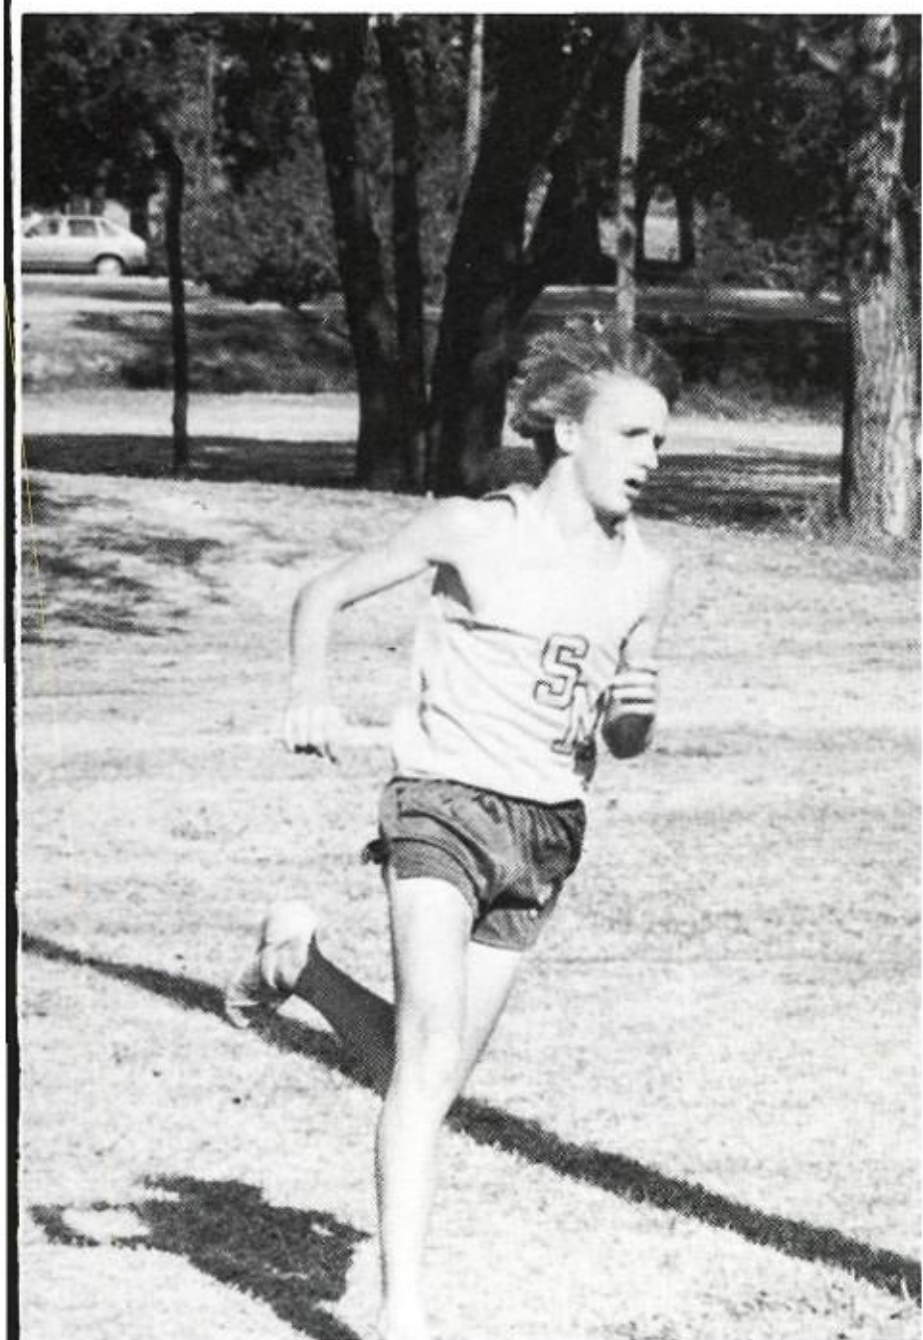

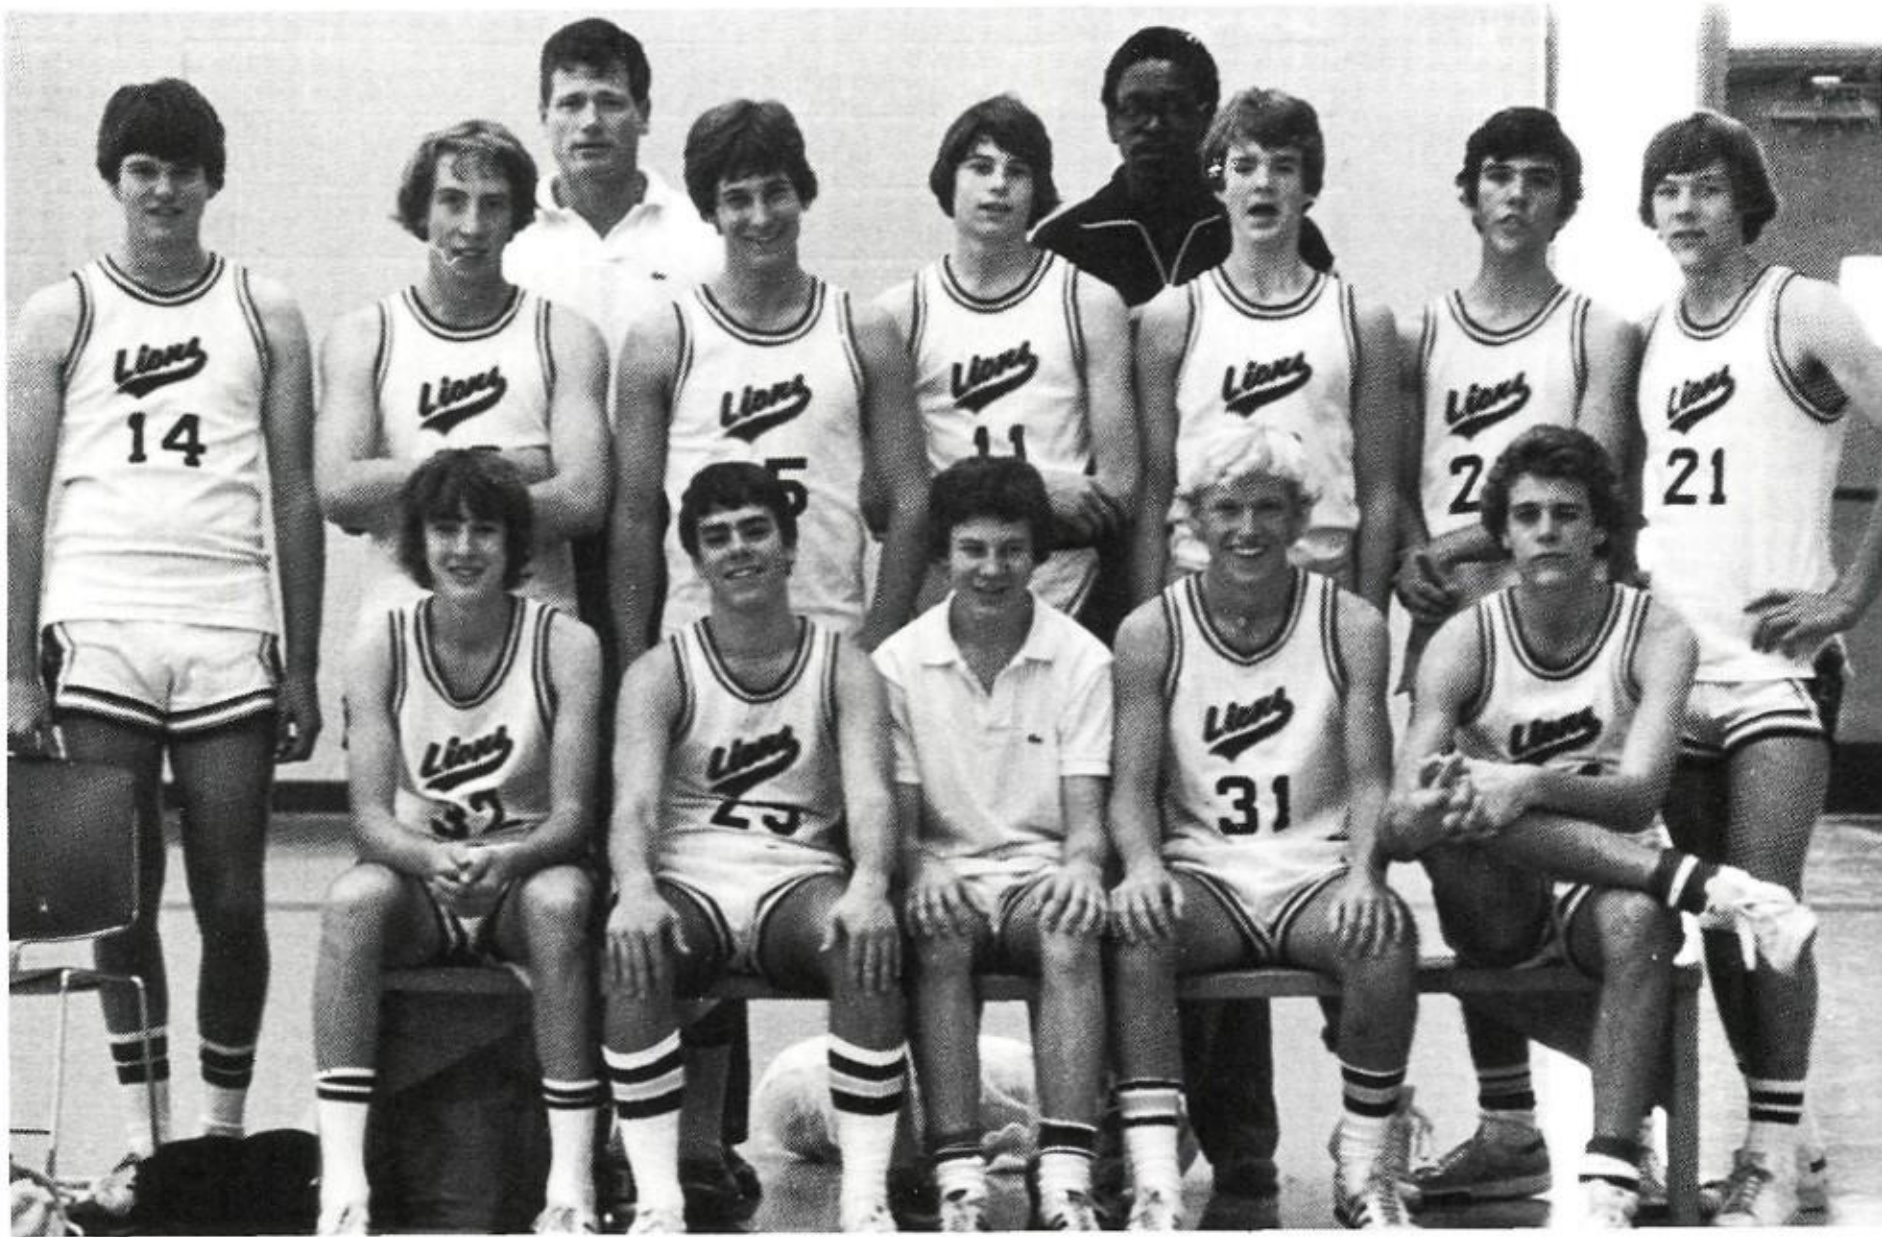

# Volleyball

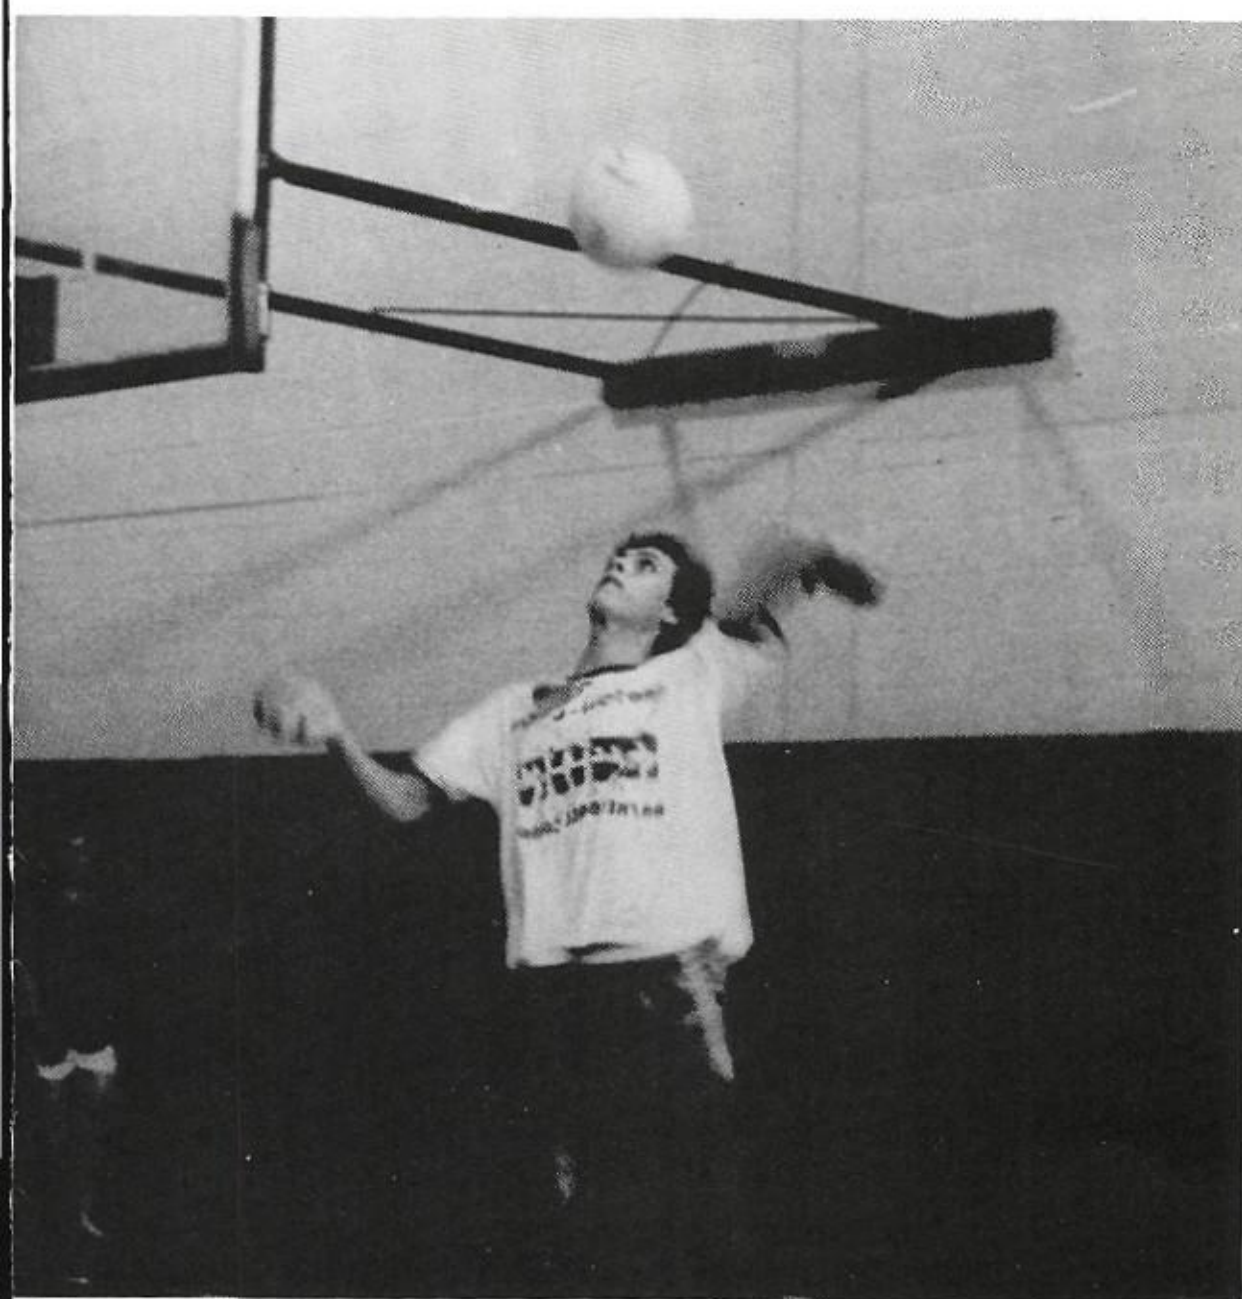

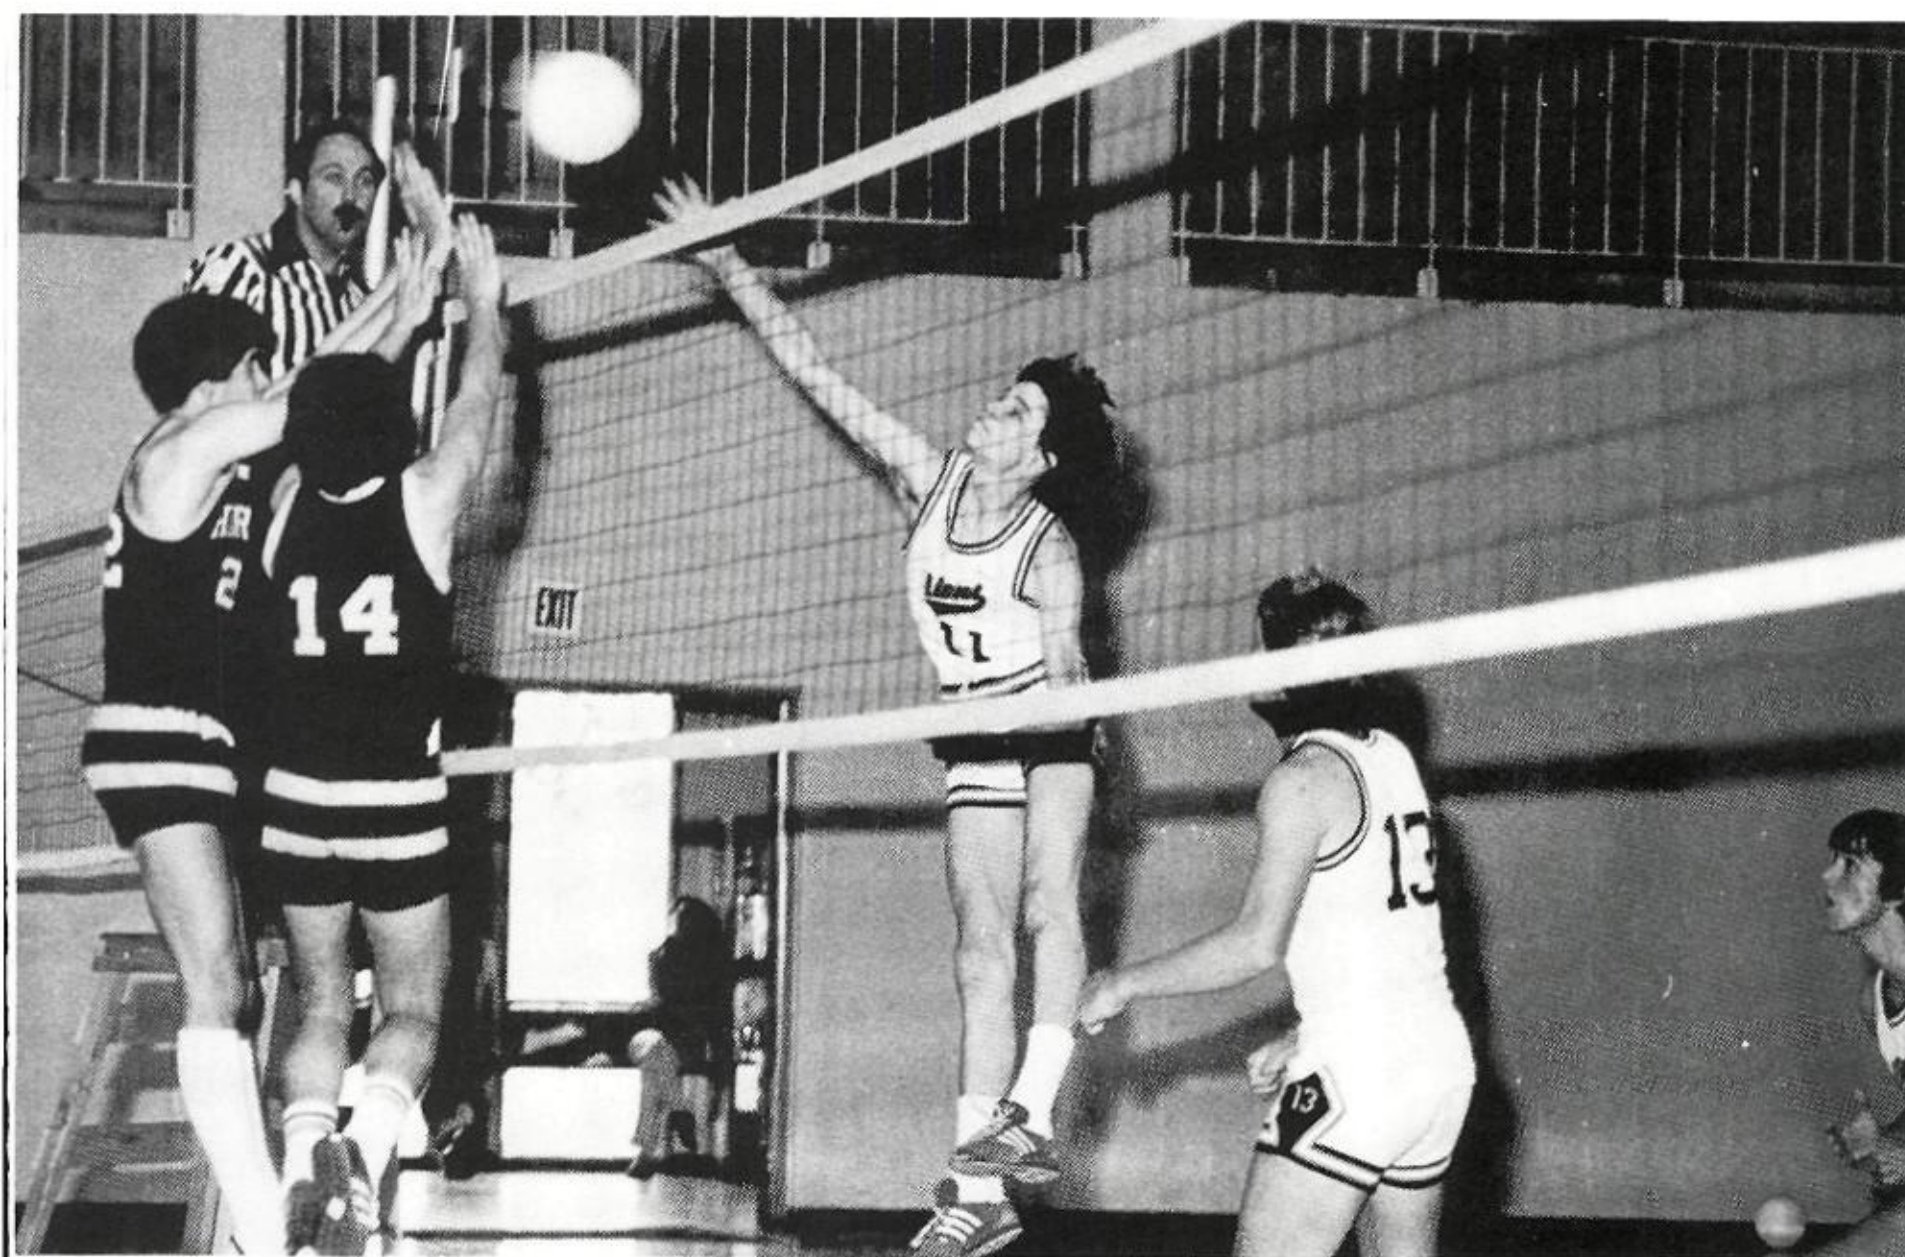

For the third consecutive season, the Volleyball Team captured the S.P.C. Championship, held this year at Greenhill. Led by senior co-captains Marc Hedrick and David Mullins, the team compiled a perfect 8-0 record and won all three of its tournaments. Under the direction of first year Head Coach Herman Card and assistant coach Tom Adams, the team had its best year ever.

At the conference championship, St. Mark's defeated both Greenhill and Casady twice. Down 11-0 to Greenhill in the final game of the tournament, the Lions rallied to win the game, 16-14, and clinch the title.

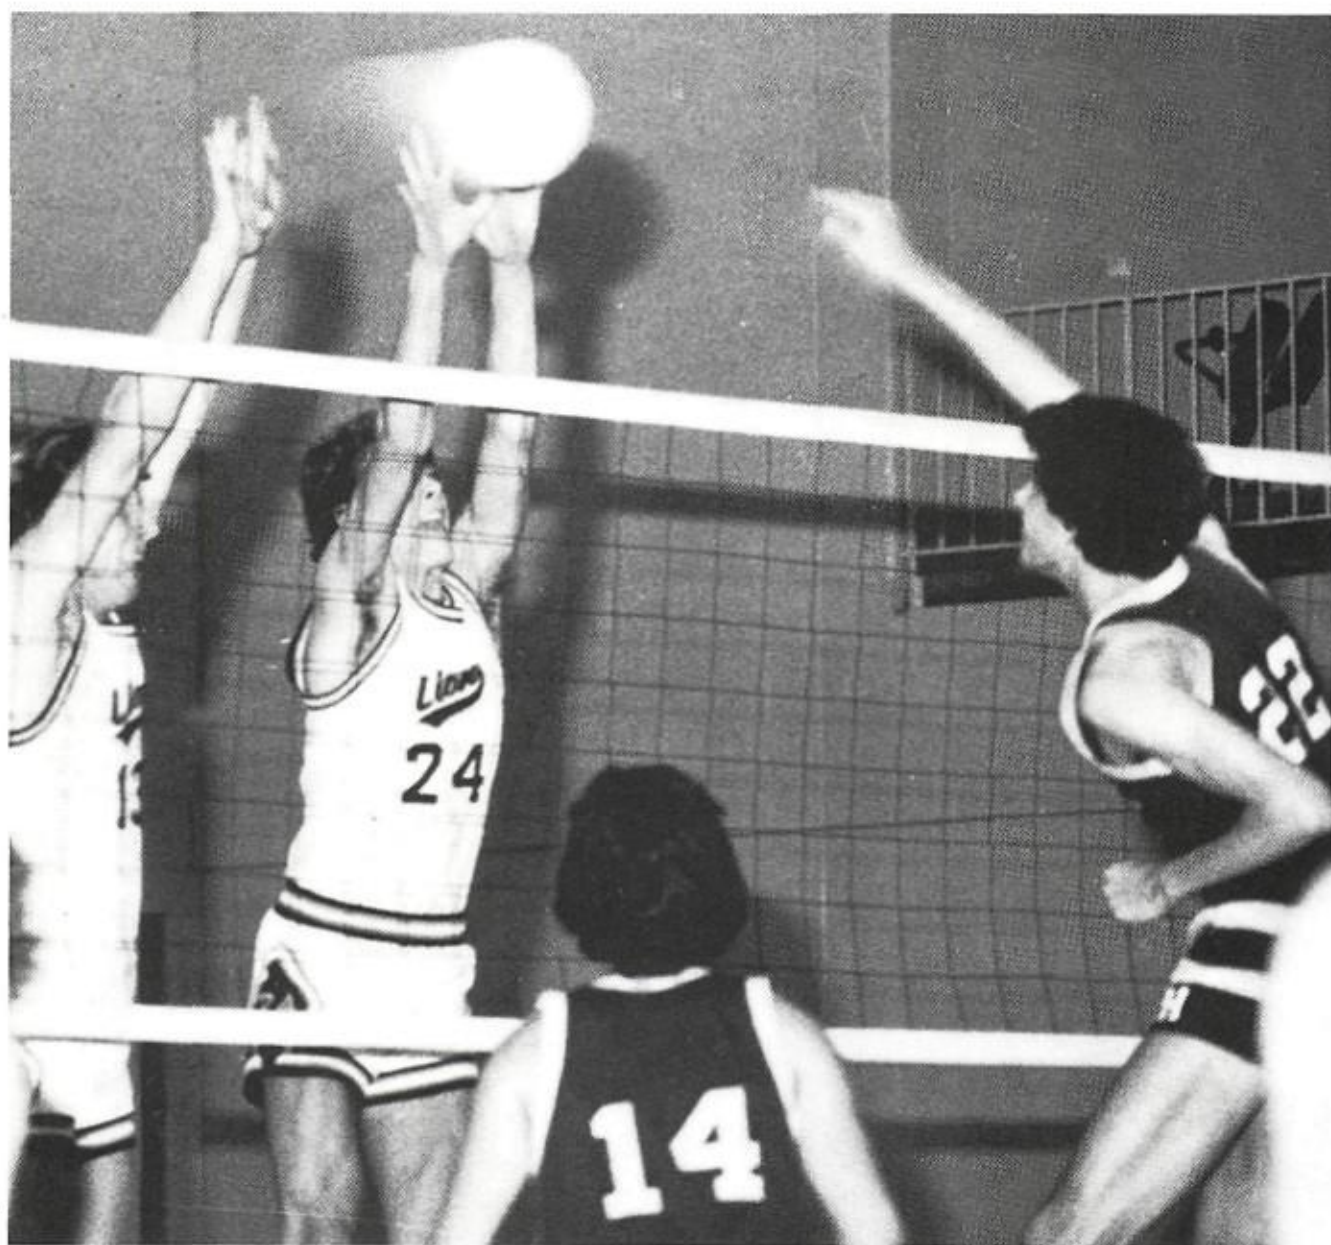

Marc Hedrick, Eric Lombardi, and David Mullins were named to the All-Conference team. Other Lion standouts included Chris Hudson, Lance Lang, Tom Loose, and Rick Waechter.

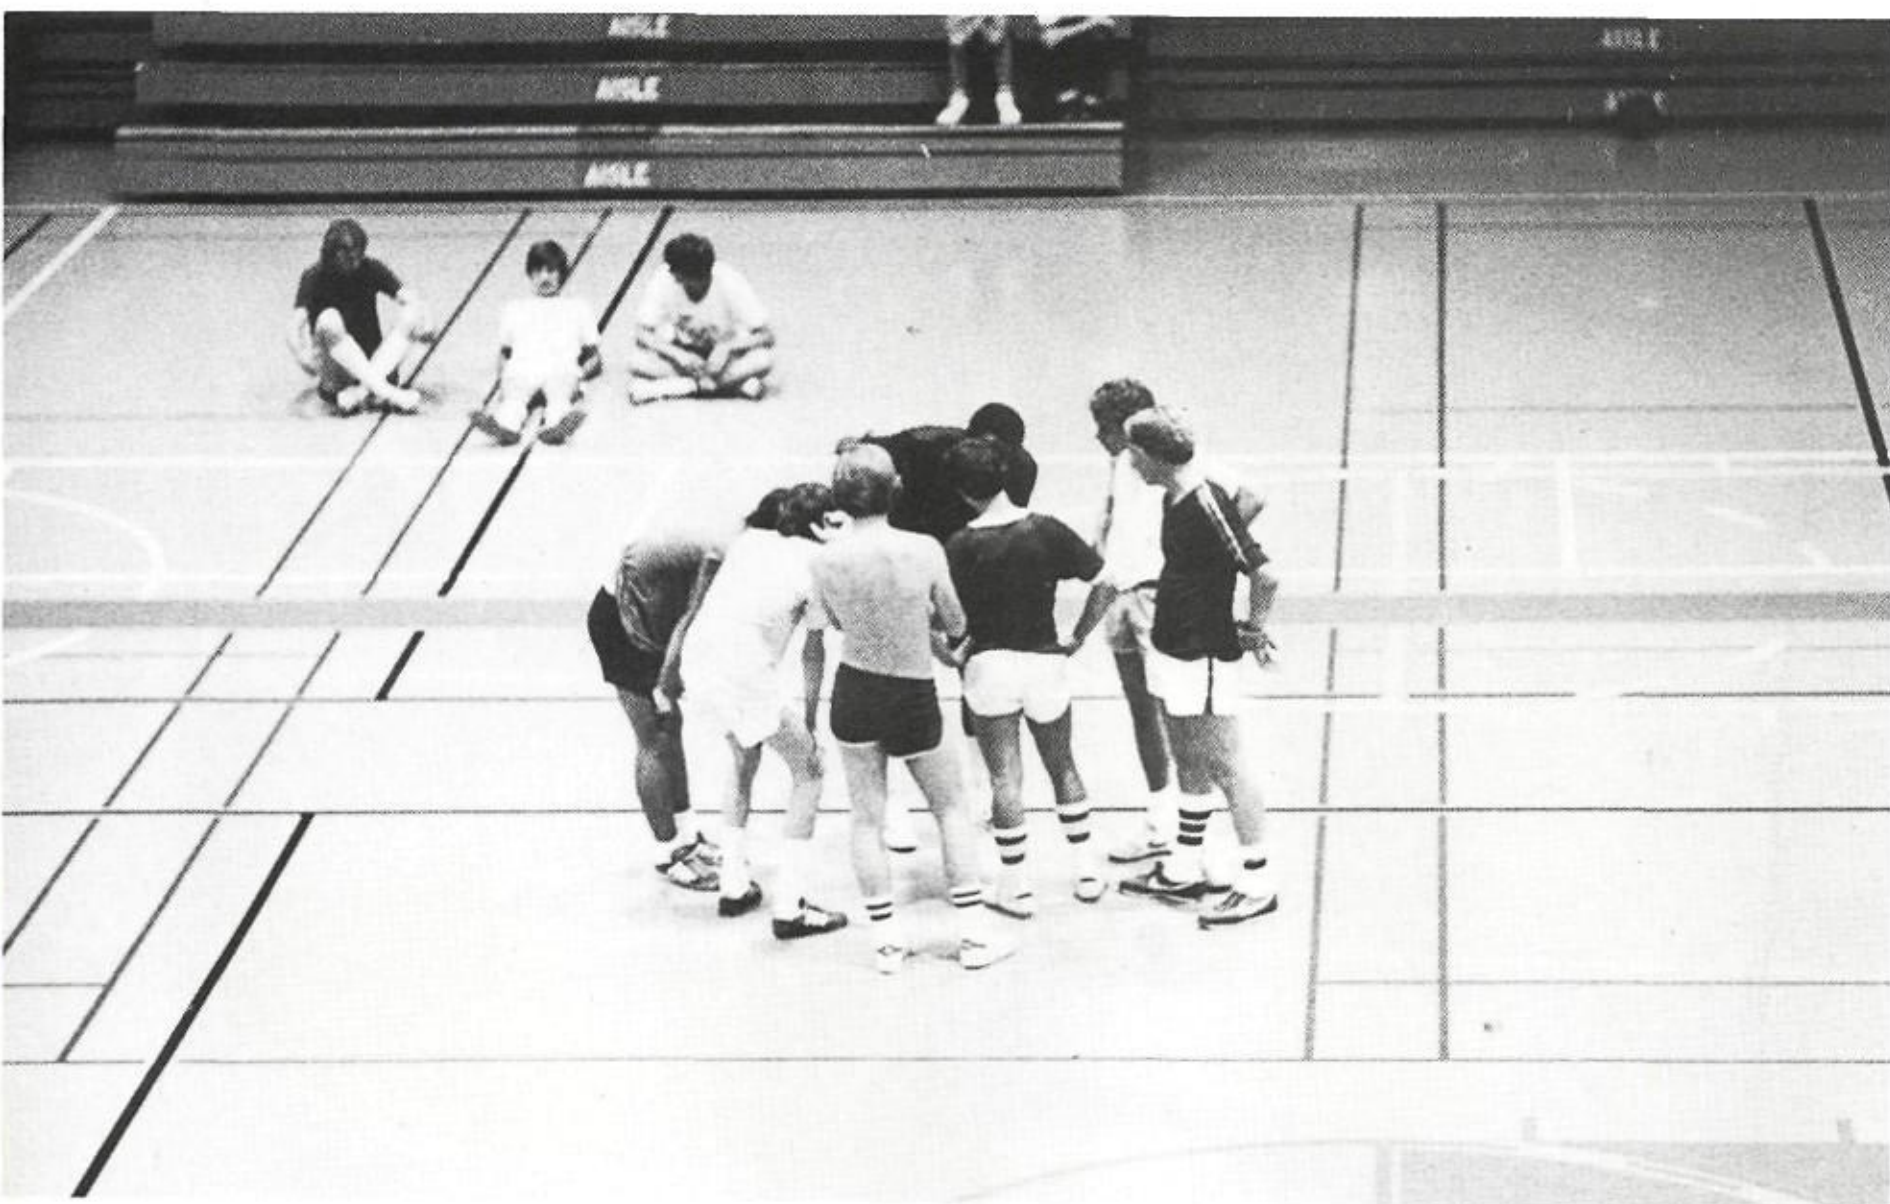

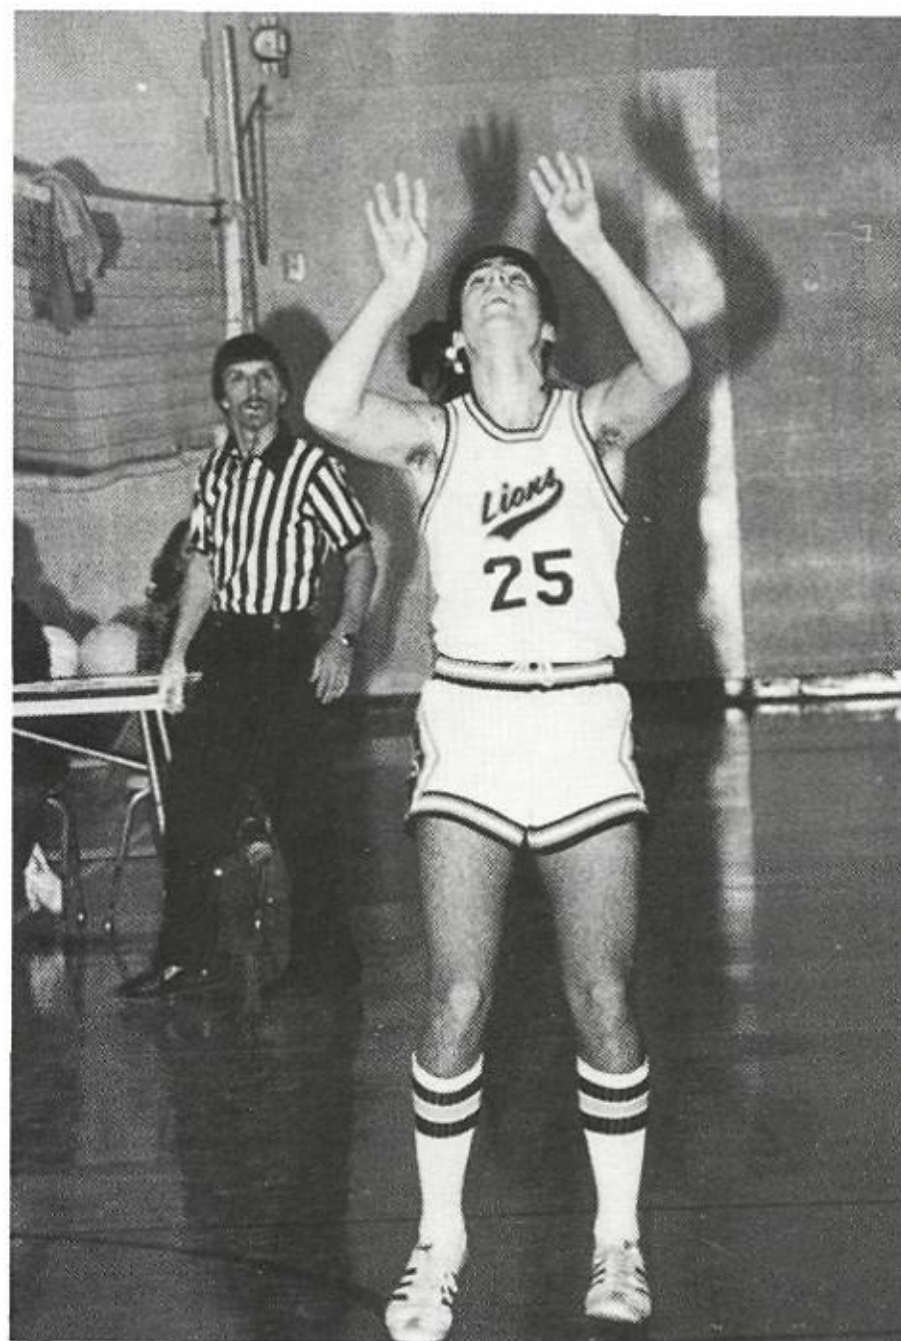

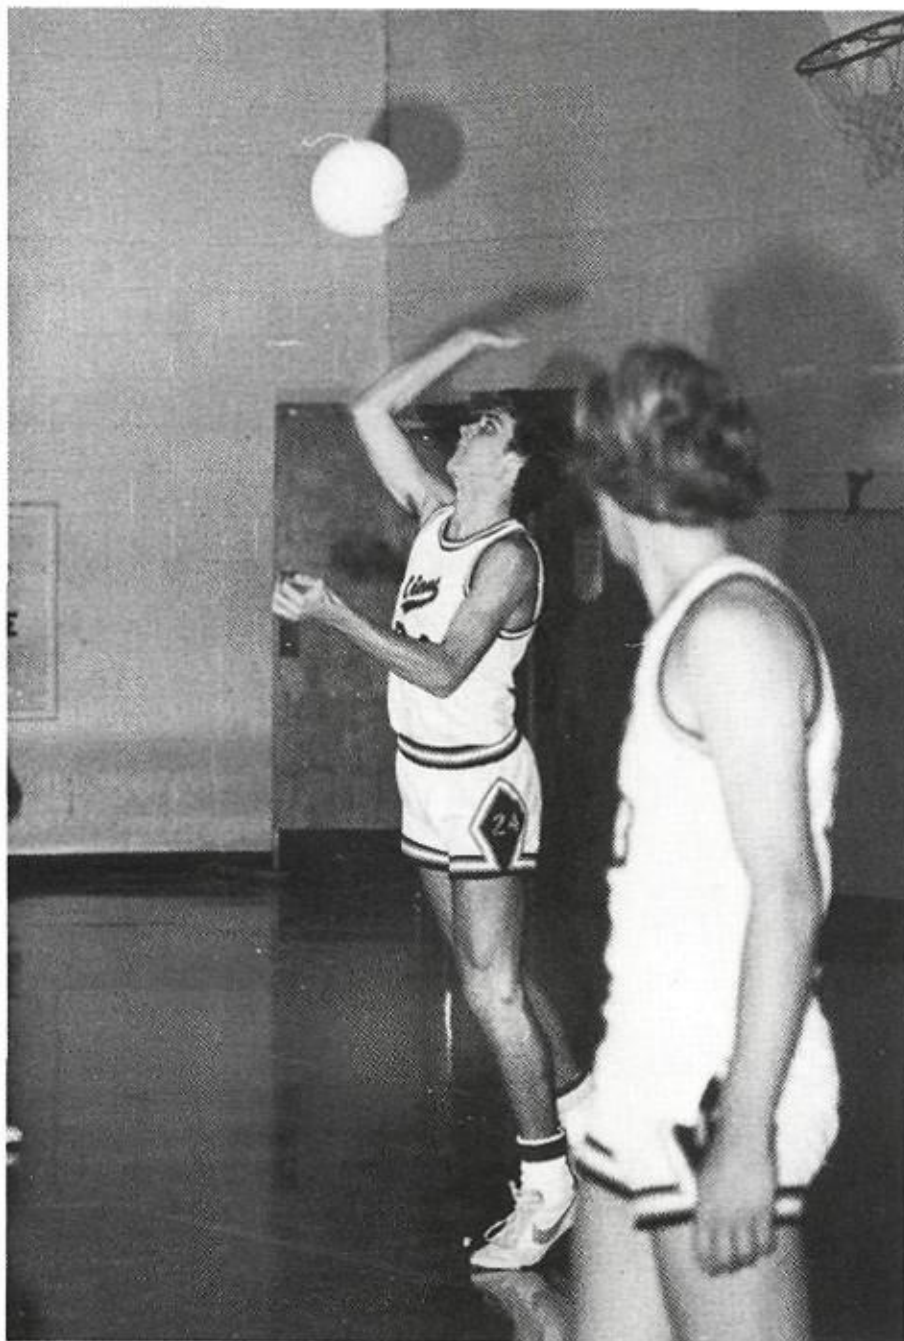

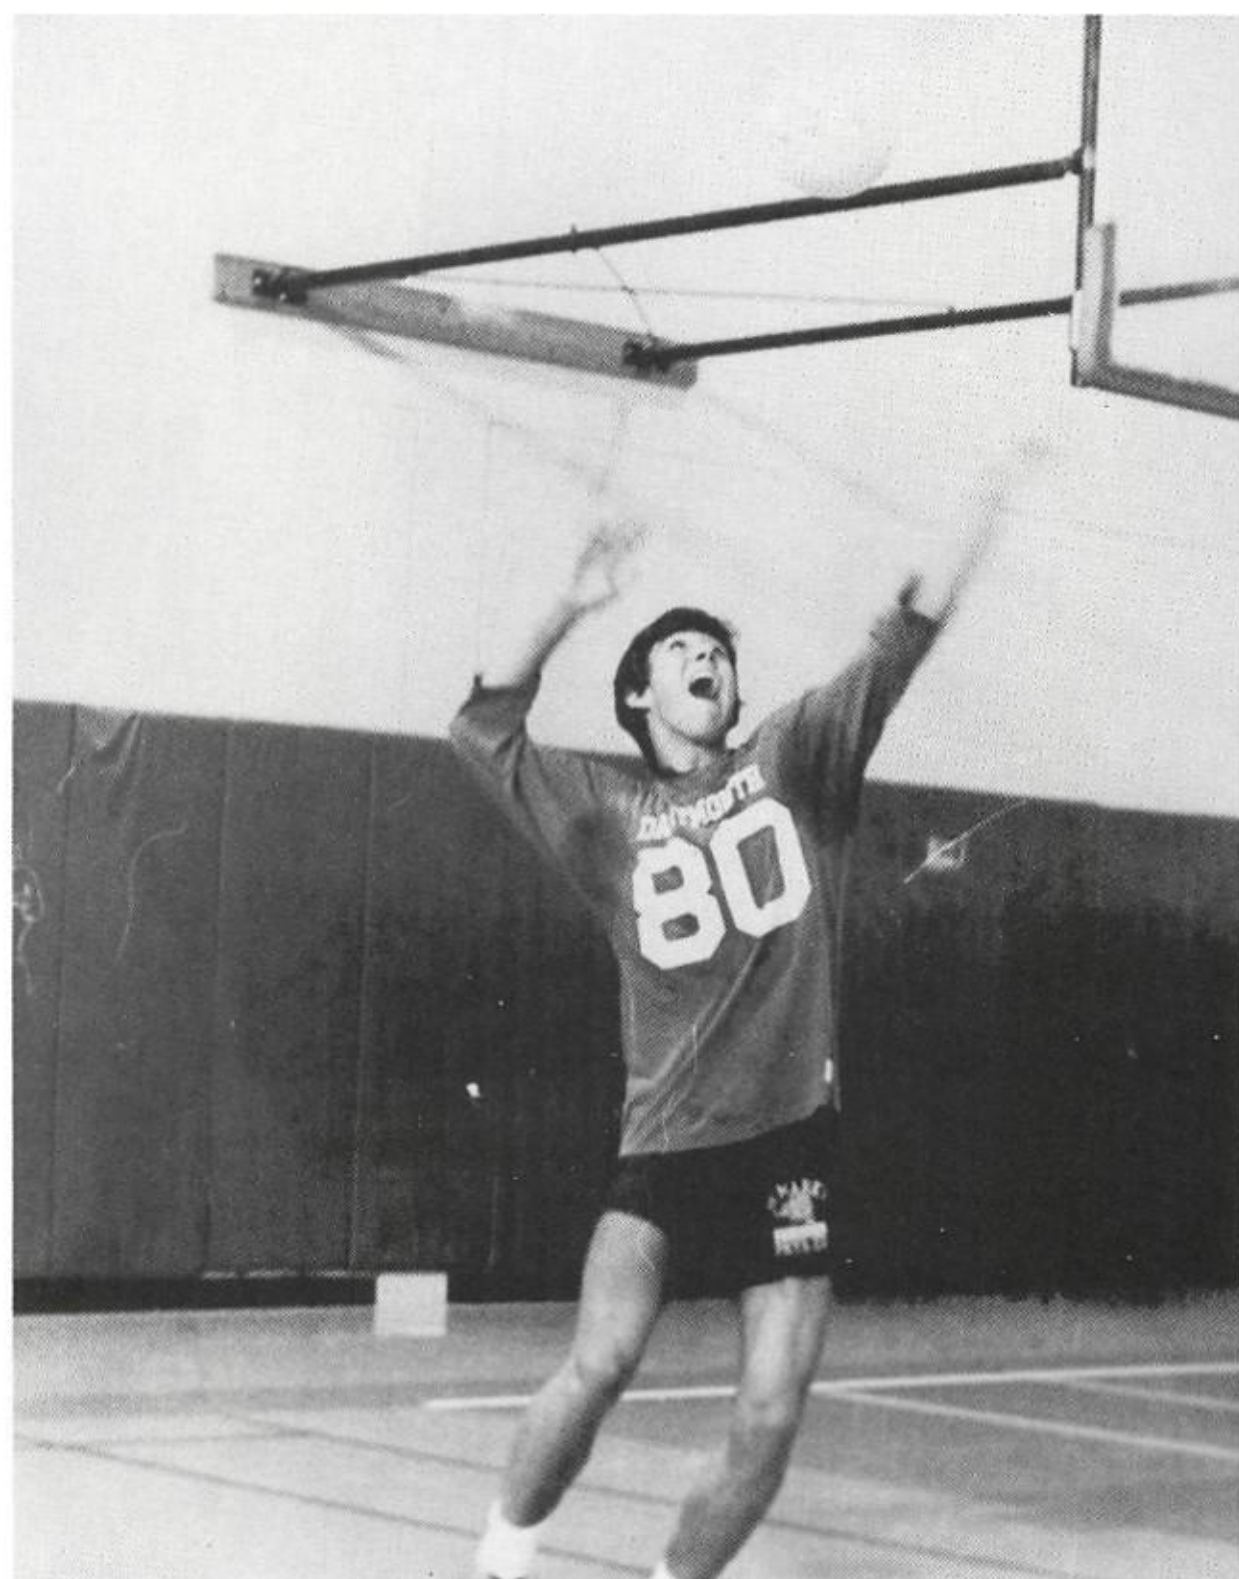

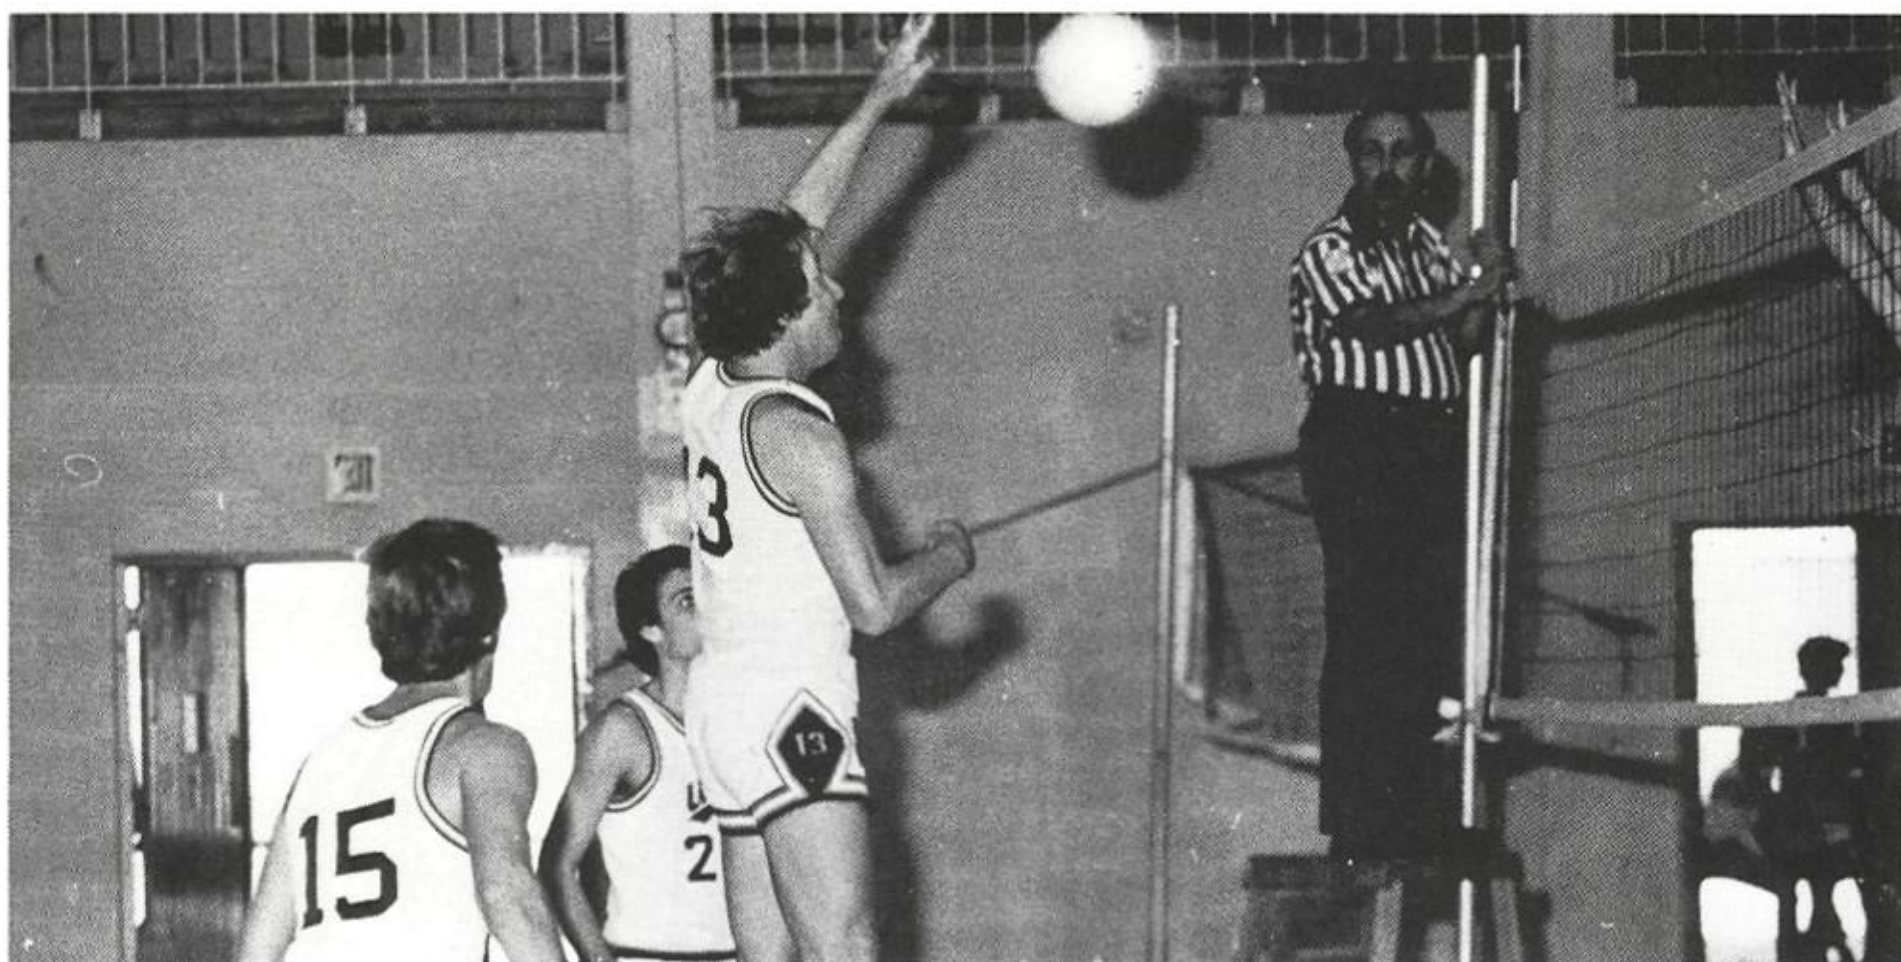

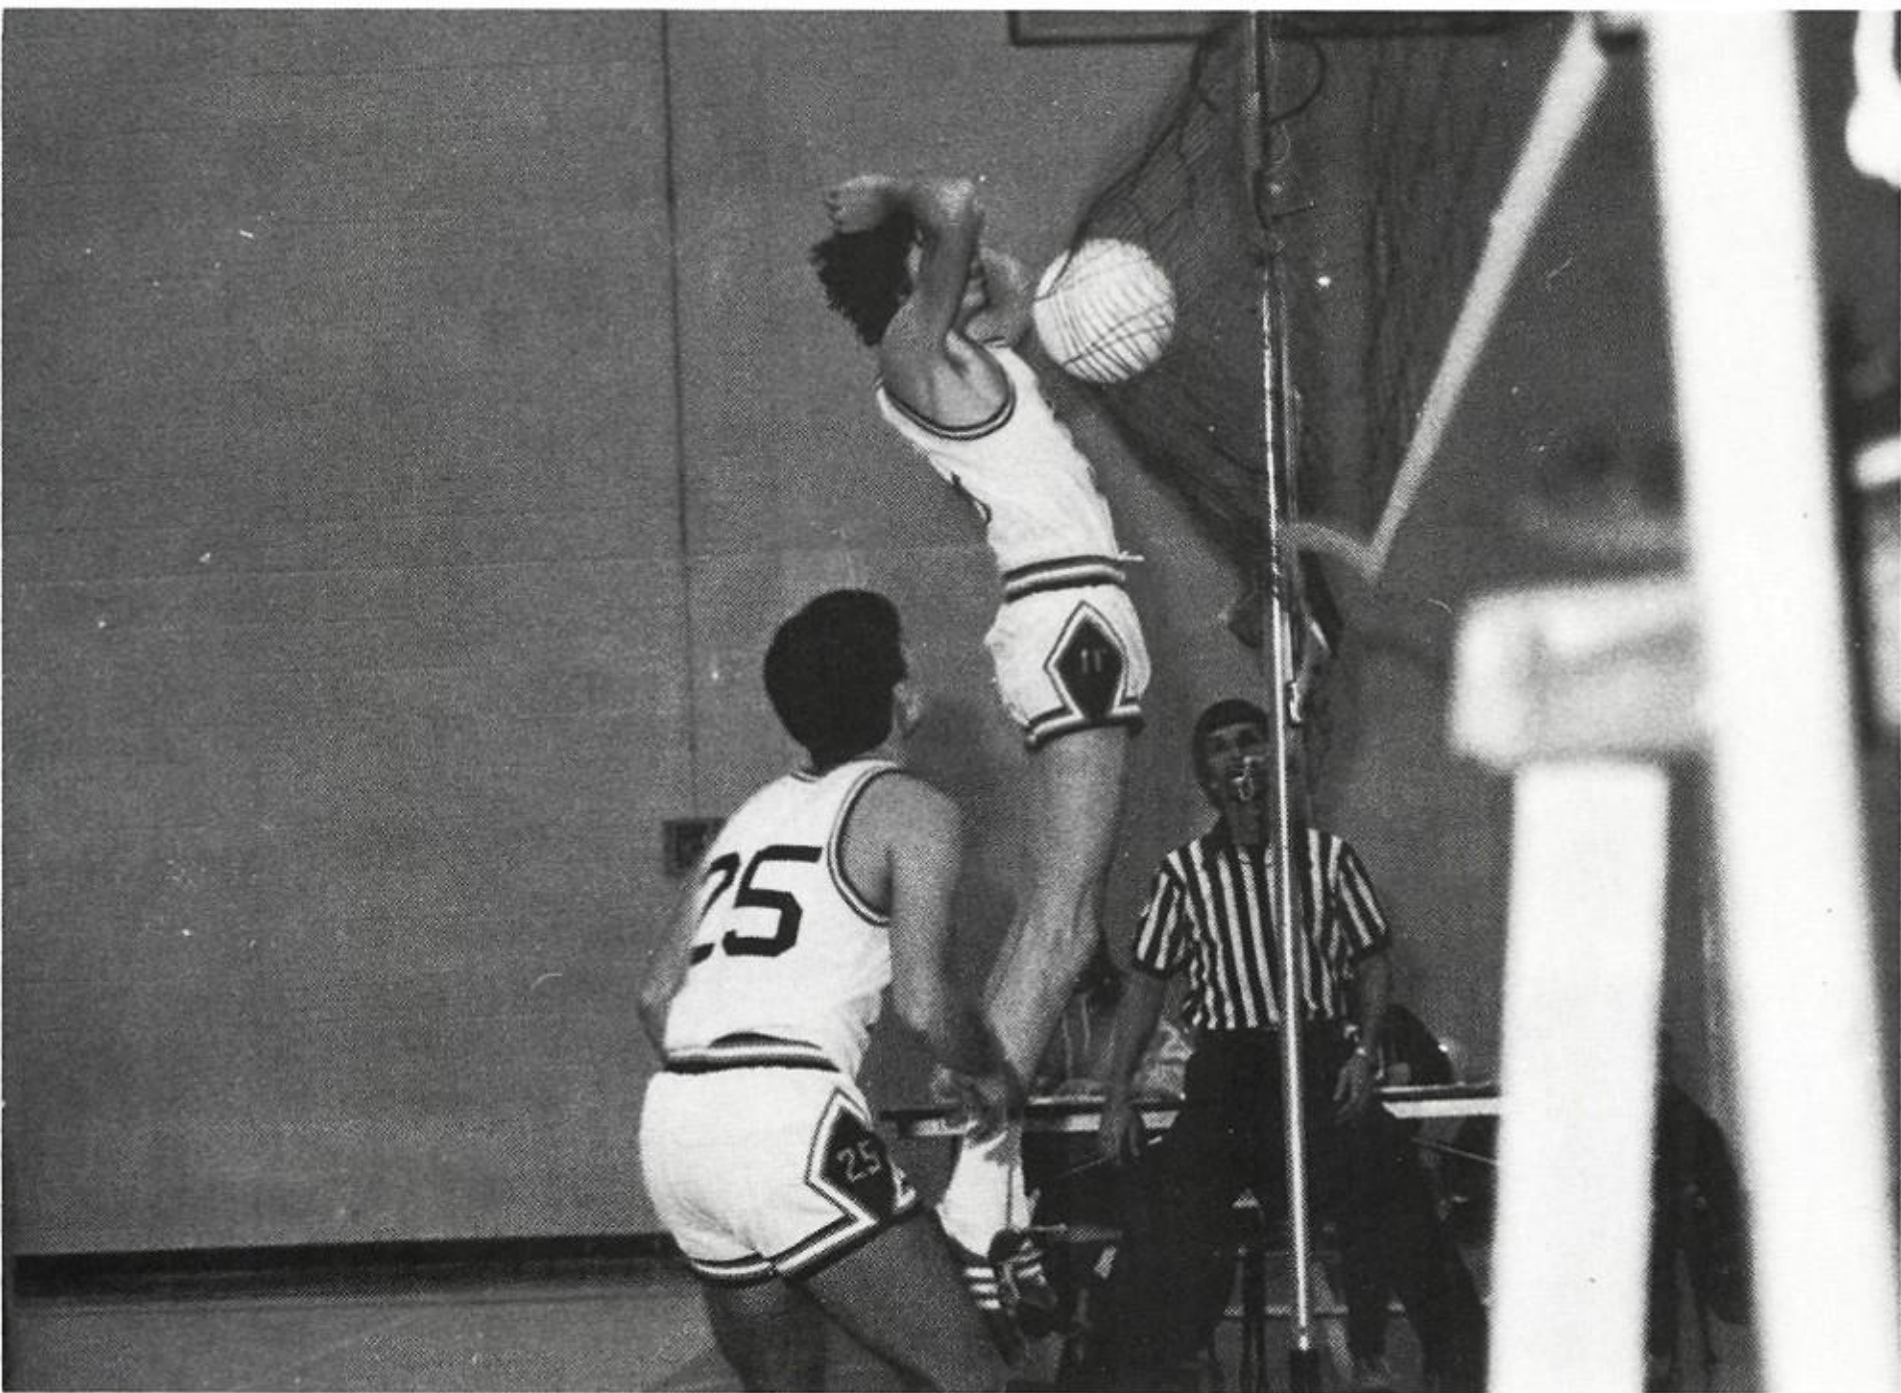

# Basketball

The 1979-80 basketball team, after a slow start, ended its season with a seven game winning streak compiling a 9-18 record. The Lions coached by Mr. Phil Bailey, in his first year at St. Mark's, were led by Tri-captains Marc Hedrick, Jeff Spears, and Daniel Chu.

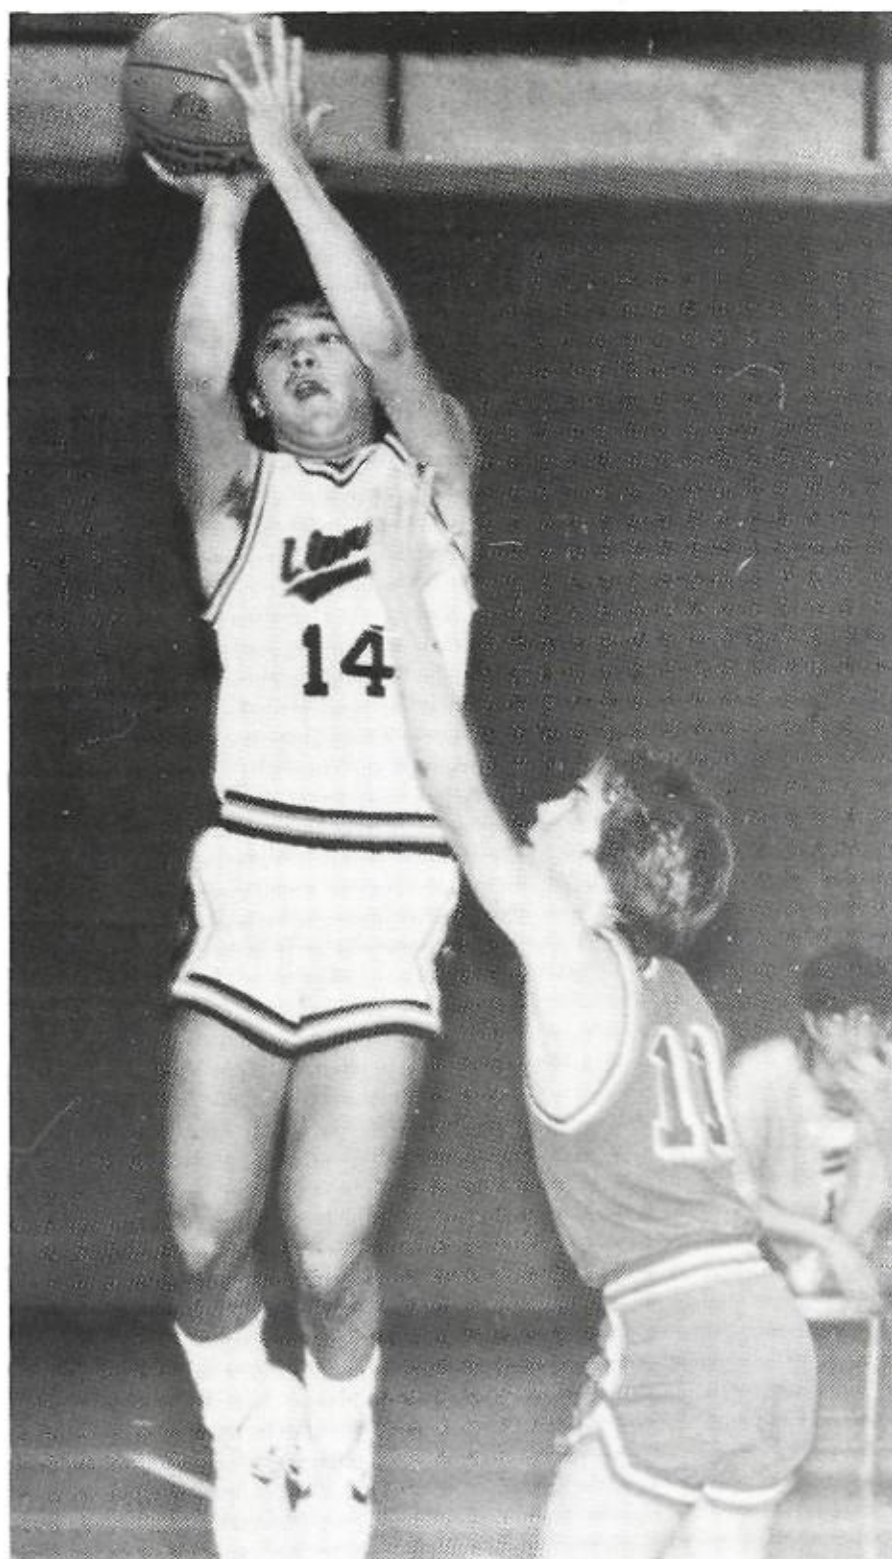

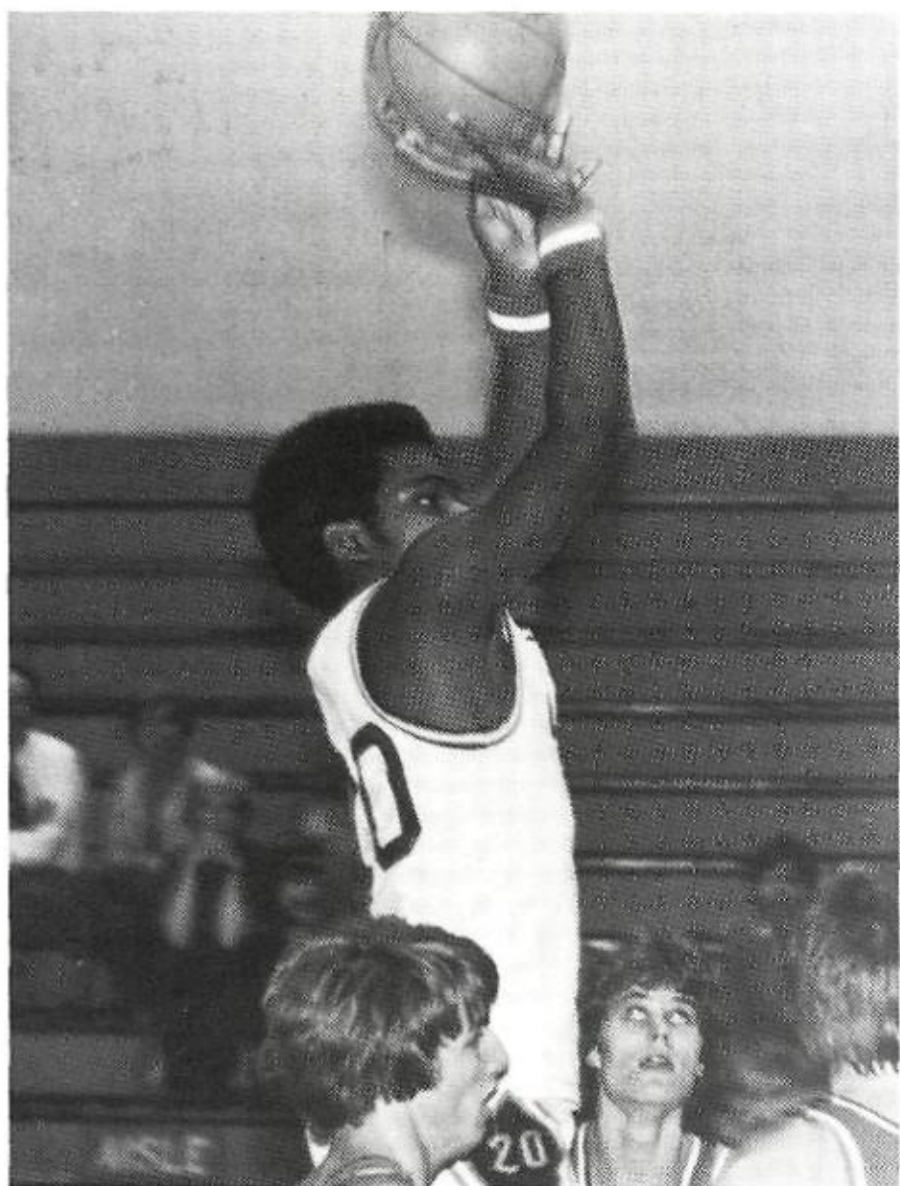

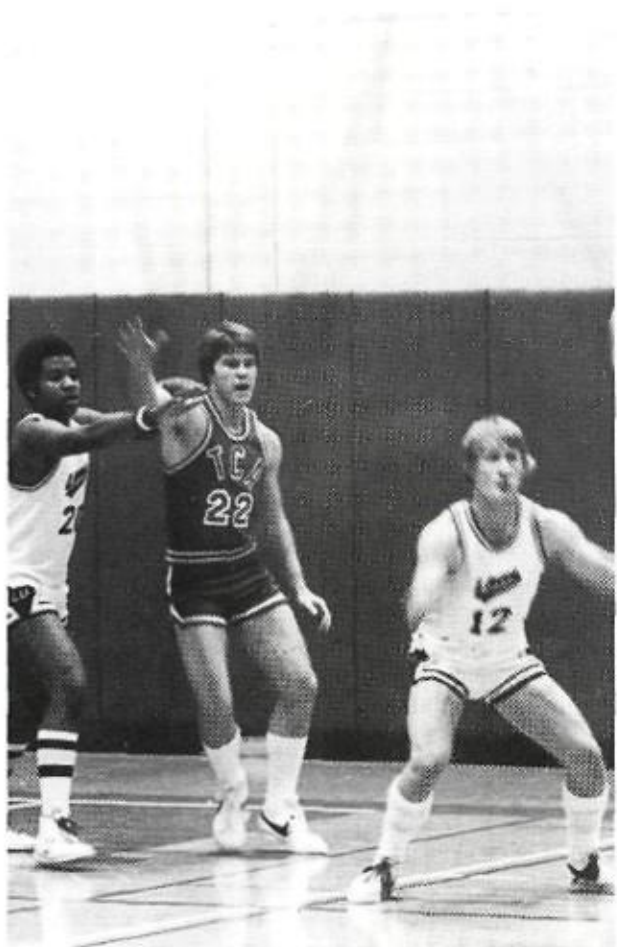

The Lions participated in only one tournament prior to S.P.C. play in which they defeated Sherman to capture fourth place at the Mikinney Tournament. Senior Marc Hedrick received All-Tournament honors.

The Lions completed their S.P.C. North Zone competition with a 2-3 record, and were forced to play in Division 2. St. Mark's then proceeded to destroy all South Zone competition in route to an undefeated 4-0 record against southern competition. The Lions finished with an overall S.P.C. record of 6-3 claiming the Division 2 Championship. Senior Marc Hedrick and Junior Daniel Chu received All-S.P.C. 2nd Team Honors.

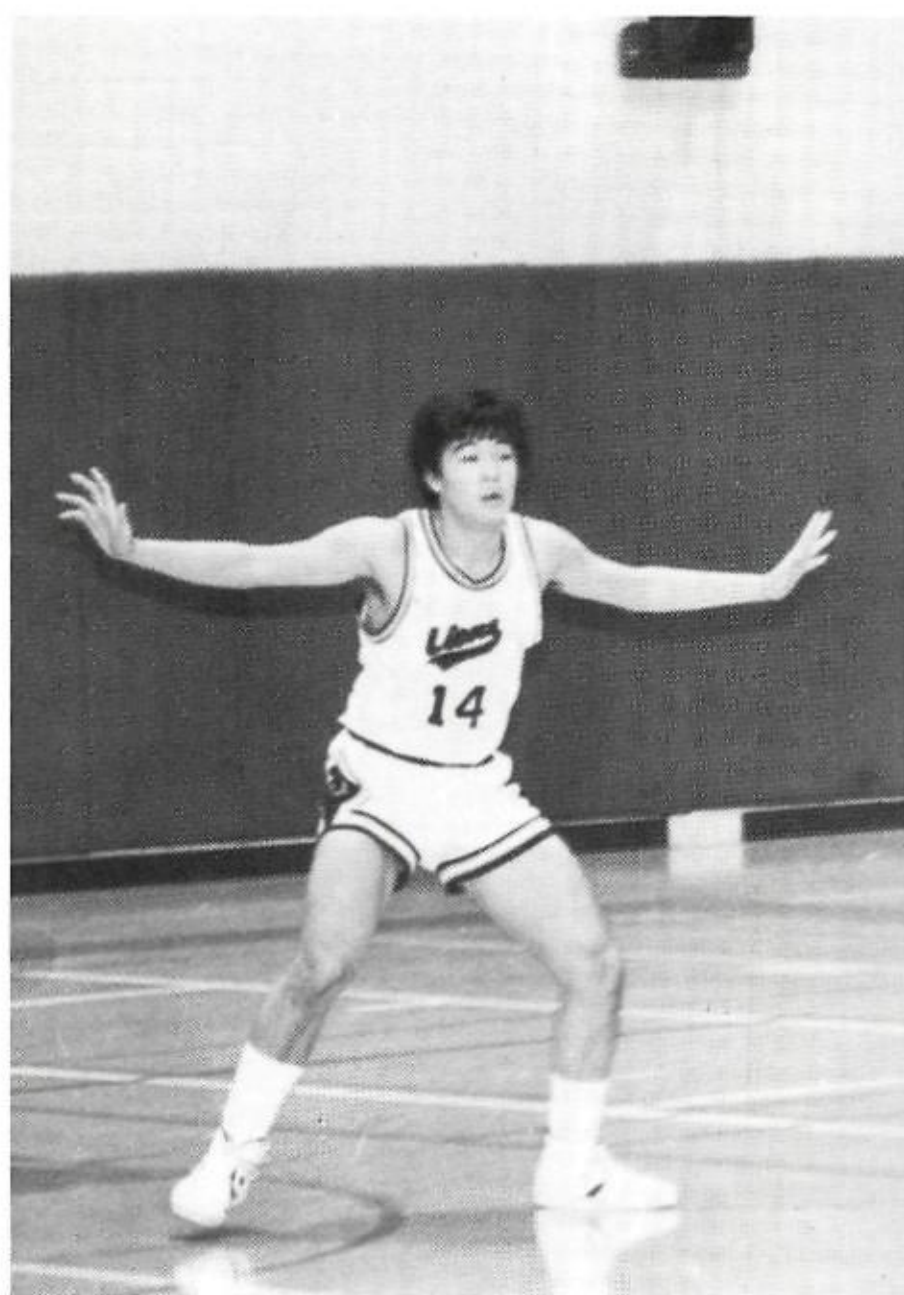

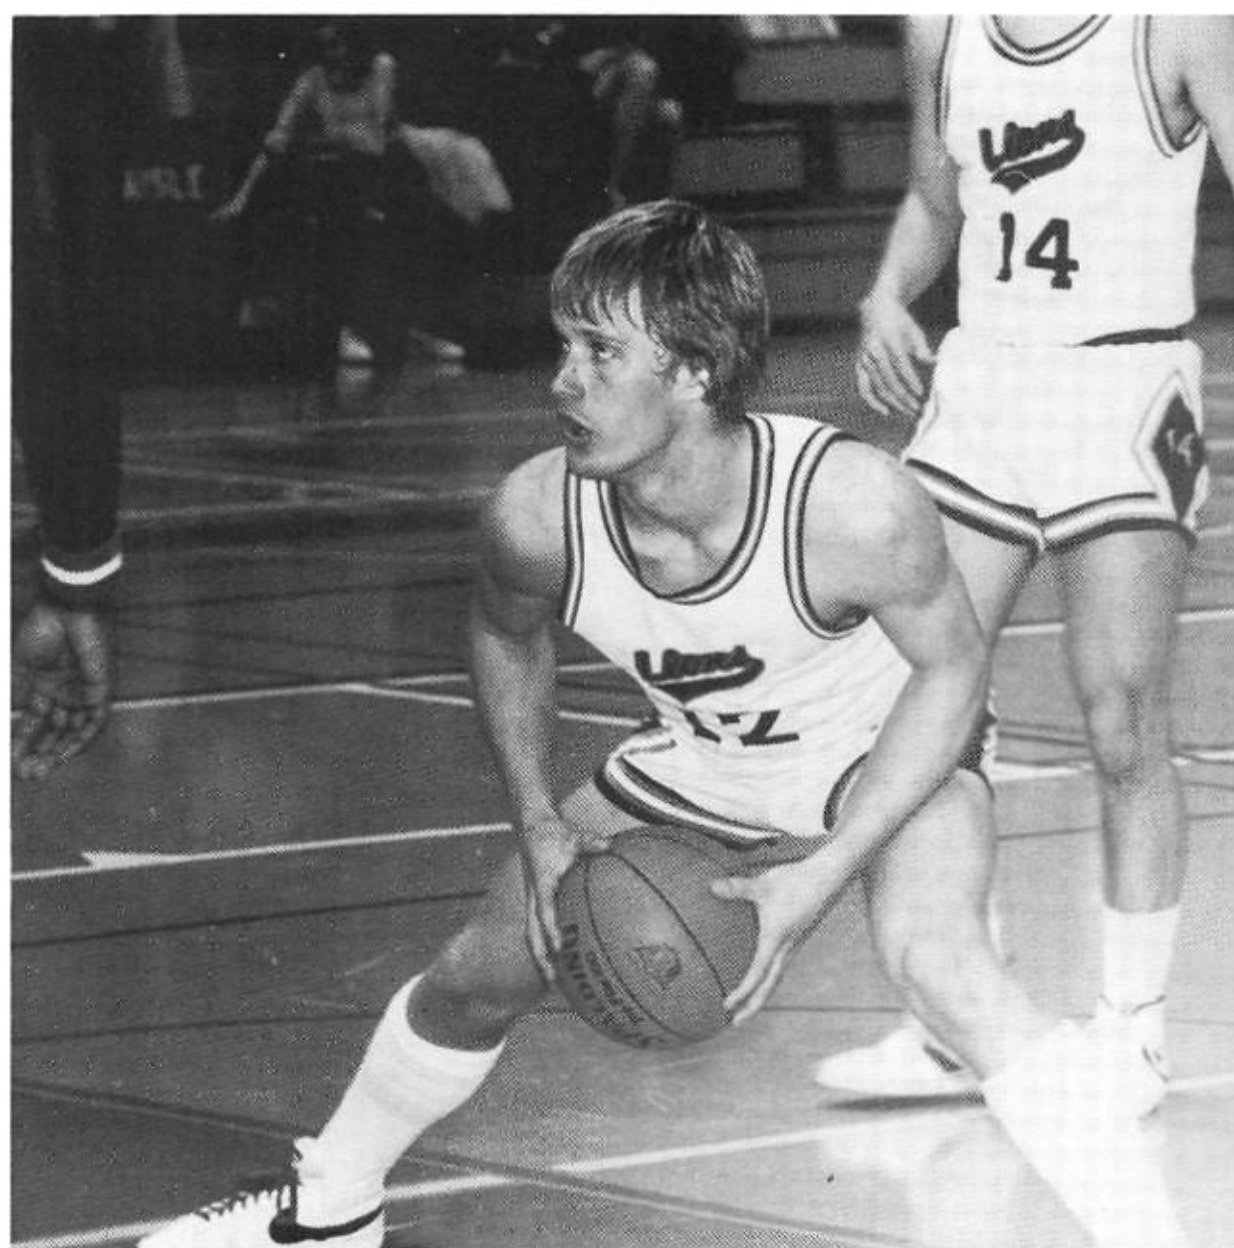

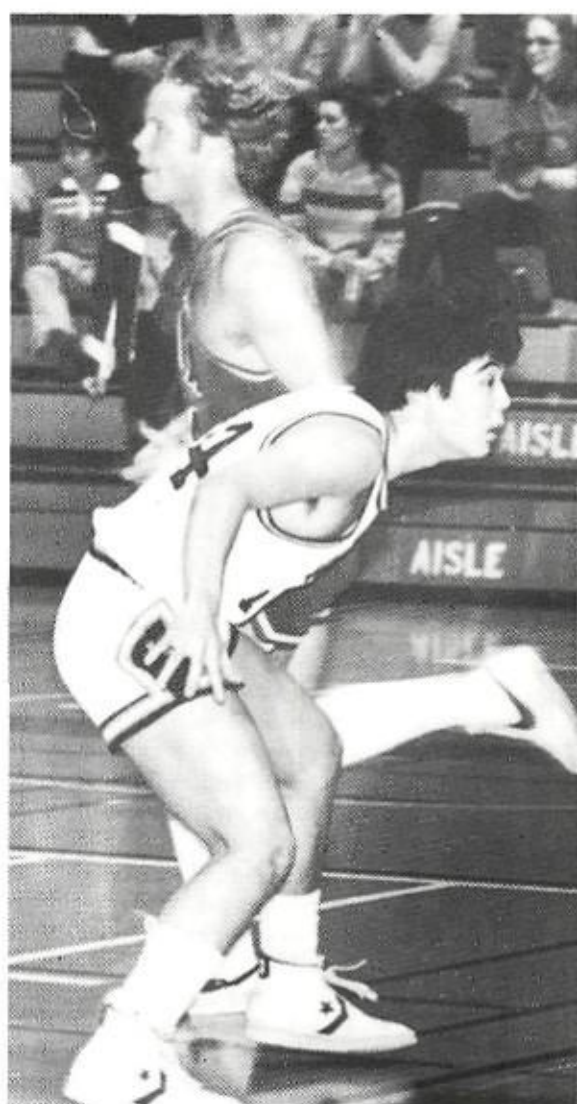

Other Solid performers for the Lions were Seniors Robert Keeler, Jon Sayah, Jeff Spears, Bob Jenevein, Mike Singer, Juniors Mark Fiedorek, Jeff Baldrige and Sophomores Keith Henson, Rafe Greenlee and Locke Urshel.

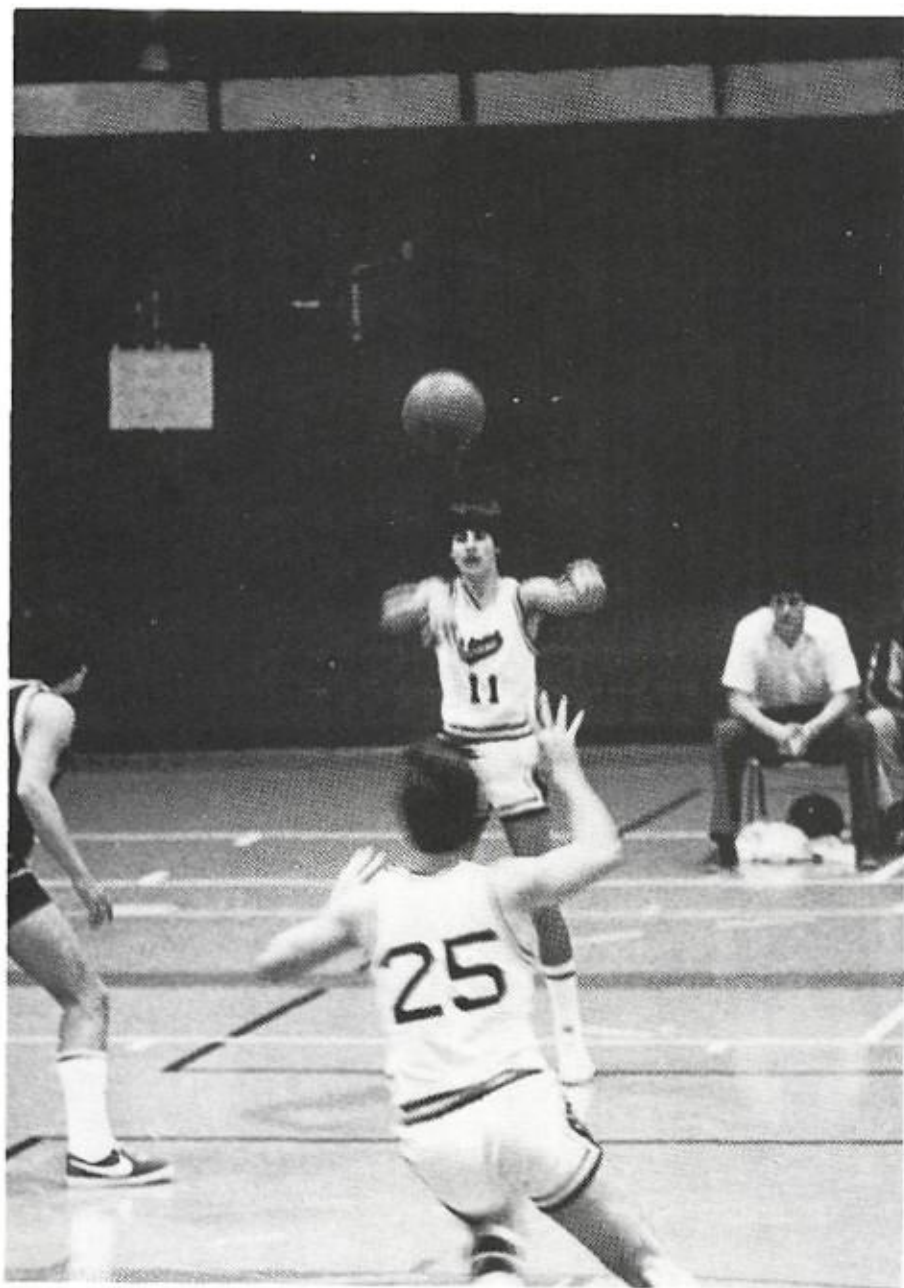

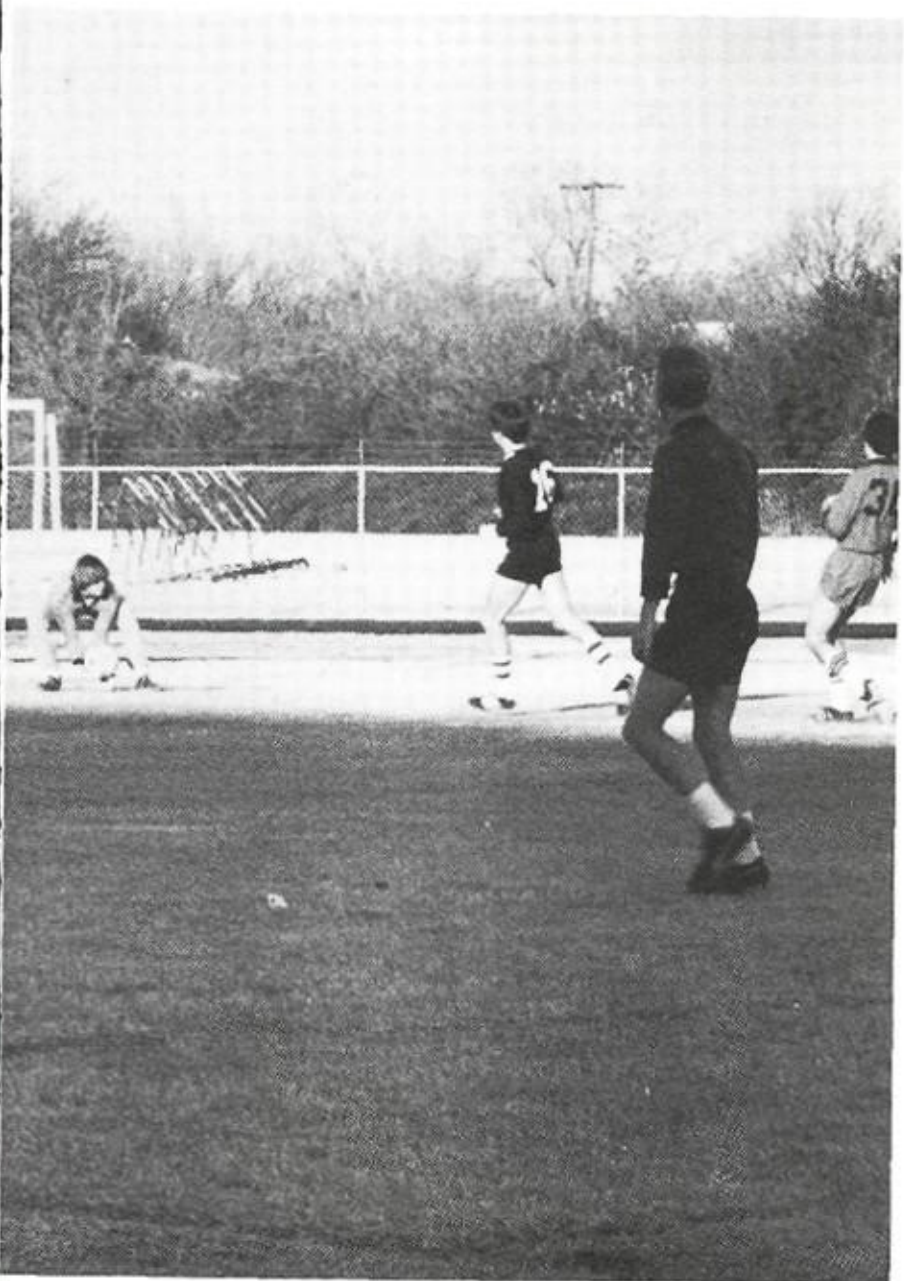

# Soccer

The 1979-80 Soccer Team had a tremendous season in which they compiled a 20-1-1 record. The Lion defense, led by Peter Lynch, David Toombs, Larry Roach, Derek Saunders, Charlie Martin, and co-captain goalie Russell Fojtasek, became the base of the team, registering a record seventeen shut-outs. The offense was led by co-captain Trey Cutler and David Upton, who each had twenty-five goals, accounting for 50 of the Lions' record-breaking 82 goals. The regular season was highlighted by the contests with arch-rival Jesuit. At their first meeting, the Lions defeated Jesuit 3-1. The second game was won by Jesuit 3-1, but in the Lions' final home game, they gained revenge by trouncing the Rangers 4-1.

Coaches Juan Egues, Herb Meyer, and assistant Susan Palmer then led the Lion team into SPC competition. St. Mark's soundly defeated all SPC opponents including a 5-0 victory over St. John's in the final game of the season. The Lions finished SPC play with a perfect 7-0 record and were unscored upon by any SPC team.

# Swimming

This year, the St. Mark's Swim Team, under the leadership of coaches Ken Merten and John Stutsman and senior captain Keith Kadesky, continued to display prowess in competition and quality swimming. Even with this year's small squad, St. Mark's remained as one of the area's finest teams, placing fifth in the TISCA North Zone Meet, taking second in the Dallas Mid-Cities Invitational, and completing the season with a 5-4 dual record.

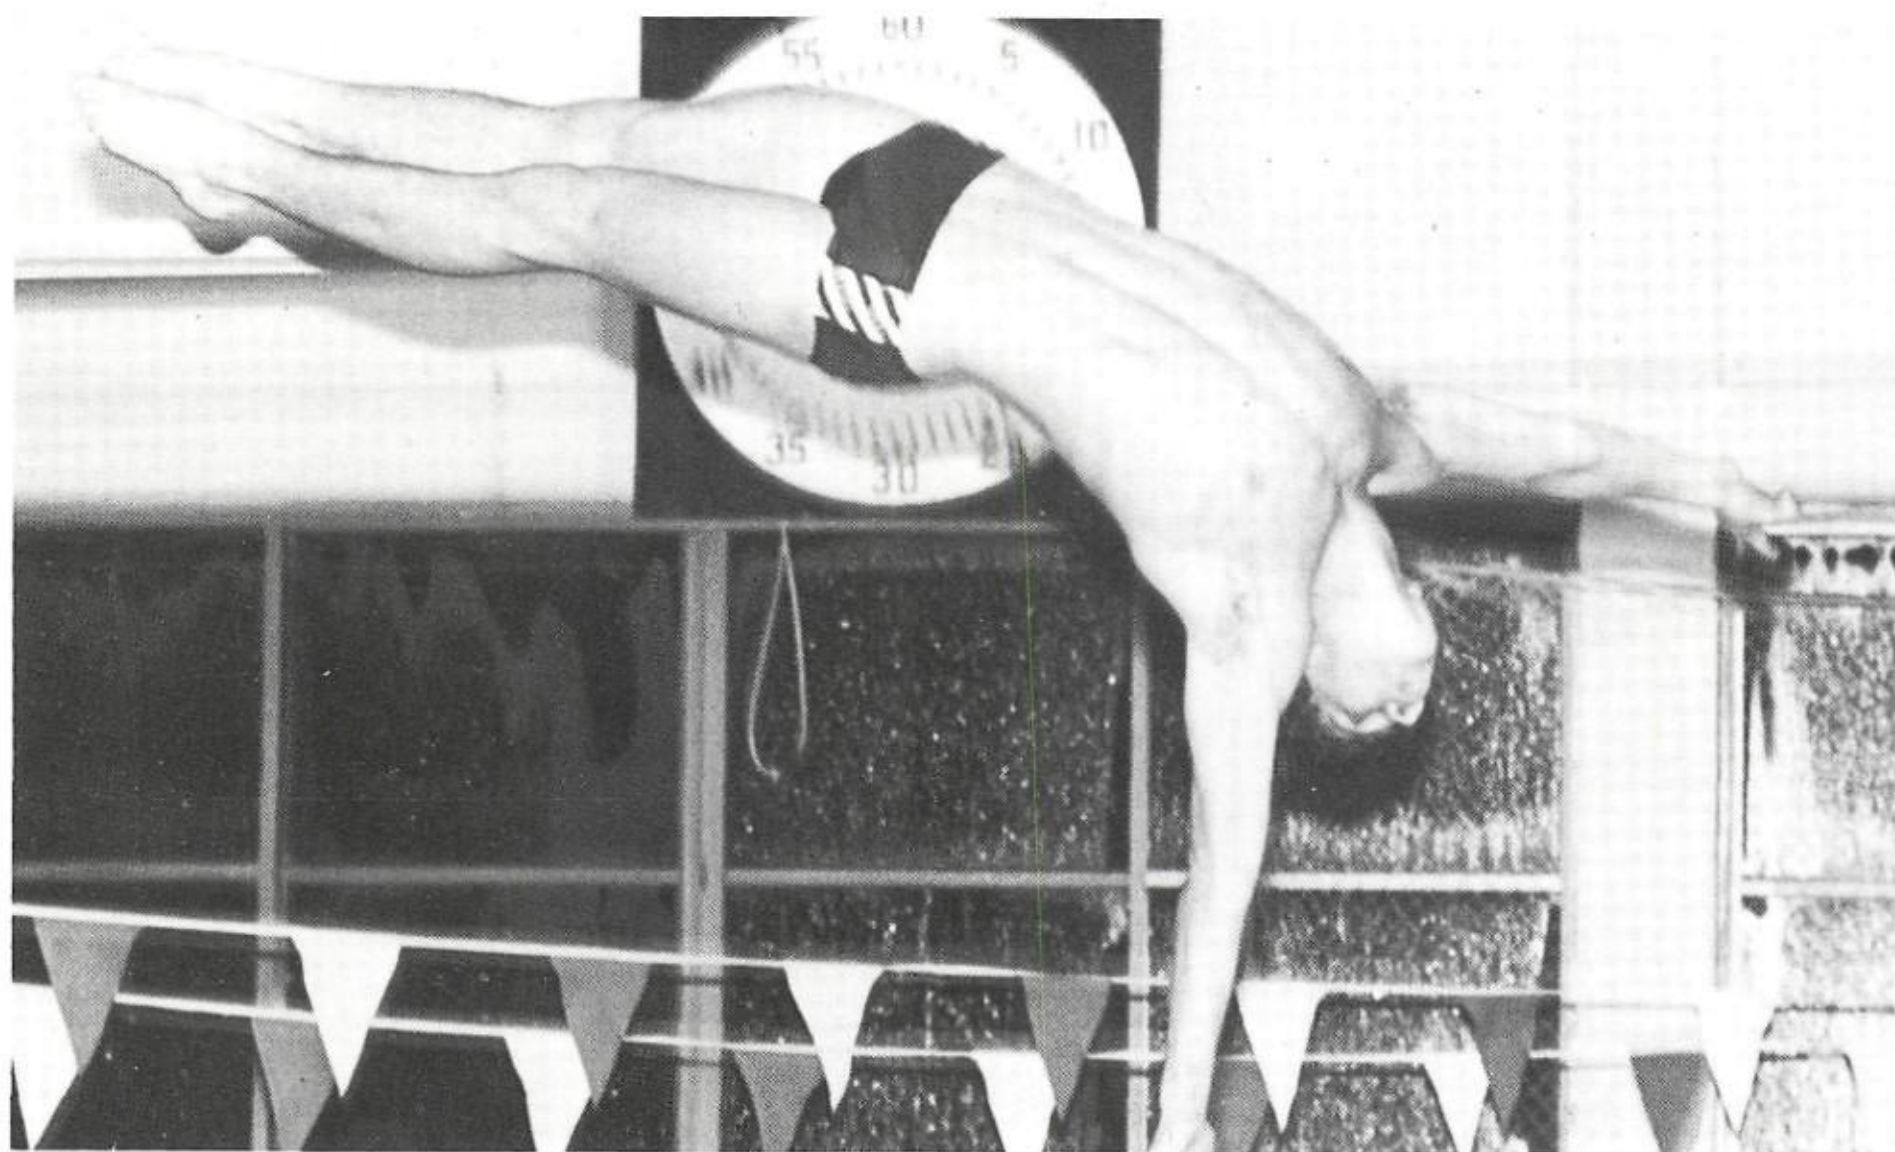

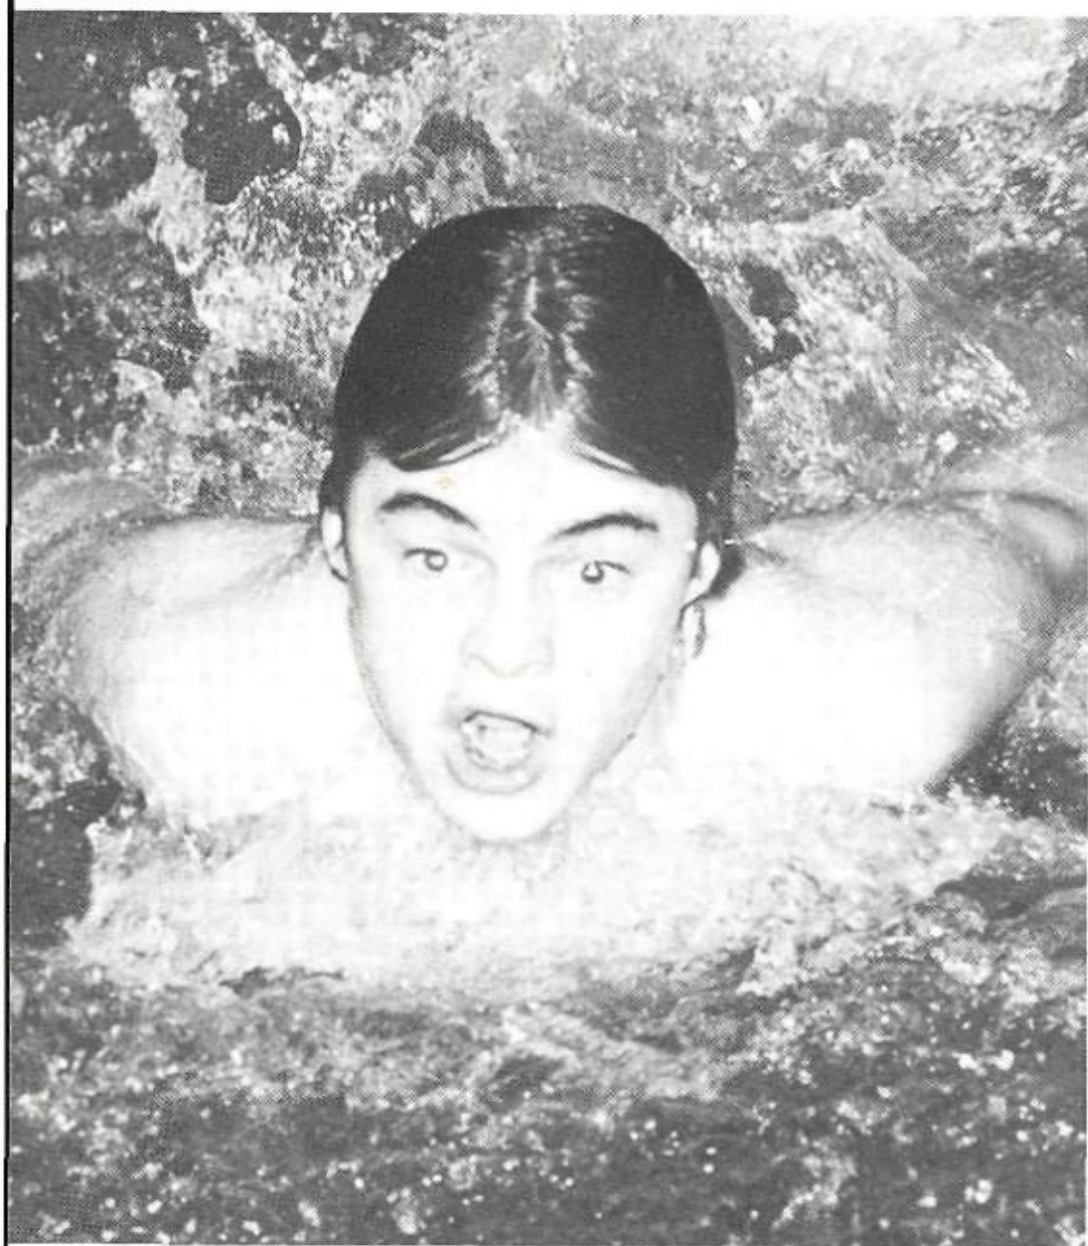

Standouts on the team were juniors Richard Wesson and Bo Lett, sophomore Mark Hurst, and freshmen Todd Clark and Jeff Brand. Wesson holds the school record in the 100 butterfly and in the 200 individual medley; he performed well in freestyle events as well. Lett swam consistently well in the 50 freestyle and the 100 freestyle, as well as the 100 backstroke. Clark swam the 100 yard breaststroke consistently well, while Hurst swam both butterfly and backstroke well. Brand provided quality diving along with senior David Greenblatt. The team's depth consisted of seniors Jeb Beckwith and Keith Kadesky, junior Gil Wolfe, sophomore Jimmy Friedberg, and freshmen Casey Jones and Jeff Rasansky.

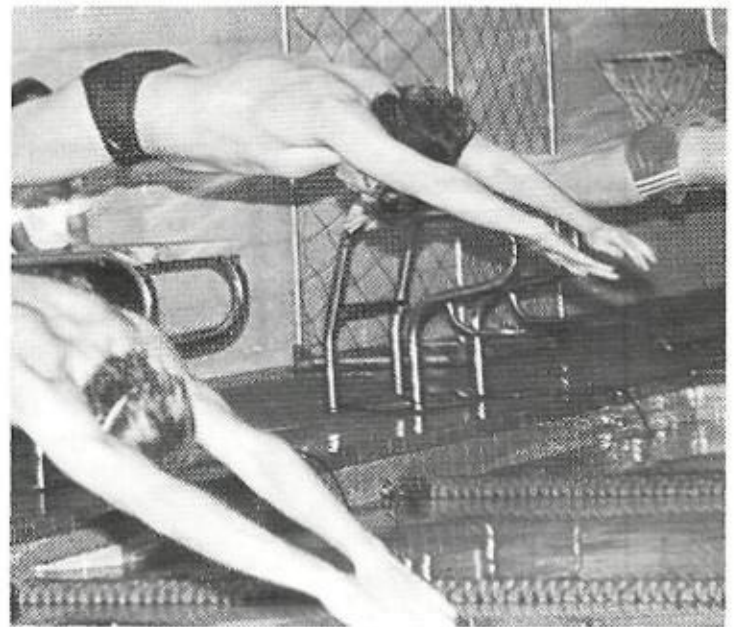

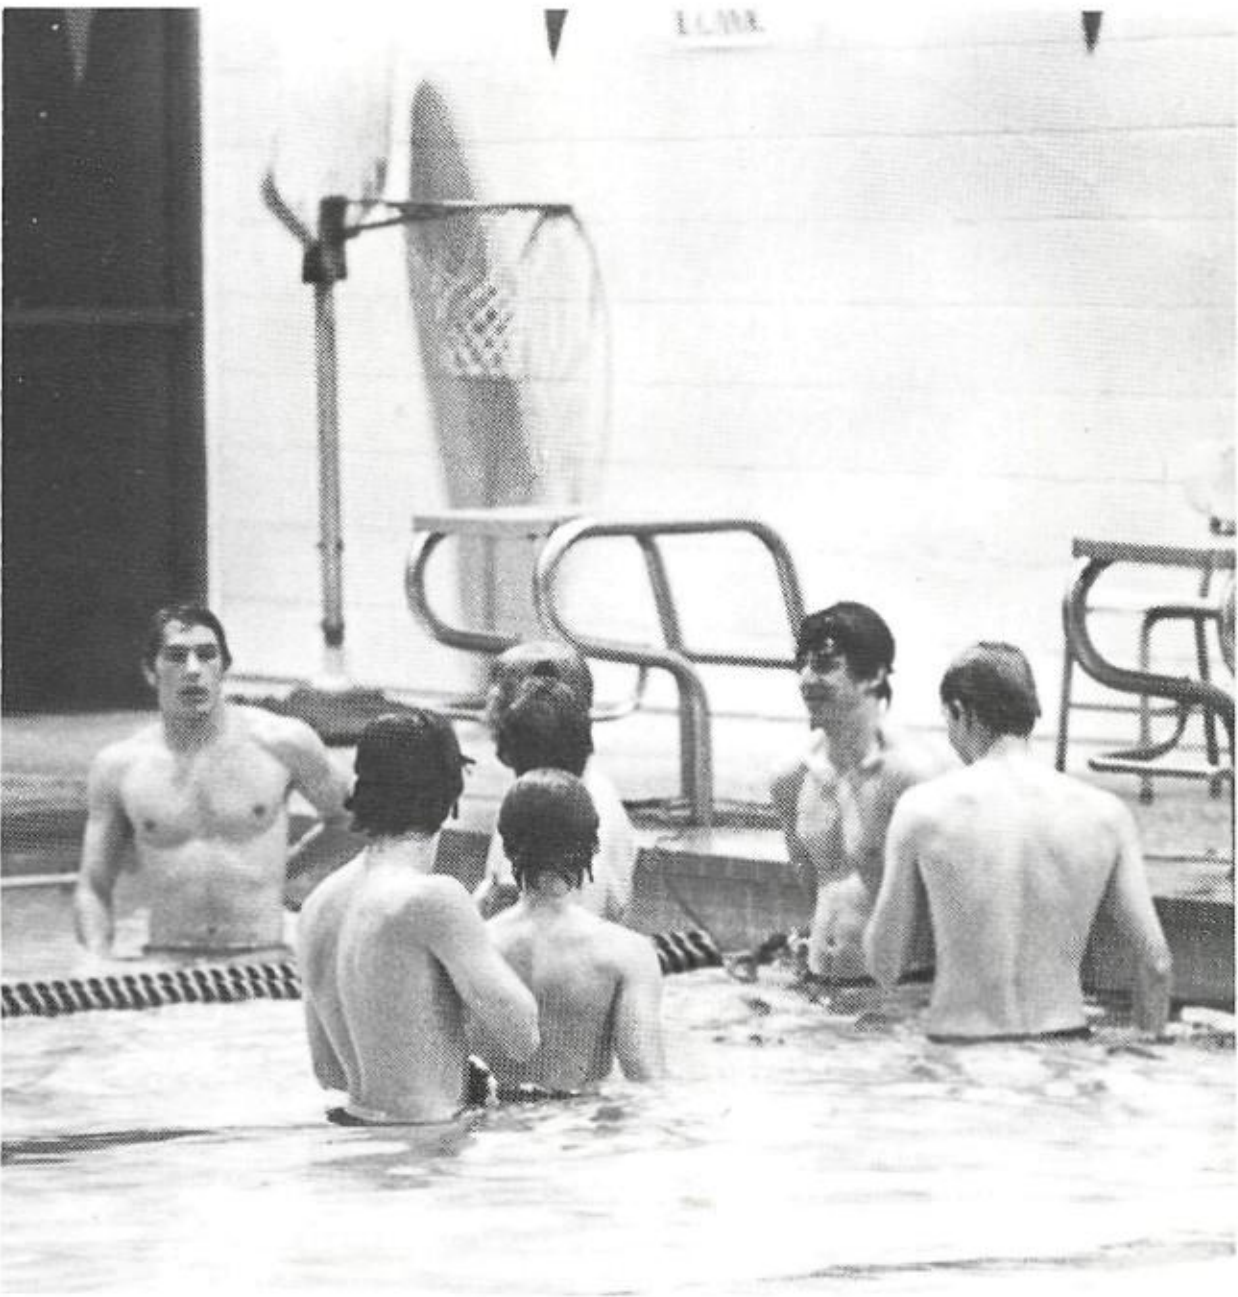

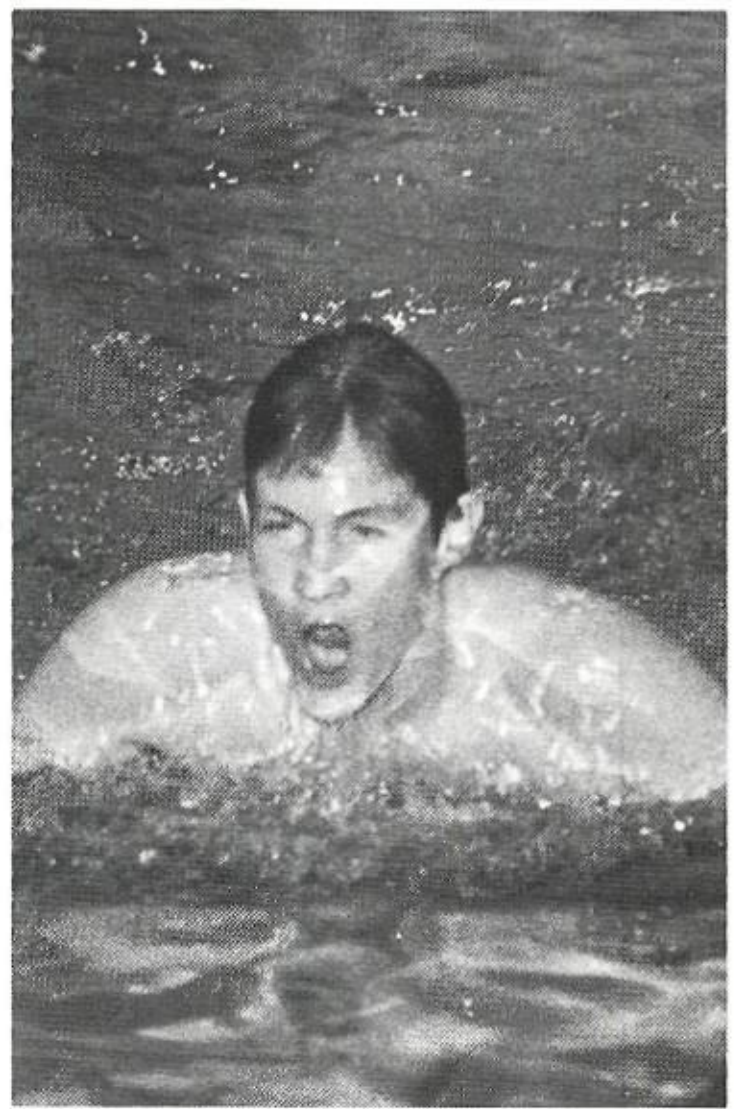

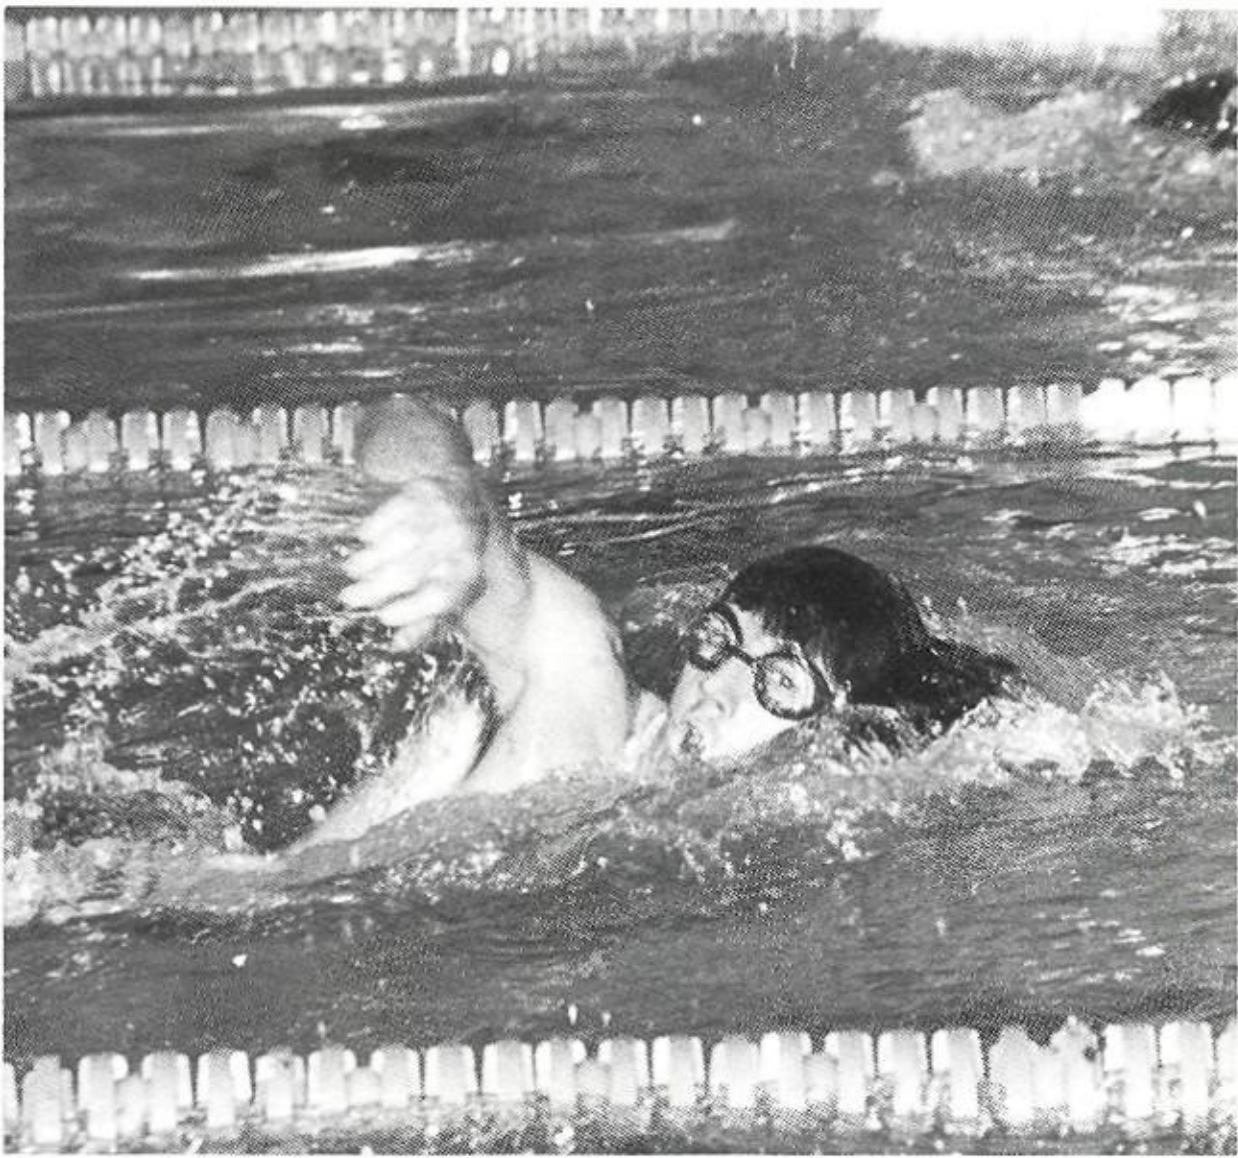

# Fencing

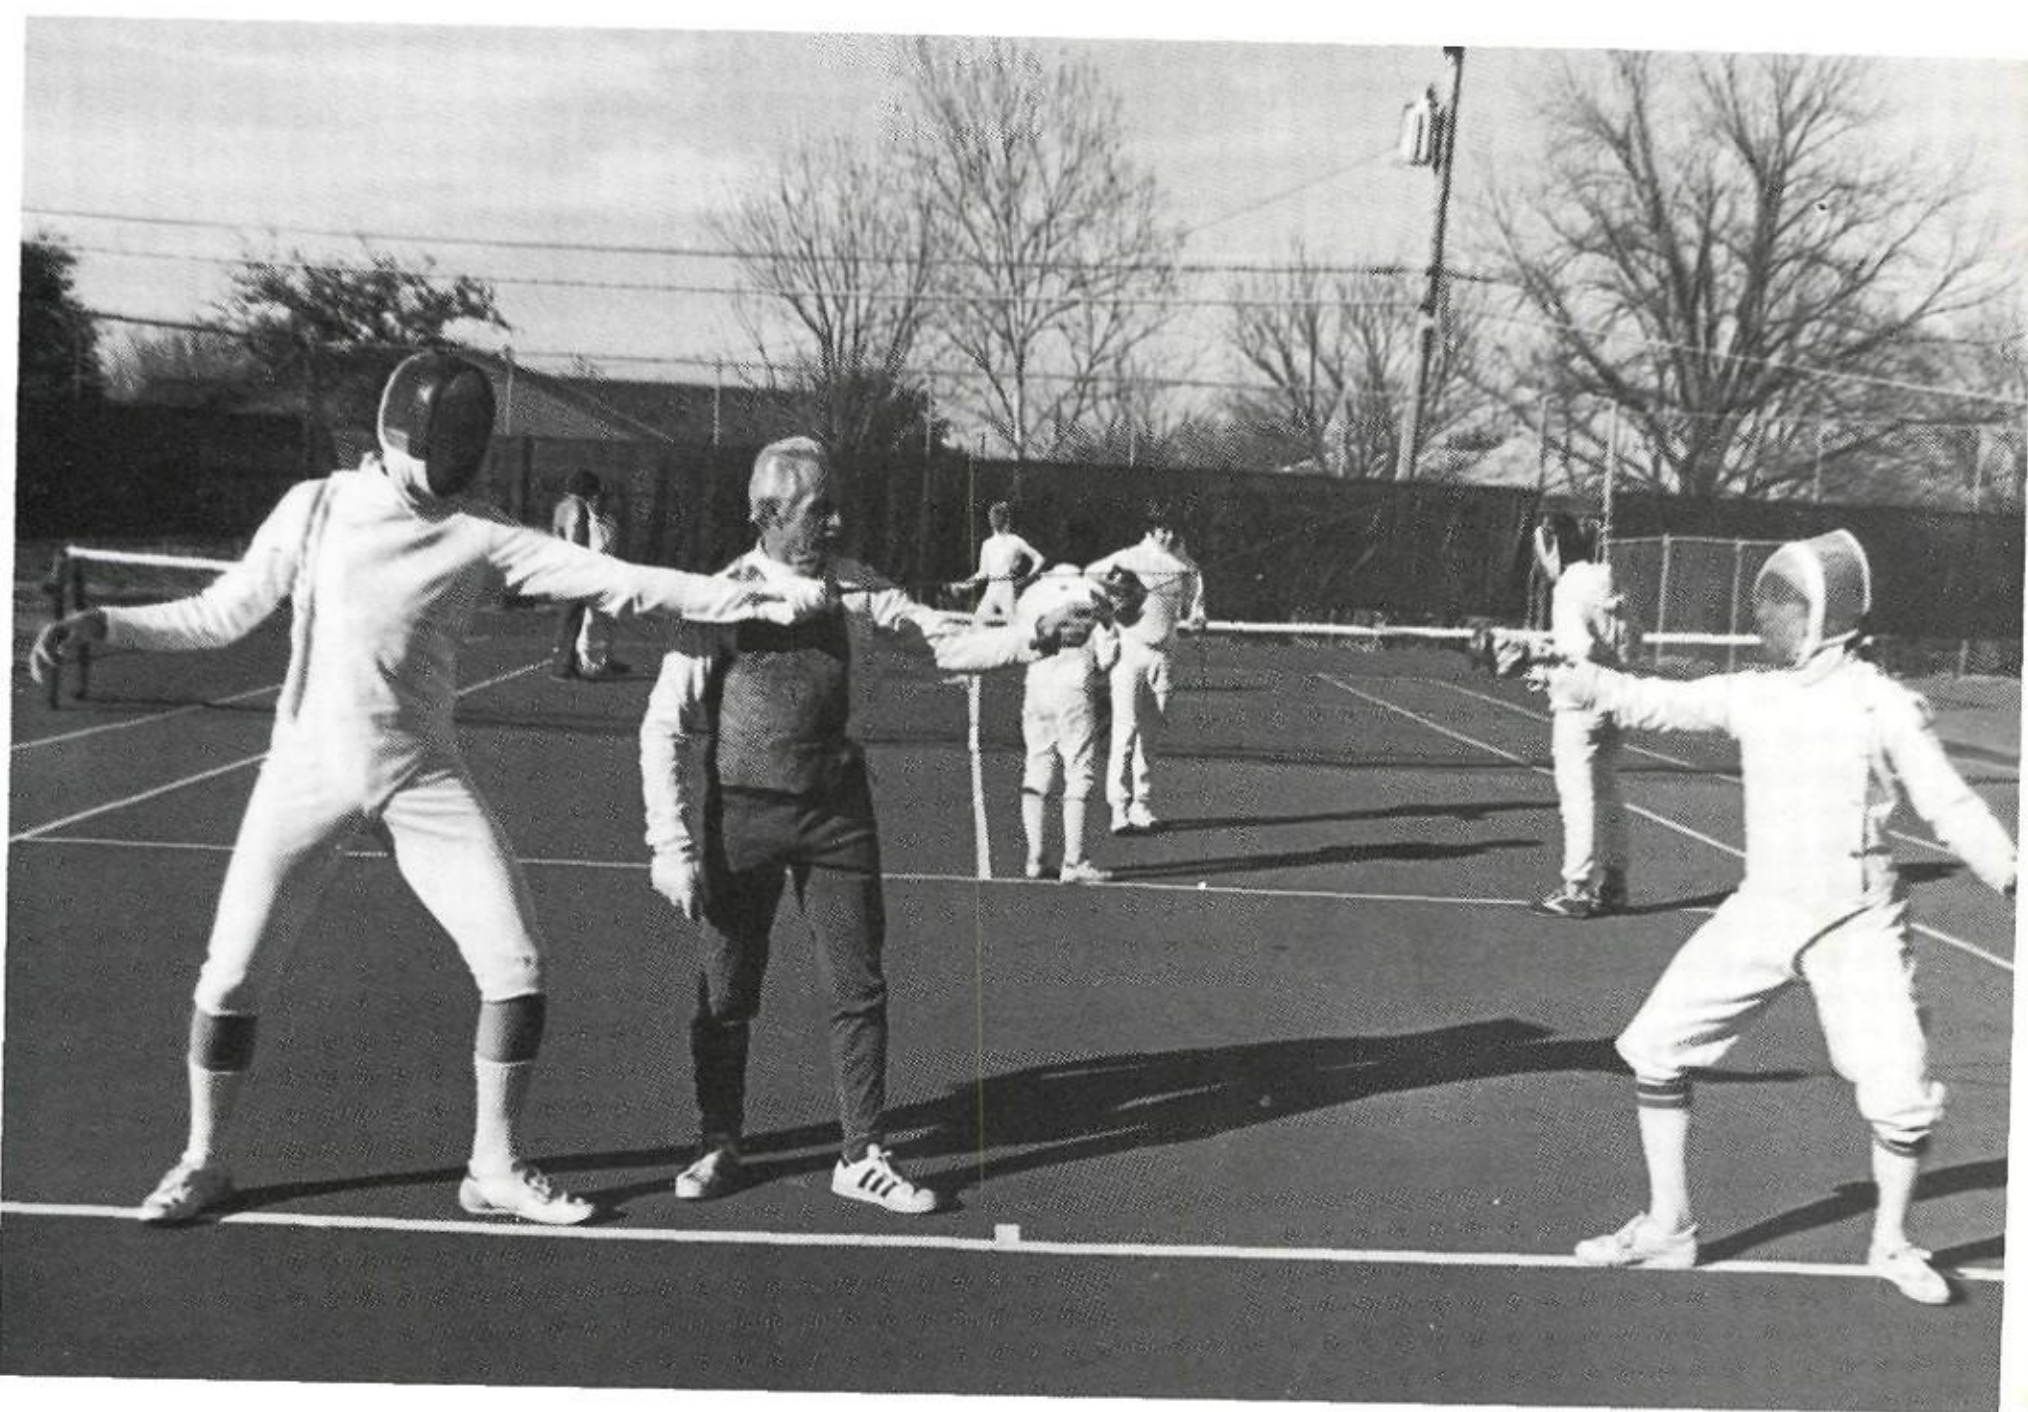

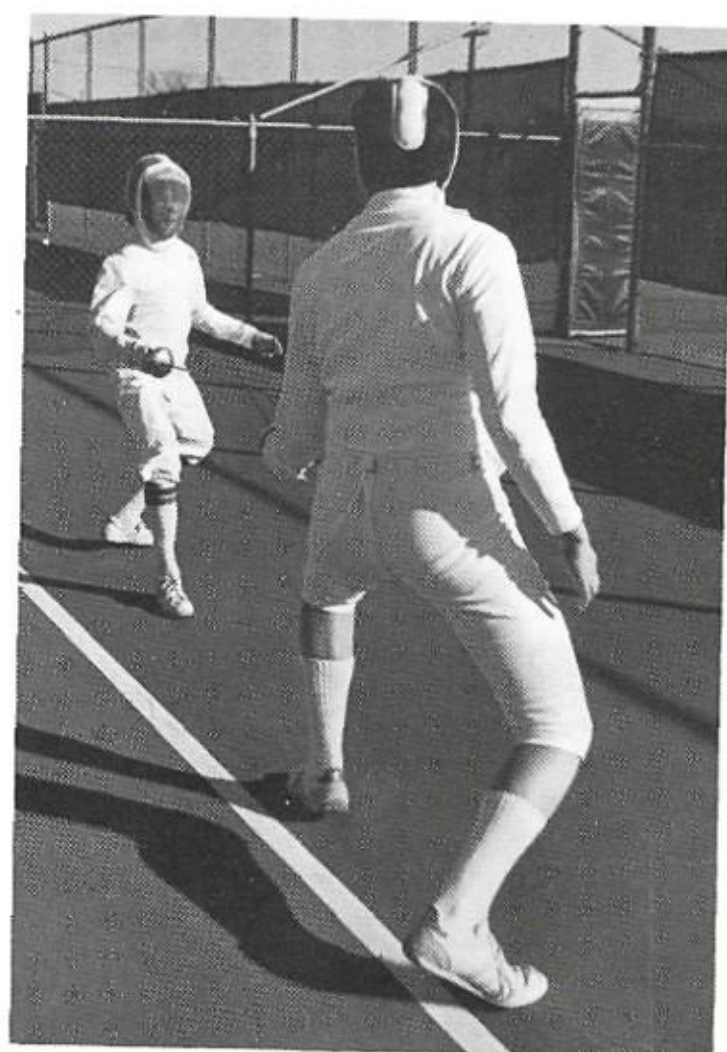

The 1979-1980 Fencing Team enjoyed a very successful season under the guidance of Maitred'Armes Daniel Nevot. Both participation and personal initiative were stressed in this year's competition.

In local tournaments, co-captain Robert Brown demonstrated his expertise, capturing second place in foil and second in epee in one tournament and a second in foil and sixth in sabre in another. In the regional qualifications for the Junior Olympics, seven members of the squad won the privilege of attending the national tournament by winning either first or second place in their respective weapons. Only co-captains Robert Brown and Milton Huang and sophomore John Clutts actually flew to Vancouver, Washington, for the tournament, Brown taking second and Clutts eighth in under-16 foil. Brown also took fourth in under-16 epee, and Huang took 56th in under-20 foil.

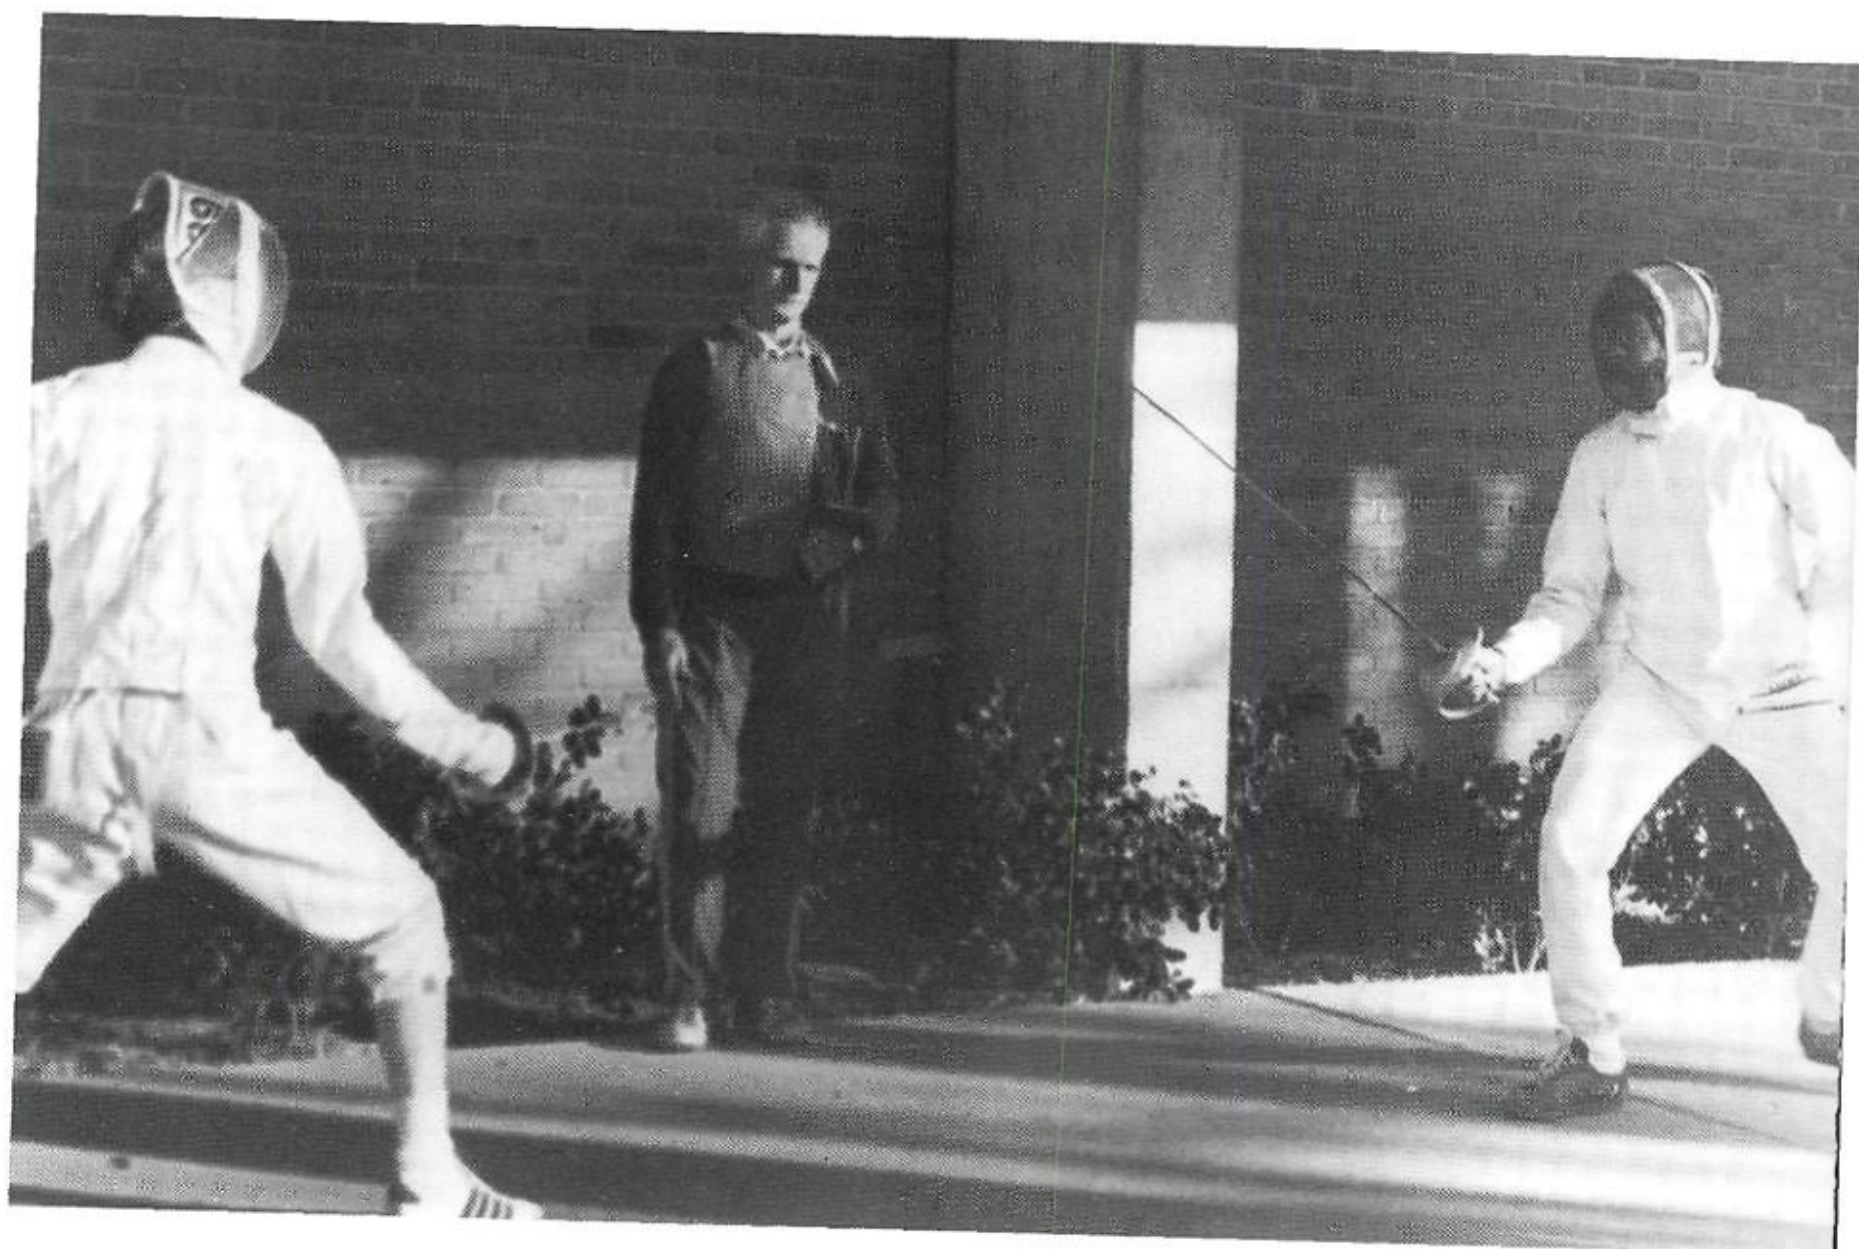

The fencing squad, with a new influx of seventh and eighth graders trained by Coach David Forman, looks forward to continued growth and improvement in the years to come.

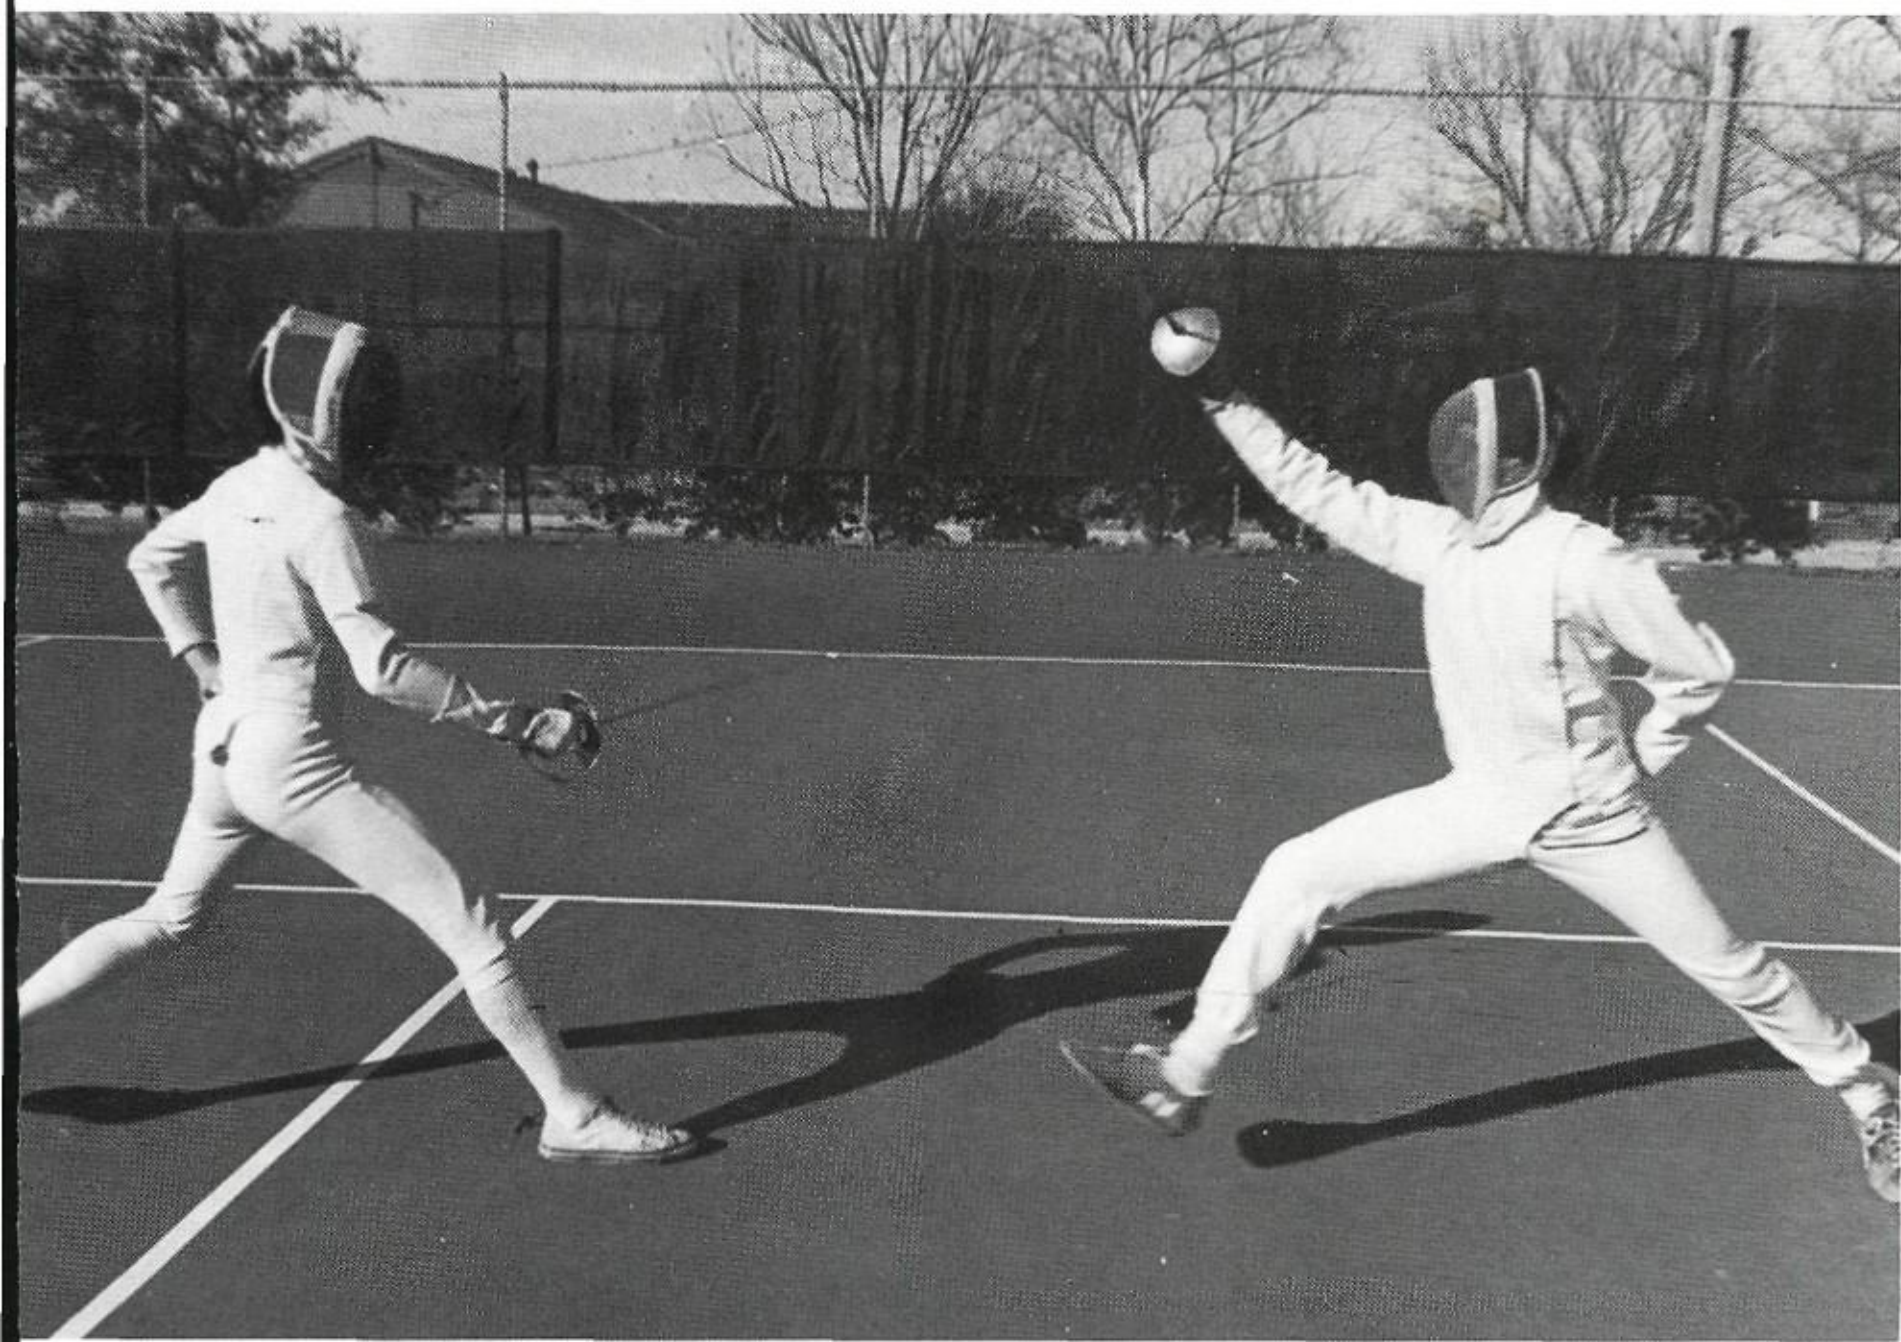

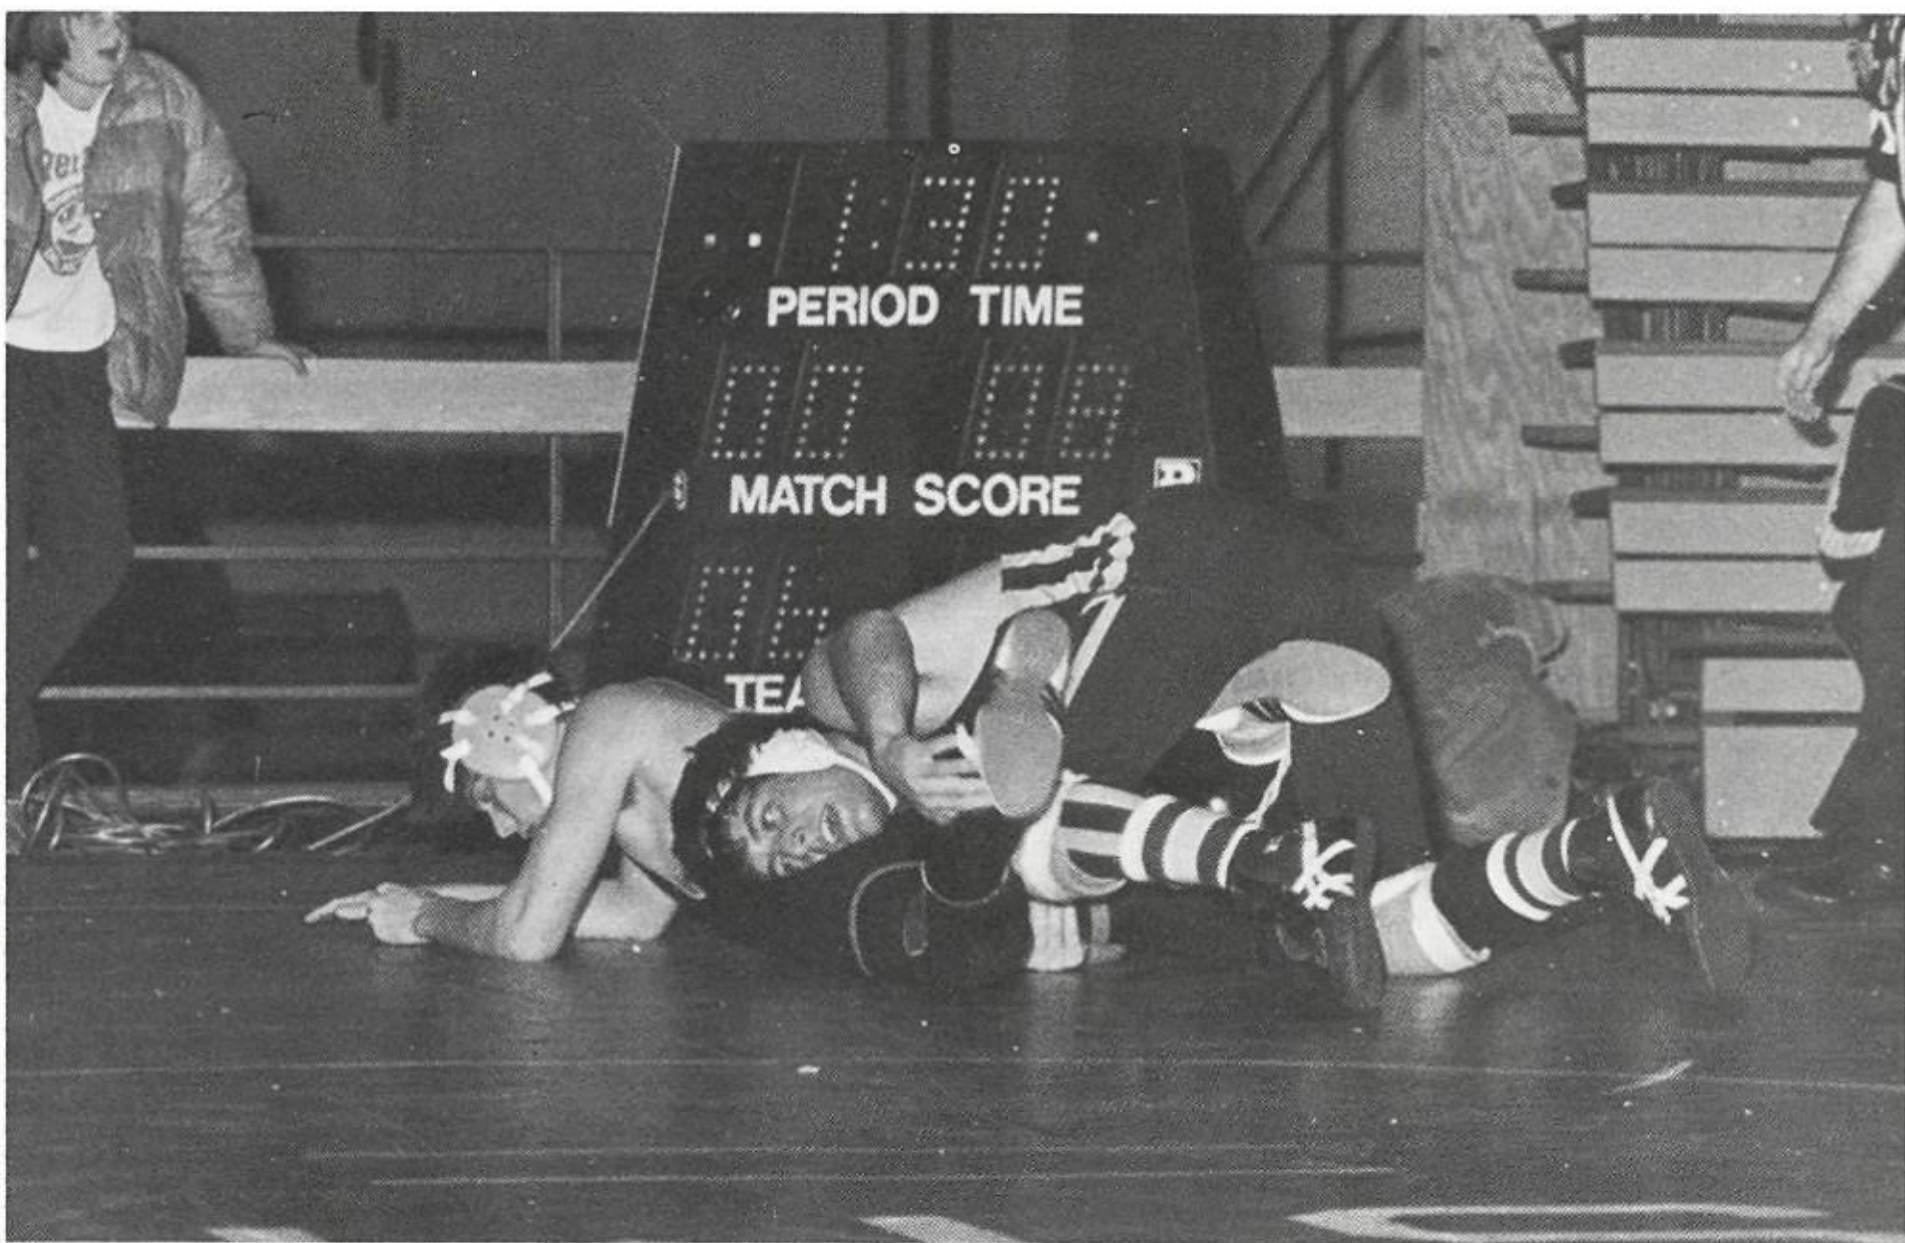

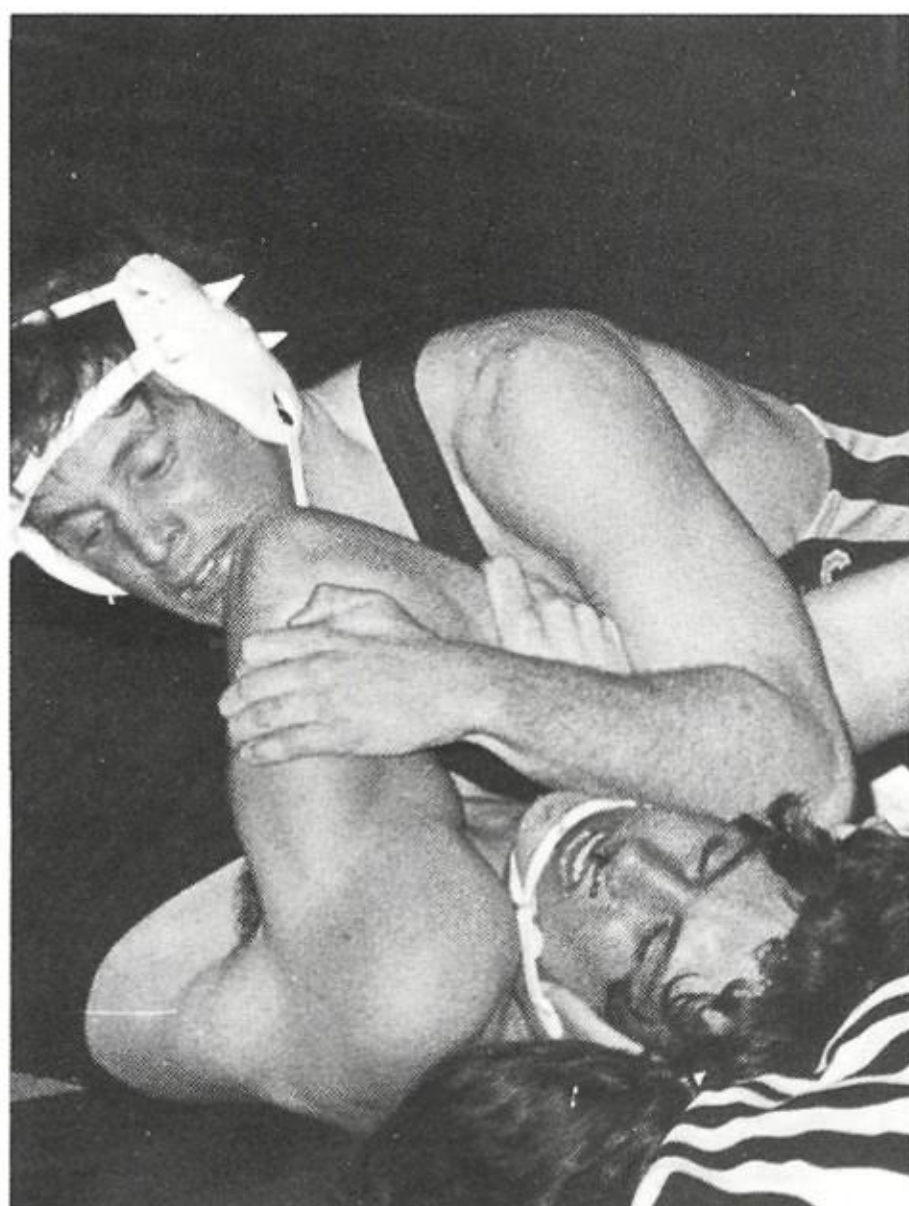

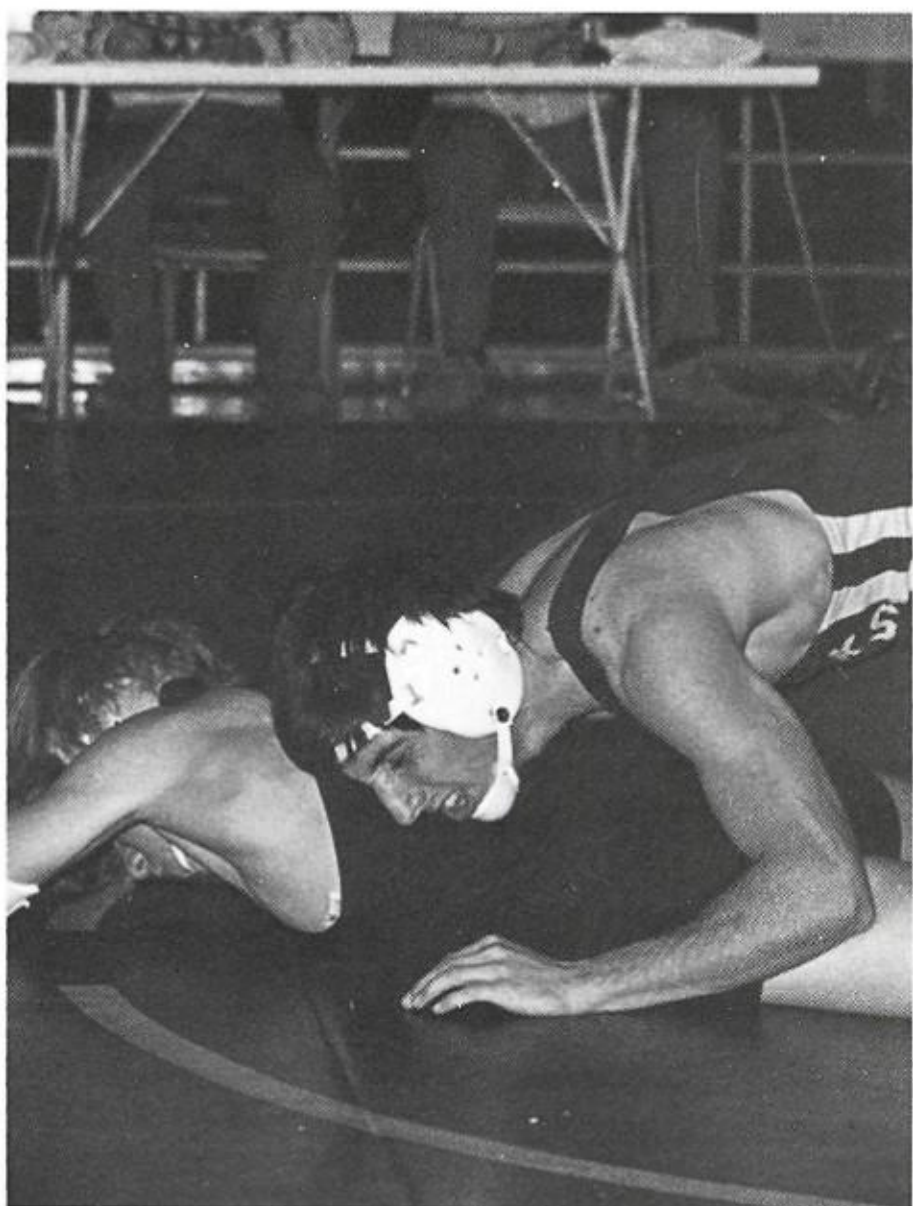

# Wrestling

The 1979-80 Wrestling season was one of the most outstanding in school history. Establishing themselves as one of the city's top wrestling teams, the Lion matmen concluded 1979-1980 with an undefeated and untied record of 13-0 in dual meet competition. Their dual meet victories included the beating of such past rivals as Jesuit, J. J. Pearce, Lake Highlands, and R. L. Turner. Such a successful season was achieved through the unified effort, dedication and hard work by all team members and leadership of team captains Allen Custard, Adam Seidel, and David Wilkie and Coaches Tim Brennan and Kim Gagne.

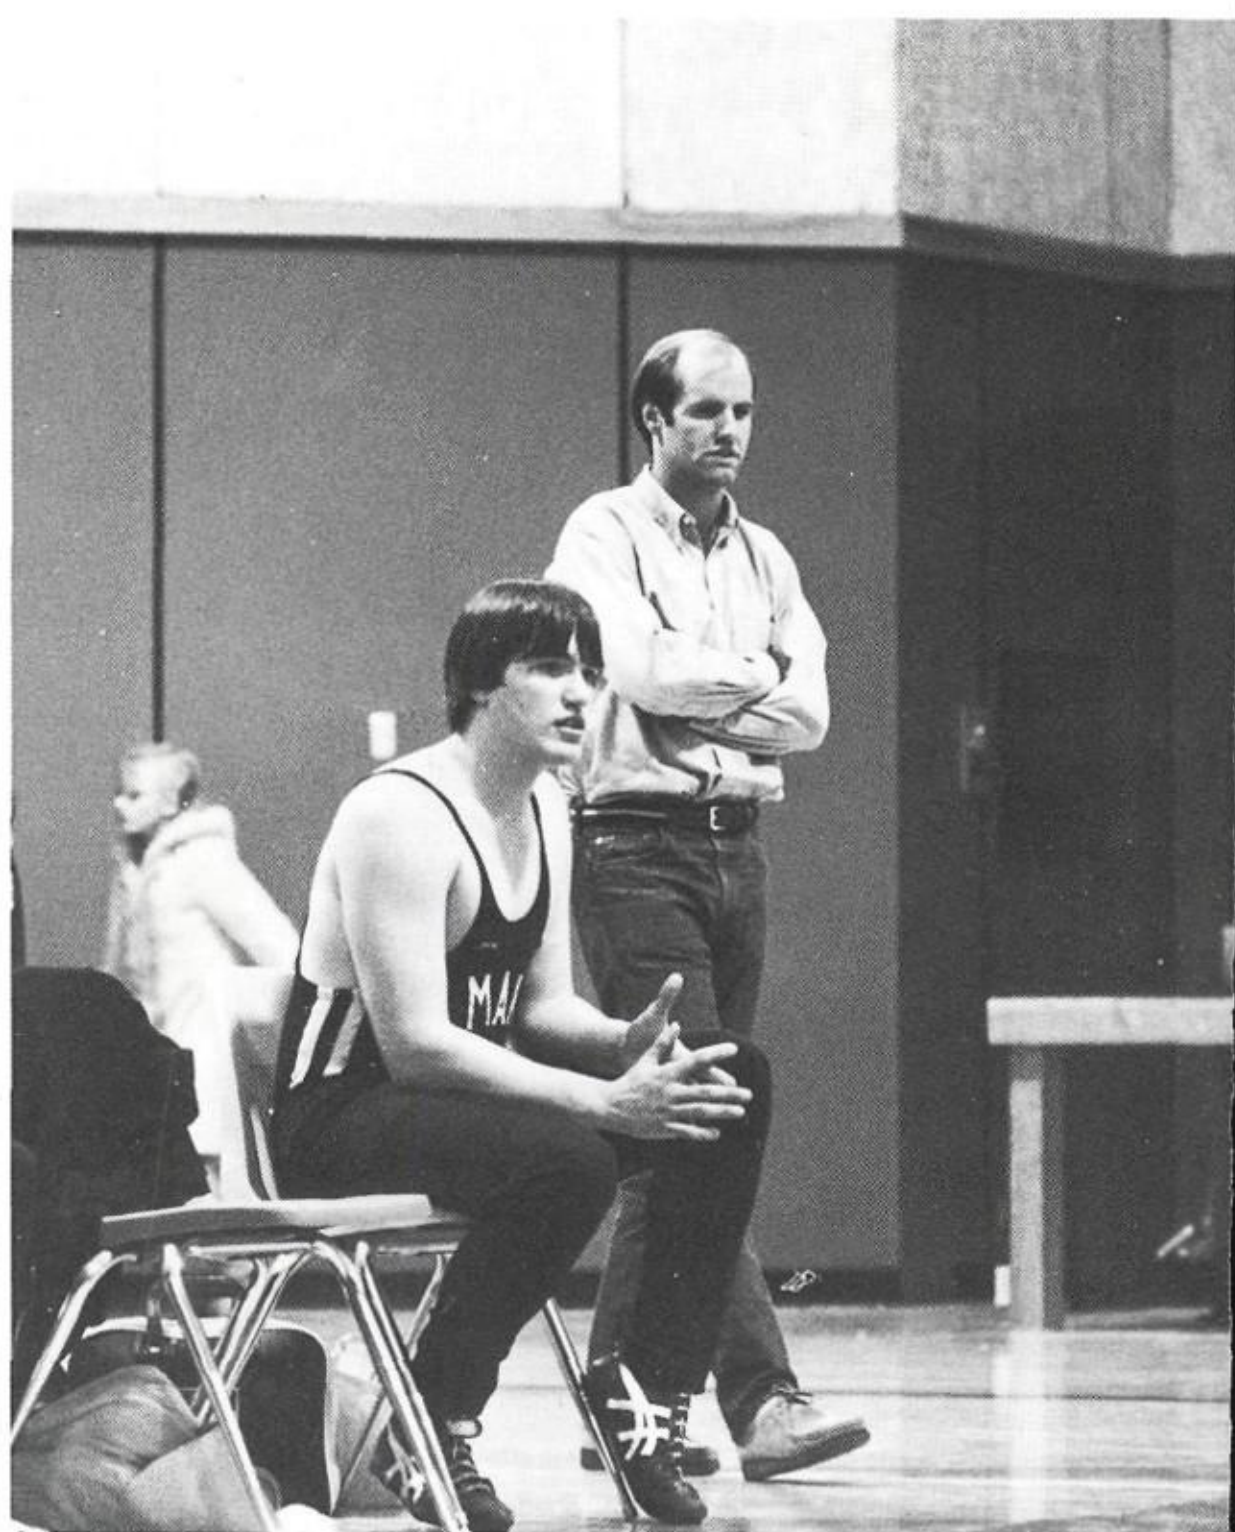

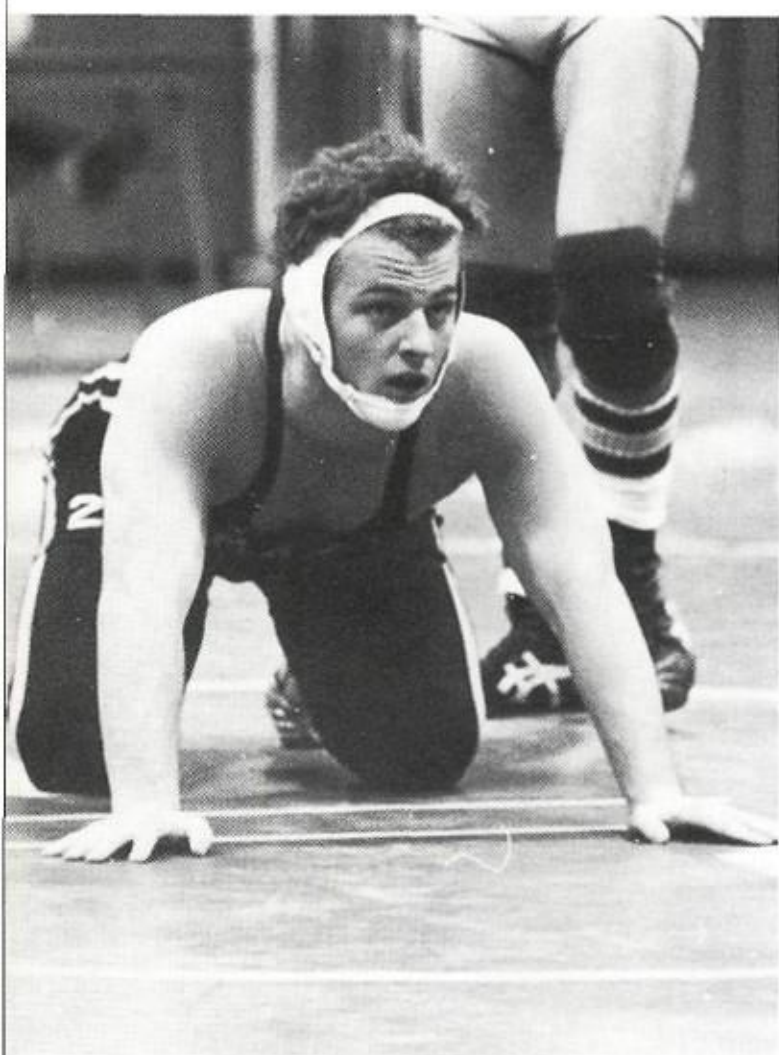

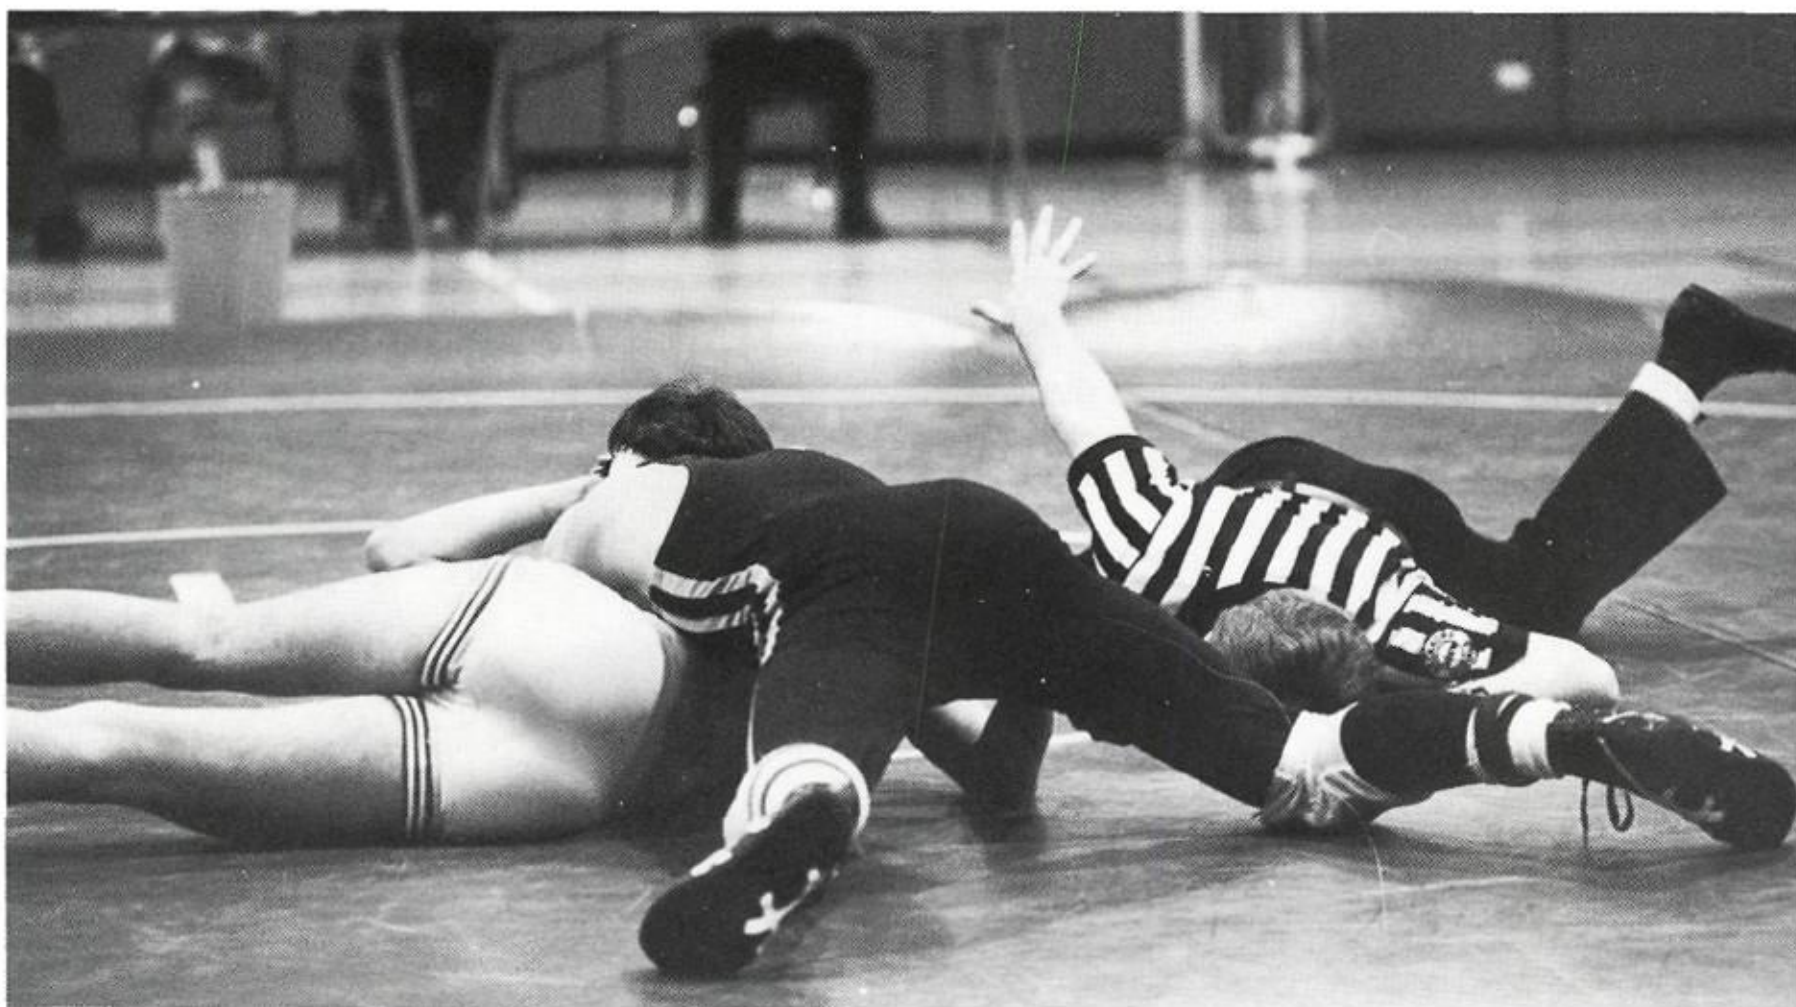

The team performed well in tournament competition placing third in the Sunset Invitational Tourney and second in the prestigious Ebby Halliday Tournament at R. L. Turner. At S.P.C. the Lions won for the second consecutive year in a row, defeating both Casady and FWCD. St. Mark's then took the 7-AAAA district title with seven 1st place finishes and five runner-ups. At the Regional Tournament the Lion wrestlers had an outstanding day, being the first St. Mark's team to win the Region 2 4-AAAA title while qualifying ten wrestlers for the State Tournament.

## So What If We're Seniors

# TO THE KID ON THE END OF THE BENCH

Champions once sat  
where you're sitting,  
kid.

The Football Hall of Fame  
(and every other Hall of Fame)  
is filled with names of people  
who sat, week after week,  
without getting a spot of  
mud on their well-laundered  
uniforms.

Generals,  
senators,  
surgeons,  
prize-winning novelists,  
professors,  
business executives  
started on the end of  
a bench, too.

Don't sit and study  
your shoe tops.

Keep your eye on  
the game.

Watch for defensive  
lapses.

Look for offensive  
opportunities.

If you don't think you're  
in a great spot,  
wait until you see how many  
would like to take it away  
from you at next spring  
practice.

What you do from the bench  
this season  
could put you on the field  
next season,  
as a player,  
or back in the grandstand  
as a spectator.

Congratulations  
and every best wish  
for success
